

## **Speak Live! - Rise of the Black Messiah - EZEKIEL 37 the valley of Dry Bones – Free at Last.**

Welcome friends and family, to those that are new my name is Dawid, a.k.a Plahu Yacob ZakiyYAH. I am speaking to you from . You are listening to Signs and Wonders the broadcast that came Right on Time. Today's date is December 14<sup>th</sup> 2013. We are at the moment in the 10<sup>th</sup> month not the 12<sup>th</sup>, according to the calendar of some. So keep this in mind.

### **I first would like to open with a message to AHYAH.**

AHYAH thank you for creating my eyes so I can see, you created this thing man calls organs to reflect the thoughts into this thing man calls a brain- PROFOUND. O AHYAH...how dose this matter calculate? How dose it calculate with mathematical equations that will put the most powerful **man made** computer to shame. This Man that you made, perfect and profound, NOT profane or vain. Man that you made, perfect and profound, NOT profane or disdained. O AHYAH. How these eyes see, to compare, to calculate these things you created? O AHYAH...How you created this brain to think, think upon the things you placed in time? Time that you AHYAH created when you created this thing called man. And now man can see. O AHYAH NOW man can see. I ask that you are with me today, help me tear-down the deceptions of this beast, help me expose the weakness of the system of Babylon. Take this system apart bit by bit and piece by piece. Reverser and de-program your children. Open the eyes of those you destined to see. O AHYAH my YAH our YAHUAH. Thank you for YAHUSHUAH and all of your Righteous teachers. Thank you for YAHUSHUAH and all of your Righteous messengers. Thank you for showing me that it is not the quantity of man, but the quality of the seed. That special few that passed the test.

**O AHYAH** For you said in your word: **Blessed are the poor in spirit**: for theirs is the kingdom of heaven. **Blessed are they that mourn**: for they shall be comforted. **Blessed are the meek**: for they shall inherit the earth. **Blessed are they which do hunger and thirst after righteousness**: for they shall be filled. **Blessed are the merciful**: for they shall obtain mercy. **Blessed are the pure in heart**: for they shall see **AHYAH our YAHUAH**. **Blessed are the peacemakers**: for they shall be called the children of **AHYAH**. **Blessed are they which are persecuted for righteousness' sake**: for theirs is the kingdom of heaven. **Blessed are ye**, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the **prophets** which were before you. **Ye are the salt of the earth**: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men...**Ye are the light of the world**. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

Let your light so shine before men, that they may see your good works, and glorify your Creator, whom is your Father, Mother and Best Friend which is in the heavens.  
**Thank you AHYAH all Praise AHYAH, all Praise AHYAH all Praise AHYAH!**

### **Opening Statement and Introduction:**

Brothers and Sisters We Won This! I hope you understand. It is Written!

Today I will read Ezekiel 37. Before I read the book of Ezekiel I want to give you very important details about this book. First you have to know that this book is Read by the Jews and the Hebrews. The Jews call the words of Ezekiel Oracles. An Oracle is a person that receives counsel from numerous gods. During the times of the Greeks these gods were called Zeus, Apollo, Athena, Dione and many others. Today the Parasites consult with Hermes of old. The Hebrews of the Seed of Yacob do not consult Oracles of old. The words of the Prophets are the words of AHYAH through his Messengers, like YAHUSHUAH. This name Ezekiel was give to our messenger by the ones that translated and re translated our story. When research the Ancient Hebrew you will notice that the original name is not **Ezekiel**, but (**Yah-KHAZQ**). Now I will explain this meaning shortly.

There is another name in the Sacred Name Scriptures document called Yechezqe'l. This name means **EL will Strengthen**. This name **EL** is the replacement name of **AH**. **EL** means to strengthen by Twisting, this can be found in the Strongs Concordance at Hebrew number **193**. I mention this because it is important to know. Why? Because someone is hiding the true name of the one we call Ezekiel. The original name of Ezekiel can be found in the Strongs Concordance Hebrew number **3168**, now keep this in mind. The first two letters of **H3168** are the same two letters as **H3068**. Now guess what name is Hebrew number **3068**? The name is **YAHUAH** which comes from **AHYAH** Hebrew number **1961**. Now why did the Strongs Concordance and the translators change the name to **EL**? So now we have to ask. Did Yah- KHAZQ get his Prophecy from an **EL** which is an Oracle, or did Yah- KHAZQ aka Ezekiel get the words of AHYAH from AHYAH?

Now there is really no need for me to go over this, because AHYAH needs no explanation, but for those that must see...

### **Let me explain:**

When you translate the name in the Ancient Hebrews the "Sacred Carvings" you will see meanings behind the symbols used for (Y-AH-KH-Z-Q) whom is Ezekiel.

### **The first two symbols:**

The **Y the arm** = (Work, Throw, Worship), and the **AH the arms raised** = (Look, Reveal, Breath). This means **YAH**, **AHYAH** the one whom we worship, or **AHYAH** the breath of life, or **AHYAH** the one whom is Revealed, **AHYAH** is Life, **AHYAH** is Breath **Y and AH, YAH, this is the name of AHYAH**.

## First Break: ( Audio File - Martin Luther Get the Language Right)

### EXTENDED VERSION!

**The last three symbols:**

**The Open Palm KH** = (Outside, Divide, Half), **The Jemba-Shoka or Mattock Z** = (Food, Cut, Nourish), The sun on the horizon **Q** = (Condense, Circle, Time). These ancient Hebrew symbols spell the name KHAZQ. This name KHAZQ is explaining the process. KHAZQ is separated from the rest. KHAZQ is strengthened and feed he is made strong. KHAZQ is tried threw time. How? Well you will be able to compare KHAZQ's information with TIME.

Now keep this in mind. This is the name Ezekiel when you bring it back to the original Ancient Hebrew. His name is YAH-KHAZQ . not Ezekiel. KHAZQ in the Strong's Concordance means: *(To fasten upon; hence to seize, be strong.*

*Figuratively courageous, causatively strengthen, cure, help, repair, fortify), obstinate; to bind. To strengten (self), be stout, be (make, shew, wax) strong, to be sure, take (hold), be urgent, behave self, Valiant, withstand. )*

Now think about it the ancient Hebrews symbols agree with the Strong's Concordance. So basic this means to be powerful. The name Ezekiel in Hebrew is YAH- KHAZQ which means, **AHYAH will strengthen. AHYAH will strengthen** not Zeus, Apollo, Athena, Diane or Hermes. This is the major difference between the Jewish translation and the Original Ancient Hebrew writings. This is VITAL for you to comprehend. Their god EL is the adversary. EL means strength, but as in Twisting man, as in the submission of man. The symbol in the Ancient Hebrew is a Ox head or the head of Ram. This symbol means Strong, Power, Leader. You also have the Shepherds Staff the Lam in this name and this means (to Teach, Yoke, To, Bind). Now keep in mind this is their version of the name Ezekiel. Can you see the dereference?

This is why we have to know who to listen to. This why we have to LEARN TO THINK FOR OUR SELVES. In the 1800s they tried to discredit the book of Ezekiel until they found a theologian to make it fit for the German Jews called the **(Ask a Nazis)**. They wrote volumes of books to describe the Oracles of Ezekiel. This is why they call them Oracles and not Prophecy. Now here is the question. Did you know this fact? Did you know the dual meaning of the name Ezekiel or that they tried to discredit it? If not how can you properly comprehend the true name of Ezekiel AHYAH will strengthen YAH- KHAZQ? How can you, if they changed it to Ezekiel EL will Bind, EL will Yoke, EL will Seize, EL will Constrain or Twist? Think about it!

*”My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of YAHUAH, I will also forget thy children.”*

## Judaism and Christianity Section

**Welcome back, In this broadcast I will use the name Ezekiel, because this is the name we are all familiar with, but I advice you to do a study on this name yourself, so we can agree.**

The events of Ezekiel happened between the years 593 and 571 BC according to history. If this is the case then lets see what was happening in Egypt at this time. This period in time is called the Late period of Ancient Egypt, this is the year 664 BC till 332BC. These are called the 26<sup>th</sup> and 27<sup>th</sup> Egyptian Dynasties. This was the last so called Nubian Dynasty before the Assyrian invasion.

Now keep this in mind we have one people that are now two separate people. We have the so called Nubian Egyptians of the 25<sup>th</sup> 26<sup>th</sup> and 27<sup>th</sup> Dynasties, being floated and over taken by the Assyrian invaders. The other people are now being called Semitic. Why? Because when the Hebrew / Egyptians of the Akhnaten time line left Egypt they went into the land of Canaan, or what is now known as Israel today. The Hebrew that went here, became the property of the King of Assyria. The Assyrian where in power until **626 BC**. After the Assyrian Empire fell, “All Hell Broke Loss”, figuratively and literally.

**As it reads:** “ This situation led to wholesale revolution in Babylonia, and during his reign many Assyrian colonies to the west, east and north similarly took advantage and ceased to pay tribute to Assyria, most significantly the ” **Medes** (Remember the Medes in the Bible they where taken over by the Persians. ), **Persians** (The Persians where taken over by the Scythians.), **Scythians** (These are the ancestors of the Germanic tribes call Ashkanazi), **Cimmerians** ( These are the ancestors of the Germanic tribes call the Khazars.) and the **Arameans** (These are the ancestors of the Semetic tribes called the Arabs or the Nabataeans.) Now keep in mind the Khazars are called the Turkic people which are called the people of war. When the people of war killed all the men and enslaved the boys, they took the women. This is why the Hun are linked to the Scythians, and the Scythians are linked to the Chinese, the Turks, the Russians and the Germans. After the Khazars became the Kings of the Earth they also intermarried with what we know as the Royal Bloodline today.

Okay now where are the Hebrews / Egyptians at this time? We are told that they are in the land of Canaan which is Jerusalem. Well who has control of Jerusalem in 626 BC? After the Assyrian system fell in **626 BC**, came the Medes, Persian, Scythians, Cimmerians and the Arameans. The Hebrews are now being passed around, because

we are in bondage. The Hebrews are being divided and sold, they are in Babylon, Petra, Greece, Sythia, Persia and Egypt.

We are all over the middle east at this time because of the slave trade. This is Deuteronomy the 28th Chapter 626 BC. Then in the year 329 BC the Greeks took control. Then after the Greeks, the Nabataeans tribe called the Edomites under King Herod and the Romans. Then they created Judaism 2.0 and on and on.

Okay now these people are the ones that the Jews of Germany are pretending to be. Now lets look at the second group the ones called, Nubian Egyptians the other group of people that where separate at this time in Egypt. Now the reason why they where separated is because of the disagreement about which god to worship. This disagreement is still happening today. **We have the Moors, the Nation of Islam, the Muslims, the Christians, the Hebrews Israelites, the Hebrews of the Seed of Yacob, the Africans, the African Americans, the North Africans, the South Africans, the Central Africans, the Caribbean Africans, the European Africans, the South American Africans, White Black Africans with white fathers in Africa and Black White Africans with white fathers in America.**

This is called divide and conquer. When they confused us about or spirituality, they took away our identity. **Okay, so** what happen to the so called Nubian Egyptians???. Now before I continue. Why do I say, so called Nubian Egyptians? Because the system of the beast is to divide and conquer. If History tells us that the Egyptians where Nubian in the year 3000 BC, 2000 BC, 1000 BC and 600 BC then they are not Nubian Egyptians. They are Indigenouse people of the land called Egypt.

Here is a little info from Wikipedia: *(Like I said before always cross check with Wikipedia, because there are a lot of evil people on the internet. They need to hide truth. )*

**Okay and it Reads:** “ Assyrian invasion of Egypt in 670 BC. Consequently, Pharaoh Taharqa's reign, and that of his successor and cousin Tantamani, were filled with constant conflict with the Assyrians. In 664 BC the Assyrians delivered a mortal blow, sacking Thebes and Memphis.”

“ The 25th dynasty ended with its rulers retreating to their spiritual homeland at **Napata**. It was there (at El-Kurru and Nuri) that all 25th dynasty pharaohs are buried under the first pyramids to be constructed in the Nile valley in centuries. The Napatan dynasty led to the **Kingdom of Kush**, which flourished in Napata and Meroe until at least the **2nd century AD.**”

**Comment:** Okay now think about this if Sudan is the Kingdom of Kush, then Sudan is also the Kingdom of Aksum. The Kingdom of Aksum was the core of, the root of Christianity. History tells us that the The Kingdom of Aksum protected the tribes of Muhammad. **As it Reads:** “ Aksum remained a strong, though weakened, empire and trading power until the rise of Islam in the **7th century**. However, **unlike** the relations between the Islamic powers and Christian Europe, Aksum, which provided

shelter to Muhammad's early followers around 615, was on good terms with its Islamic neighbors ”

Now think why was Islam friendly pre 700 AD and hostile after 700AD? Why? Because Islam was usurped by “the people of war”, the ones that divide and conquer. The people that lived in the Aksum Kingdom are called the Habesha people.

**Here is a brief description:** “ The Aksumite population consisted of Semitic-speaking people (collectively known as Habeshas), Cushitic-speaking people and Nilo-Saharan-speaking people.”

**Comment:** This name the Nilo-Saharan SPEAKING People, this means the people of North Africa. Also, notice how they are using this word “SPEAKING”. Keep in mind you speak the language of your oppressor. Okay now this broadcast is called Ezekiel 37 Free at Last that AHYAH our YAHUAH we are free at last. How are we to be free, if we are ignorant of Our Story. We need to know all of this information before we can understand the Book Of Ezekiel. So ask that you please have patience.

The European power structure called white-supremacy, remains in power because we are divided. The writers of History split the Indigenous people of the land called Egypt. They speak about how we became the Nubian Pharaohs, and then the Kingdom of Kush, and then the Kingdom of Aksum. This is “From Babylon to Timbuktu: A History of the Ancient Black Races Including the Black Hebrews.

Now how dose this relate to Ezekiel? Well we are told that the events of Ezekiel to place around 590 BC. At this time History tells us that, an ancient Afro Asian people called the Persians in power. We also have Ancient Indo European people usurping parts of lands of Kemet, called the Scythians. This is around the years 593 till 571 BC. We are told that Cambyses I, the father of Cyrus the Great is in power. Now keep this in mind the Persians are ruled by overlords of the Median Empire. Which means that the Persians are puppets of the Median Empire. The Median Empire falls around 560 BC during the rule of Cyrus the Great. And like I said before, we also have the **Scythian** Empire in the north. The **Scythian are also** the future Mongolians whom the Bible calls Gog and Magog.

**Comment:** Now I want to take a little more time on these people called the Scythians. I am going to read what Herodotus said about them.

**And it Reads:** “ For Herodotus, the Scythians were outlandish barbarians living north of the Black Sea in what are now Moldova and Ukraine.”

—Michael Kulikowski, *Rome's Gothic Wars from the Third Century to Alaric*, pg. 14

**Comment:** The black sea is the area of the Caucus mountains home of the Khazarian, **Scythian**, Turkic Tribes and the Germanic tribe called the Ashkenazi.

**And it Reads:** “During the 5th to 3rd centuries BC, the Scythians evidently

prospered. When Herodotus wrote his Histories in the 5th century BC, Greeks distinguished Scythia Minor, in present-day Romania and Bulgaria, from a Greater Scythia that extended eastwards for a 20-day ride from the Danube River, across the steppes of today's East Ukraine to the lower Don basin. The Don, then known as Tanaïs, has served as a major trading route ever since. **The Scythians apparently obtained their wealth from their control over the slave trade from the north to Greece through the Greek Black Sea colonial ports of Olbia, Chersonesos, Cimmerian Bosphorus, and Gorgippia.** They also grew grain, and shipped wheat, flocks, and cheese to Greece.”

**Comment:** Okay now lets recap. The Greeks took control of Egypt in the year 329 BC. They took control from the Persian Empire. In this area we see usurpations and overthrows until the coming of the Macedonian Empire ruled by Alexander the Great. Okay now again. Why am I mentioning all of this before I read the book of Ezekiel? **Because** we have to know about these events. What inspired Ezekiel to write down his thoughts? What was going on during this time? We are told Ezekiel lived during the year 593 BC right. Okay so we have the Kingdom of Kush in it's last years, before the coming of the Kingdom of Aksum. We now know that Persia came in after the Assyrian Empire destroyed the Nubian Kingdoms of Kush. We now know why people are being taken into bondage. We also know who is being taken into bondage. Now ask yourself a question. Are the Germanic tribe called the Ashkenazi being taken into bondage or the Indigenous people of the land called Egypt?

**Comment:** So now we have Ezekiel and Jeremiah living during this time. They are speaking about the enemy. They are being forced into slavery. The worship of **AHYAH** is being contaminated. The writings are being **re translated again**, from the **Aramaic**, to the **Babylonian**. There is a total destruction of what should have been the law of the land. **We** have the Scythians and the Greeks become one people. **We** have the Scythians, the Greeks and the Romans become one people. **We** have the Scythians, the Greeks, the Romans, the Edomites, the Nabataeans became Gog and Magog. **Now think about it.** How much has changed today? The Hebrews have been in bondage in some shape or form since the 7<sup>th</sup> Century BC. We have the abolishment of a 400 year system of slavery in the 19<sup>th</sup> century, yet people are still enslaved in Africa. **In** the year 2013, we see the children of the enslavers, the Germans and Turkic Arabs, pretending to be the presenters of Truth...**Now what do** I mean the presenters of truth? Well we see Gog and Magog acting like the authority of the Religion of Islam, which is the House of Saud, House of Bahrain, House of Qatar and others, claiming to represent the original version of Islam. Then we have the Hapsburg also known as the House of Rothschilds controlling Catholicism, as-well as their German / Russian branch called the Ashkenazi, controlling Judaism.

**Comment:** Now think about it...do they really represent the message of **AHYAH**? Look at the place called Israel today. In the area called Gaza we have the Worlds largest open air prison, a place where children can not have colouring books. **We** have soldiers bull dozing homes and booming schools.

We have demonic settlers spitting on women and children stealing farm land.

We also see that when the world stands up and tries to help the prisoners, the Israel army raids a ship called the “Gaza Flotilla”, commits murder and puts journalist in prison. So, do they really represent the message of AHYAH? We have the House of Saud sponsoring chemical attacks on Syria, the House of Saud sponsoring terrorist attacks in the United States. We see them using slave labour to build hideous skyscrapers, and both of these criminals say they represent AHYAH. Yet neither of these demons can get the name right...

**Brothers and Sisters I am saying what needs to be said...All Praise AHYAH!**

**Comment:** Like I said before, we need to know this information if we are going to understand Ezekiel Chapter 37. Okay now here is something else we need to know. The Ancient Egyptian system of writing is called **Sacred Carvings** by the Greek. The word Hieroglyph is a Greek word. The word Sacred was used by the Greeks to describe the carvings of the Egyptians. Those that carved the symbols are called Priest. **Therefore** the Sacred Carvings, the Hieroglyphs are writings of the Priest. **Now think about this.** The Ancient Hebrew writings, the early Hebrews / Egyptian, long before the Aramaic and Babylonian invasions, **our** people, **the** original people, also wrote in what is called Hieroglyphs. **Now why did they do this? Why?** Because the Hebrews and the Egyptians used the same system of carving, because they are one and the same. **This is very important to understand.** The Scythians are not Egyptians or the Original Hebrews, The Hyksos are not Egyptians or the Original Hebrews. The Greeks are not the Egyptians or the Original Hebrews. Why? Because they are not Priest unto AHYAH. But they are Priest unto their parasitic gods like Zeus, Hermes, Thoth, Athena, Orpheus, Mercury and others. This is why it is very important to know that the Ashkenazi trace their **bloodline** and their DNA back to Japheth, also called Jupiter. They also trace their DNA or lineage back to Magog. Magog is also Russia and Ashkenazim. **This** is in their history you can find this in a book called “*After the Flood by Bill Cooper*”.

## ISLAM Section

**Comment:** Okay. For those of you that are new to these broadcast, I need to go over one more topic. This is the topic of Islam. In the History of the religion called Islam, we are told of a man by the name Alī ibn Abī Ṭālib of the Banu Hashim Tribe. The Banu Hashim Tribe, comes from the Quraysh Tribe which comes from Ishmael. If you know the story of Ishmael in the Bible, then you know that Ishmael is the son of an Egyptian Princess named Hagar.

Alī ibn Abī Ṭālib of the Banu Hashim Tribe comes from the Quraysh Tribe, according to History. Now in the year 632 AD Alī ibn Abī Ṭālib wrote book. In this book Alī ibn Abī Ṭālib explained the message of AHYAH. How do we know? Because Alī ibn Abī

Ṭālib was to be the presenter of Truth after Muhammad( Peace be Upon Them.). Therefore Alī ibn Abī Ṭālib of the Banu Hashim Tribe wrote the first Quran. Alī ibn Abī Ṭālib wrote the Quran, after the murder of his wife Fatimah(Peace be Upon Her). He wrote this book after the death of his father in law, best friend and miniature Muhammad (Peace be Upon Him.). He wrote it after the destruction of the Hebrews Tribes in the area of Petra. After Abu Bakr, Umar and Uthman created the religion of Islam. Now remember prior to 700 AD the Hebrews of Aksum and the Hebrews of the Quraysh Tribe were family. After they became enemies. Now can you see why it is important to know History?

Now here are the series of events. After Umar rejected Alī ibn Abī Ṭālib of the Banu Hashim Tribe's version of the Quran. Ali withdrew to the country to take care of his children. Now think... about this. What if the two witness that are wrapped in Sackcloth are the words of the Hebrews, during the times of Yaushuah in 160BC and the Hebrews during the times of Muhammad, Ali, Fatimah, Hussein, Hassan, Zaid and Zakiyyah.(PBUH). Well what do you wrap in Sackcloth? Could it be the Words of AHYAH? How else can you explain the power of Islam and Christianity? Think about it.

**Comment:** The history of Islam states that after Umar rejected Ali's book, and after the Hebrew tribes of Muhammad were killed the version of Islam we see today is established. This is why we have the Shia and Sunni today. The Shia are of the line of Ali and the Sunni are of the line of Abu Bakr, Umar and Uthman. Fact!

Then the story states that Alī ibn Abī Ṭālib of the Banu Hashim Tribe built wells for 24 years and farmed in the area of Medina. During this time the new religion of Islam is in the hands of the rulers called the Rashidun Caliphate. The first was Abu Bakr until he was assassinated in **632 AD**, then we have Umar until he was assassinated in **644 AD** and last we had Uthman ibn Affan until he was assassinated in **656 AD**. Uthman ibn Affan was a member of a Tribe called the Umayyad clan. The Umayyad clan became the **Umayyad Dynasty**. This lasted until **750 AD**. Now I go into greater detail in the **Two Branches series**, so I will not here. But I mention this to bring your attention to Alī ibn Abī Ṭālib of the Banu Hashim Tribe, because he also was a Hebrew / Egyptian. How do we know? Because his Tribe the Banu Hashim trace their root back to an Egyptian women named Hagar the mother of Ishmael. This is in their History.

**Comment:** After the Murder of Muhammad, Ali was to bring the Message to the Tribes and bring peace into the land we know as Medina. Instead they rejected his writing of the Quran and they rewrote their own. This is why Ali was building wells for 24 years in Medina. The Umayyad Dynasty became so corrupt that they forced Ali to become the 4<sup>th</sup> Rashidun Caliphate and for his reward they assassinated him. Yes, they also murdered his entire family in the Battle of Karbala, this was recorded in history **October 10 720 AD**. Now think about it. This is the Method of Operation of the Beast. They killed the messengers and the prophets, but used the names of

Muhammad and Ali to claim the legitimacy. They used the message of righteousness to create a new religion. Now dose this sound familiar?

The Ashkenazim an Indo European tribe of the North is doing the same thing today in Israel. They claim to be an Afro Asiatic Semitic people. However the Ashkenazim are not the NABATAEANS. The NABATAEANS are Aramaic these are Arabs. The NABATAEANS are a Semitic people they are Afro Asiatic not European. The Ashkenazim is an Indo European tribe from North. They are known to come from an area called Armenia, which is near the Black sea the Caucasus Mountains. The **Armenia** and the **Aramaic** are two different Tribes.

The **Aramaic** became the NABATAEANS which enslaved the Egyptians and the Original Hebrews in Petra. The Armenians became the Mongolians which became The Khazarain Empire around **740 AD**. The Khazarain Empire fell around the 1200s. The Turkic peoples then created the Ottoman Empire and migrated to the areas of Russia. Now we have people starting to intermarry. We have the Turkic, becoming the Rus, and the Germanic tribes converting into Judaism. In the 1400 the Holy Roman Empire is now creating new Jews named the Ashkenazi. They are now migrating to Israel and claiming to be Semitic Hebrews. **We** also have in Israel the original slave masters called the NABATAEANS which are know today as Arabs. The NABATAEANS and the Germanic tribes intermarry and become an extention of the Tribes of Gog and Magog. Okay now we can read the Book of Ezekiel Chapter 37. I advice you to download this transcript, read the blogs and educate yourself, so we can properly destroy the system of the beast.

**Second Break: ( Audio File – Carole Alston - Malcolm X Come By YAH)**

**Speak Live! - Rise of the Black Messiah - EZEKIEL 37 the valley of Dry Bones – Free at Last, Free at last, Thank AHYAH our YAHUAH, we are free at last.**

Welcome back my name is Da-wid Yacob Maccabeus also known as Plahu Yacob ZakkiYYAH the (Teacher). I am going to read to you the book called Ezekiel. We will focus on Chapter 37 **verses 1-28**, So if you have your Bible I would like you to follow along. Now I am going to lay some ground work, the original name of Ezekiel is YAH- KHAZQ meaning, “**AHYAH will Strengthen**” or, “**AHYAH is my strength**”. You will find this **TRUTH** when your seek out the root. Now I am going to make a statement here: Also make sure you download all of my broadcast with the transcripts so that those that fear do not **twist** my words. Like they **Twist** out story. I would also advice those of you, if you can record this message live. Please record this message now. Keep listening to my past and present broadcast, there are many things in my broadcast that have to be heard more the once. I teach in layers, like the Martial Arts, there are deeper meanings behind the meaning. Like a poem, if you do not know the heart of the poet, the meaning of the Poem is lost. Therefore know your teachers. Now I say this because, I want you to know me as a person before you listen to me. Use your spirit to look into my spirit and know that our DNA is vibrating on

the same frequency. Our heart beats are beating the same rhythm. The blood that flows in my veins, is the same Blood that flowed in the veins of our **Ancestors**. **The Blood of Truth, Love and Respect** for this Planet, the Blood that pushes the will to do what's right. No matter how much they tried to dilute our Blood, **We..Still..Rise**. Therefore just because the story you have been told about your religion, is not the **whole-truth**, it dose not mean that there is not a **TRUE story**.

**YAHUSHUAH** was a representation of this truth. His name means **to Established, to Work, to Reveal, to Support, to Guide you to AHYAH**. Many of us use the name **YAH**, which is rooted in the name **YAHushuah**. The second part of this name, we see the symbol of Teeth the SHIN, this means is to sharply separate, to press with force like grinding, this also means to eat or to be nourished. **YAH-SH- U-AH**. Now here is the question. What is Yahu**SH**uah tearing apart? He is tearing apart the deceptions and lies. This is why they had to hide his name and change it to Jesus. They re translators understood the power of names. **YAHUSHUAH** means the Teacher of Righteousness. What dose the name Jesus mean???

Now that is a question that you should be able to answer instantly. Did you know that Jesus is YAHUSHUAH? Did you know that YAHUSHUAH is YAHUAH and YAHUSH is AHYAH? **You** will only know this if **You** seek it out **yourself**. This is very personal. Seek and **YE** shall find. There is a real true story out there. A story that will give you Strength and Power! But first you have to pour out that **old wine**. The whole bottle, if someone put a few drops of Strychnine in your wine, would you drink it? Well someone put Strychnine in your wine. 1% poison in 99% of fresh water will kill you in time. The 1% demonic elite are controlling 99% of our planet and look at the state of our Planet. So now! What's is the True story? Is his name Jesus or YAHUSHUAH? Are the names of the Hebrews Judah or Yahudah? Is the ethnicity of the people European, Semitic Arabs or (African Egyptians-Black Hebrews-Negros-Moors-Muslims-Blacks-African Americans) or Africans? Are they called Israelites or Yisraelites? Is it Jacob, James or Yacob? So are the people called Jews or Yews? If there is no **J** in the **1611 King James Bible, then what is a I-EW?** So are the **I-EWS** the **IUDAHS?** Is this letter **I** a replacement for the name of **YAH?**

Think about all of the unanswered Question. The meaning of the word Quest is to investigate, or a “ long and difficult effort to find or do something” therefore it takes work. Which is the first symbol in the name of YAHUSHUAH **Y the arm =** (Work,Throw,Worship). Are you starting to see?

**Deuteronomy chapter 4: Verses 2,**

**“Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of AHYAH our YAHUAH which I command you.”** Yet they hid the name of YAH changed the YAH to the letters I, then changed it to a letter J. They changed YAHudah to I-EW then to Jew. They hid the name **YAHUAH** and called him the Germanic word **lord** and hid the name of **AHYAH** and replaced it with a 6<sup>th</sup> Century, Proto-Indo-European, Germanic

word called God. This is in their history.

So now let me read to you Ezekiel Chapter 37, in the way the Proto-Indo-European, Germanic tribes would like you to hear. “ The LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones. ” Now how did that feel??? Very bland!

Now let me read it with Power.

**AHYAH** will strengthen(YAH-KHAZQ), Chapter 37 1-28 Verses **One**.

“ The hand of **YAHUAH** was upon me, and carried me out in the spirit of **AHYAH**, and set me down in the midst of the valley which was full of bones, And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry.”

**Comment:** Now like I said follow along with me with your Bibles and Record this message. This word bones means **Power**. This word dry means to be **Ashamed**.

And he said unto me, Son of man, can these **bones** live? And I answered, O **AHYAH**, thou knowest. Again he said unto me, Prophecy upon these **bones**, and say unto them, O ye dry bones, hear the word of **YAHUAH**.”

**Comment:** This is asking a question. Is there still Power in these bones of **shame**?

Thus saith **AHYAH** unto these bones; Behold, I will cause **breath** to enter into you, and ye shall live: And I will lay **sinews** upon you, and will bring up flesh upon you, and cover you with skin, and put **breath** in you, and ye shall live; and ye shall know that I am **YAHUAH**.

**Comment:** Okay now this message is very important. If you have a Strongs Concordance at hand grab it. If not download this broadcast, and later when you have time listen to it again. Now this word breath is **Hebrews 7307**, it is pronounced (Roo-AKH). Roo-AKH means: life, anger, air, blast, breath, cool, courage, mind, spirit. The prime root of this word **RooAKH** is **H7306**; this means “ to accept, to make of quick understanding “. Next we see in Chapter 37 this word **Sinews**, H1517, it means “ Tendon “, this is the deep tissue. Now keep this in mind because **Sinews** has a **DEEPER** meaning. This word Sinew references **H1464** this means to attack or invade it means (Gawdad), and this word Gawdad references; **H1413** “ to crowd in mass, to gather with troops “, the word is pronounced (Gawdad), Gawdad references **H1461** which is a primitive root word. **Now** listen to how **AHYAH** teaches us. This word **H1461** goes to **H1462** pronounced Gawbe, “ the locust or the grasshopper “. How many of you know whom who the locust is? The one that consumes the earth? Now, if we end here we will miss the teaching. The next word after the prime root is **H1463** pronounced **Gog**. **And it Reads:** “ Of uncertain derivation; **Gog**, the name of an Israelite, also of (some northern nation: - **Gog**)...no not some Northern Nation it is called Khazaria, Russia, Armania the home of Gog and Magog. The origin of the

Proto-Indo-European Germanic tribes that hid the names in Our story.  
Are you starting to see?

Now how dose this fit with Ezekiel Chapter 37? Well if you know whom the enemy then you will know your enemy. Ezekiel Chapter 37 is saying, **YAHUAH** is freeing us from the Nabataean and Germanic tribes of **Gog**, that brought us to **shame**. “ I will lay **sinews** upon you, and will bring up **flesh** upon you, and cover you with skin, and put **breath** in you, and ye shall live”

Now this word **Flesh** H1320 is **H1319**; Now lets find the deeper meaning. Listen to what it says; **Flesh** H1320 is “ A primitive root; properly to **be** fresh, that is, full, to announce - **messenger**, preach, publish, shew forth, (bear, bring, carry, preach, good, tell good) tidings. “and ye shall know that I am **YAHUAH**.”

**AHYAH** is telling us right here. You are my special Powerful people. I am freeing you from the system of Babylon, the system of the Beast and it's children called Gog and Magog. Also known as Saxe Coburg Gotha, the House of Saud, the Rockefeller, the Rothschild, the Parasitic Elite class. I am freeing you from bondage and slavery. You have been brought **to shame** in front of the whole world....**Now** think about this. This word **Dry Bones** means **Shame** and **Power**. We come from a place they call Egypt where the mighty pyramids of Gaza dwell. A place called Africa where the Kingdom of Kush, the Kingdom of Mali, the Kingdom of Akzum and the Kingdoms of Sudan. Think about the richest man that ever lived Mansa Musa I of Mali. This was Africa, long before the Europeans agreed to destroy her.

And from Africa comes a powerful special people. Remember when Jesse Owens put the Nazi's to shame and out matched their Aryan athletes. How about Muhammad Ali the Greatest. Still to this day we have powerful athletes like Usain Bolt of Jamaica the fastest man that ever lived, alive today. We are a powerful people. How about Michael Jordan he still the best to play the game. Shelly-Ann Fraser-Pryce of Jamaica the fastest women on the Planet today, Carmelita Jeter and Florence Griffith Joyner. Look at music, Michael Jackson top entertainer, top dancer and a good soul. Spiritual leaders like Martin Luther King, El-Hajj Malik El-Shabazz also known as Malcome X. How about “ **The Women Like Moses** “, Harriet Tubman my Hero. Look at the hate fighters and peace warriors like Angela Davis, Kwame Ture also known as Stokely Carmichael, Huey P Newton, Bobby Seals, H Rap Brown, Rosa Parks, Medgar Wiley Evers and Steve Cokely. Even Oprah Winfrey the only Africa America Billionaire, and out of over a thousands Billionaires she is at the bottom of the list, Yet her spirit shines the brightest. Look at the African Freedom fighters, like Tata Madiba Hamba Kakuhe how is Nelson Mandela, Winnie Mandela, Marcus Garvey, Kwame Nkrumah, Patrice Lumumba. And look at our history. We now know that Yahushuah, Muhammad, Ali, Fatimah, Akhnaten, Nefertiti, Queen Tiye and YAH-KHAZQ are our people. I can go on and on how powerful these dry bones are. This is why this word Bones means Power can you see it?

Yet this world that is run by the system of Babylon, is showing the world our shame. They show Slavery, Bondage and crack cocaine, think about it!

“ And he said unto me, Son of man, can these **bones(powerful people)** live? And I answered, **O AHYAH**, thou knowest. Again he said unto me, Prophecy upon these **bones(powerful people)**, and say unto them, O ye **dry(Shameful) bones(powerful people)**, hear the word of **YAHUAH**. Thus saith **YAHUSH** unto these **bones(powerful people)**; Behold, I will cause **breath(RooAKH – Understanding I will cause a knowing in your spirit.)** to enter into you, and ye shall live: And I will lay **sinews(a deep knowledge of your enemy.)** upon you, and will bring up **flesh(the message)** upon you, and cover you with **skin( this is H5782 a Primitive root word, meaning, to awake, lift up, stir up, rise - OOR)**, and put **breath(Knowledge)** in you, and ye shall live; and ye shall know that I am **AHYAH** “.

**AHYAH** is telling you that your shame is laid on you by these Parasites the 1% demonic elite. He is speaking to a powerful people that the world sees as poor and weak. A people that do not control their land, a people that have no land and a people in a strange land. **AHYAH** is saying I see your Shame, your dryness, but I am going to use you to show this wicked world that my word is **TRUTH**. **AHYAH** will breath the breath of understanding in you. **AHYAH** will bring **flesh** upon you which is the Message of **TRUTH**. **AHYAH** will cover you with **Skin** he will **wake you up to who you are**. **AHYAH** will add sinews a deep knowledge of your History, so you can see how this beast brought us to shame. By doing this this world will know that **AHYAH** all praise exist. Then we will be the people and messengers of **AHYAH**. We will tell this wicked world that I am that I am, I am **AHYAH** the creator of it all. And I am here to set you **FREE!** Can you see it?

**AHYAH** will strengthen: Chapter 37 Verses **SEVEN**;

“ So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone. And when I beheld, lo, the **sinews** and the **flesh** came up upon them, and the **skin** covered them above: but there was no **breath(understanding)** in them. “

Comment: Okay now like I said this word Skin is **H5783 pronounced ORR is the Prime-root word H5782 OOR**, “ (rather identical with H5783 through the idea of opening the eyes); to wake (literally or figuratively): - (a-) wake (-n, up), lift up (self), X master, raise (up), stir up (self). “ So the covering of the Skin is us waking up. Also we see this word Roo Akh **breath** again. **Roo-AKH** means: life, anger, air, blast, breath, cool, courage, mind, spirit. **The prime root word of Roo-AKH** means; is **H7306**; this means “ to accept, to make of **quick understanding**.”

But what dose it say?...”but there was no **breath** in them!” There was no understanding, no courage, there was no anger. This is saying that The Hebrews Of the Seed of Yacob have to accept who they are. Then they will know what they did

not know. Then they will **understand** what they did not **understand**. Then after they **Accept** that they **did not know**, they will get **Angry**. Then the spirit of **AHYAH** will give you **Breath(Understanding)**. This is a process family. **AHYAH** will strengthen: Chapter 37 Verses **NINE**;

“ Then said he unto me, Prophecy unto the **wind**, prophecy, son of man, and say to the **wind**, Thus saith **YAHUAH**; Come from the four **winds**, O breath, and breathe upon these slain, that they may live. “

**Comment:** Okay now this is very important to comprehend. If you notice this verse has the word **wind** Three times and the word **breath** twice. This word wind is **H7307** which is also **Roo-AKH**. So why did they place the word **wind** and not **breath**? Because the Proto-Indo-European Germanic tribes, that re Translated Our Story are trying to hide something. This is also **AHYAH** telling US to dig deeper. Now take a look at the Hieroglyph, which are the Ancient Hebrew, the Sacred Carvings of your ancestors. This word Roo-AKH has three symbols.

Resh = First, Top, Beginning,  
Waw = Add, Secure, Hook,  
Hhet = Outside, Divide, Half

“ Then said he unto me, Prophecy unto the **wind**, prophecy, son of man, and say to the **wind**, Thus saith **YAHUAH**; Come from the four **winds**, O breath, and breathe upon these slain, that they may live. “

**Wind** the **Roo-AKH**. Who are the **first**, the **top**, the **beginning**? **Who are the ones that are divided, Outside of society the 3<sup>rd</sup> world nation? Who are the ones that YAHUSHUAH added, secured and hooked on to himself?** These are the powerful people called Hebrews of the Seed Of Yacob. This is the **Wind**.

Now what is he saying to the Wind? Wind get outside of, divide yourself, half or split. This is saying we need to separate ourselves from this system of the beast. **ALL OF US. Think about it.** How can the system of Babylon exist if we do not participate. We have to stop participating in our own bondage. “ **I Freed a Thousand slaves. I could have Freed a Thousand more if only they knew they were slaves.** “

Mama Moses is telling us We Have To Know Who We Are. Think about the collective power of over 1 Billion people. We can starve this beast out with just a thought. It is an **IDEA** that changes the world...**AN IDEA!** Now what did our Ancestor Mama Moses say “ **Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world.** ” Harriet Tubman.

“ Then said he unto me, Prophecy unto the **wind**, prophecy, son of man, and say to the **wind**, Thus saith **YAHUAH**; Come from the four **winds** ” **AHYAH** is saying

come together my people, come out of Babylon separate from this beast, grow your own food, build your own economy, Starve that parasite out. Free yourself. Let there cheap crap root on the shelf. Do not eat their poison.

Your enemy hates you, why do we let him feed you? The **Winds** are in South America, North America, the Caribbean, Europe, and Africa. Come from the four corners of the Earth with an IDEA. Starve this Parasite to death. They are feed off of our forced labour. Therefore they will not live if we do not feed them. This is why we already won. Just knowing this is a GREAT Dream an IDEA.

“ Come from the four **winds (People of AHYAH)**, O **breath(Understanding, Knowledge)**, and **breathe** upon these slain, that they may live. “

At the present state of our Planet, we see the parasites hoarding all of the worlds wealth, they are causing wars in Africa with groups like Africon and the North Atlantic Treaty Organization NATO. We see them killing Muammar al-Gaddafi, because he did not get with the program. He was building bridge of life for Africans with the “ Great Man Made River ” project. It was network of pipes that supplies water from the Sahara Desert in Libya, from the Nubian Sandstone Aquifer System fossil aquifer. This project took decades to build, but a few NATO booms destroyed it. The North Atlantic Treaty Organization is this army of the Beast Gog and Magog. You see this Beast is celebrating, they are giving gifts to one another because they believe that we are slain...

**Revelations 11:** “ And their dead bodies shall lie in the street of the great city, which **spiritually** is called **Sodom(the Germanic tribes)** and **Egypt(the Nabateans tribes)**, where also **YAHUSHUAH** was crucified. And they of the people and kindreds and tongues and nations shall see their dead bodies **three days** and an **half**, (This is from the time of Islam **740 AD** till the year **2000 AD 1260** years of Celebrating.) **and** shall not suffer their dead bodies to be put in graves.(They used the religions Islam and Christianity the **Two Witness** that are wrapped in Sackcloth, the dead sea scrolls to **deceive** the whole world. )

**And** they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.(They knew it was over, so they usurped the movements, and in the year 740 AD, the year that the Turkic people, the “War like people” converted into Judaism and deceived the world. ) **And** after three days and an half the Spirit of life from AHYAH entered into them, and they stood upon their feet; and great fear fell upon them which saw them... **AHYAH** will strengthen: Chapter 37(The Dry Bones)...Can you see?

These parasites know I am speaking the Truth. They are in shock right no, because they are watching Prophecy being fulfilled LIVE! All Praise AHYAH.

**AHYAH** will strengthen: Chapter 37 Verses **TEN**;

“ So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army. Then he said unto me, Son of man, these **bones** are the whole **house of Israel**: behold, they say, Our **bones** are dried, and our hope is lost: we are cut off for our parts. “

**Comment:** Okay know knowing what you know, if you agree with me about this name Israel. Is this name a representation of the people of **AHYAH**? You should know that this name Israel means, “He will rule as El”. Now do you see the name EL or do you see the name **YAH** in **Is-Ra-El**? Now keep this in mind EL means to Twists man, to Yoke man, to enslave man. EL is the god of the occult. The god of the hidden ones is EL and EL is RA.

**Lesson:** Okay now I am going to do a brief lesson on the occult gods, so there can not be any-more confusion. **Now listen to this:** “The major cult centre of Ra was Heliopolis (called Iunu, "Place of Pillars", in Egyptian), where he was identified with the local sun-god Atum. Through Atum, or as Atum-Ra, he was also seen as the first being and the originator of the Ennead, consisting of Shu and Tefnut, Geb and Nut, Osiris, Set, Isis and Nephthys.

**Now what is an Ennead?** The Ennead (Ancient Greek: meaning a collection of **nine** things) was a group of **nine** deities in Egyptian mythology. Now look at this number 9, this is the Great Cycle, 25920, 2160, 1260, 720, 72, 36, 27, 18, and 9. This is the number 666 which is 9, The number of the Beast. The god is called RA, and RA is also called EL. So this is a hidden name with in a name. Israel is Is-Ra-El. This is asking a question everytime you say it. This gives power to the deity names RA. Now I know this is hard for many to accept, but how can you Know What You Do Not Know? Now Why Is Ra El? Because those that rewrote the scriptures from the Hieroglyph, the priests carvings do not worship **AHYAH**. They worship themselves. They are the dying gods.

**And it reads:** “ In later Egyptian dynastic times, Ra was *merged* with the god Horus, as Re-Horakhty ("Ra, who is Horus of the Two Horizons"). He was believed to rule in all parts of the created world: the sky, the earth, and the underworld.

He was associated with the falcon or hawk. When in the **New Kingdom** the god Amun rose to prominence he was **fused** with Ra as Amun-Ra.(You see he was **fused**, meaning he was losing power and influence, so he became Amun-Ra)

**Okay now listen up:** “ During the Amarna Period, **Akhenaten** suppressed the cult of **Ra** in favour of another solar deity, the **Aten**, the deified solar disc, but after the death of **Akhenaten** the cult of **Ra** was restored.” Now here is where you have to take my research, and do your own research on this topic. This is where the religion we know as **Judaism** comes from. I know it sounds shocking, but even the great Jewish physiologist named Sigmund Freud came to this conclusion.

***Here is a quote from a wikipedia source and it reads:***

“ The idea of **Akhenaten** as the pioneer of a monotheistic religion that later became Judaism has been considered by various scholars. One of the first to mention this was **Sigmund Freud**, the founder of psycho-analysis, in his book *Moses and Monotheism*. Freud argued that Moses had been an Aten-ist priest forced to leave Egypt with his followers after **Akhenaten's** death.

Freud argued that Akhenaten was striving to promote monotheism, something that the biblical Moses was able to achieve. Following his book, the concept entered popular consciousness and *serious research*.”

Okay now did you hear that? This is what I have been saying for sometime now. I discovered this when I started researching **Akhenaten**. I did not know this when I first started doing these broadcast. I was very ignorant. I did not yet have the Breath-(Knowledge of AHYAH) I was a Shameful (**Dry**) yet Powerful (**Bone**) person. So I was at odds with the Kemet Researchers. Now I over-stand. I know that this is VERY IMPORTANT to our story. WHY? Because Monotheism was not a concept until after **Akhenaten** after the year **1360 BC**. Now ask yourself a question. Dose knowing this take away your knowledge of **AHYAH** or add to your knowledge of **AHYAH**? Well of course it ADDS this is part of the meaning of the name **RooAHK(Breath - Understanding)**. Think of it like this, it is the concept of conception. The Concept of Conception. This is how **AHYAH** teaches. Everything in nature has a beginning. The concept of Monotheism was not needed prior to the invasion of the Shepherd Kings from the north, and the East. Lets look at History, Egypt was at war in the 9<sup>th</sup> and 10<sup>th</sup> Dynasties, and in the 11<sup>th</sup> Dynasty the country is unified. This means gods are changing. We have the Second Intermediate Period of Egypt around 1800 BC till around 1650 BC then after we see the start of the **New Kingdom** and the **18<sup>th</sup> Dynasty**. This means gods are changing. Now keep this in mind. In the Second Intermediate period the Shepherd Kings enter in to Egypt. The indigenous people of the land now known as Nubian Egyptians, called them the foreigners. The foreign rulers, the Shepherd Kings, the Hyksos.

**Comment:** Now why am I going through all of this information? Because you have to know this information. You have to know the difference, between a Jewish Hyksos Israelite, and a Hebrew Egyptian of the seed of Yacob. I did a video called Time line of the Occult and the Great Cycle. In this video I show a film, directed by James Cameron “The Exodus Decoded”

Here is information concerning this film, **And it Reads,**

“A 2006 documentary film by Simcha Jacobovici, *The Exodus Decoded*, postulates that the eruption of the **Santorini Island volcano** caused all the biblical plagues described against Egypt. The documentary presents this date as corresponding to the time of the Biblical **Moses**. The film asserts that the Hyksos were the Israelites and that some of them may have originally been from **Mycenae**. The film also suggests that these original **Mycenaean** Israelites fled Egypt (which they had in fact ruled for

some time) after the eruption, and went back to Mycenae. The Pharaoh of the Exodus is identified with **Ahmose I.**” Now did you hear that? Keep in mind, (Everything in nature has a beginning. The concept of Monotheism was not needed prior to the invasion of the Shepherd Kings from the north and the East. ) Now imagine, before the eruption, the area of Santorini is a paradise. On this island, you have clear blue water at the beach, you look up and see clear skies and the soil is fertile.

Now we are told that this area is believed to be Atlantis. Now guess what happen to Atlantis? You see Atlantis had a major problem. The builders of Atlantis built their paradise on an active Volcano. It is called The Santorini Volcano. This volcano erupted in the years **1950 BC, 1940 BC, 1925 BC, 1866 BC, 1707 BC, 1650 BC and 1570 BC.** This is why, the foreign rulers, the Shepherd Kings, the Hyksos of the Aegean Sea usurped Egypt. This is also how the Hyksos became the Scythians. ***How? Well because they*** shared the Aegean Sea. The Aegean Sea, connects to the Black Sea, the Black Sea, connects the people of Ukraine, Russia, Georgia, Bulgaria Serbia, Romania these people are the ancestors of the Khazarian Empire.

Okay now THINK! The year is **1550 BC**, the native so-called Nubian Egyptians take back control of Egypt from the Hyksos. The Pharaoh at this time is named KA-Moses. **Here is a brief description of this name KA;** “ The Ka (k3) was the Egyptian concept of vital essence, that which distinguishes the difference between a living and a dead person, with death occurring when the ka left the body. “ So the name of the first Pharaoh that took back Egypt was KAMOSESES which means Son of LIFE. His wife is named **AH-Hotep II**, son of **AH-Hotep**. **AH-Hotep** means **YAH** is satisfied. **AH-Hotep** is the Mother of **AH-Moses I**. **AH-Moses I** means, Son of **YAH**, or Born of **YAH**. Now keep this in mind, at **this** time the name **YAH** meant Moon, not Moon god, but like the Moon. Okay now think! This is the year 1550 BC, if you need to track time, and cycles for farming, how would you do this? How would you do this in Egypt in the year 1500 BC? Well you would use nature, you would use the **Moon (YAH)**. Therefore the moon was very important to your life at this time. So now look at those names **YAH** is Satisfied and **YAH** had a son, **AH-Hotep, AH-Moses I**. The giver of life at this time was the Moon (**YAH**). The first ruler of the 18<sup>th</sup> Dynasty is named KA-MOSES and KA mean Breath or Life. Now if we use our imagination we can see a story developing here, based on the characteristics of the names. We can also see how the gods changed from ruler to ruler based on the names. All of this took place, 300 years before **Akhenaten**, and at least **1200** years before the **conception** of the religion called **Judaism**. Think about it. I hope people are starting to see. Now I am going to read a few paragraphs from Sigmund Freud's book. So that you can see that this information agrees.

## **Moses and Monotheism pg 33 Chapter 2:**

“ IN Part I of this book I have tried to strengthen by a new argument the suggestion that the man Moses, the liberator and law-giver of the Jewish people, was not a **Jew**, but an **Egypt-ian**. That his name derived from the Egyptian vocabulary had long been observed, though not duly appreciated. I added to this consideration the further one

that the interpretation of the exposure myth attaching to Moses necessitated the conclusion that he was an Egyptian whom a people needed to make into a **Jew**. At the end of my essay I said that important and far-reaching conclusions could be drawn from the suggestion that Moses was an Egyptian; but I was not prepared to uphold them publicly, since they were based only on psychological probabilities and lacked objective proof.” (*Now keep in mind Freud wrote this in 1939*)

“ The more significant the possibilities thus discerned the more cautious is one about exposing them to the critical attack of the outside world without any secure foundation like an iron monument with feet of clay. probability, however seductive, can protect us from error; even if all parts of a problem seem to fit together like the pieces of a jigsaw puzzle, one has to remember that the probable need not necessarily be the truth and the truth not always probable. And, lastly, it is not attractive to be classed with the scholastics and *Talmudists* who are satisfied to exercise their ingenuity unconcerned how far removed their conclusions maybe from the truth ”

**Comment:** Now did you hear that? Sigmund Freud was arguing the Truth.

### **Moses and Monotheism pg 41 Chapter 3:**

“ We venture now to draw the following conclusion: if Moses was an Egyptian and if he transmitted to the Jews his own religion then it was that of **Ikhnaton**, the **Aton** religion. We compared earlier the Jewish religion with the religion of the Egyptian people and noted how different they were from each other. Now we shall compare the Jewish with the Aton religion and should expect to find that they were originally identical. We know that this is no easy task. Of the Aton religion we do not perhaps know enough, thanks to the revengeful spirit of the **Amon** priests. ”

**(The Amon priest religion is the leftover religion of Hyksos. Remeber Amon, became Amon-RA.)**

“ The Mosaic religion we know only in its final form as it was fixed by Jewish priests in the time after the Exile about **800** years later. **(Now think about the time frame Sigmund Freud is presenting. 800 years after the Exodus. So we have 1300 BC minus 800 years is around 500 BC. Which is with in 100 years of Ezekiel and Jeremiah. )** If, in spite of this unpromising material, we should find some indications fitting in with our supposition then we may indeed value them highly.

**1 Erman, /... , p. 90:** " Of **Osiris** and his realm no more was to be heard." Breasted, Dawn of Conscience, p. 291: "Osiris is completely ignored. He is never mentioned in any record of Ikhnaton or in any of the tombs at Amarna."

**A. Weigall, I.e., p. 103,** " **Akhnaton** did not permit any *graven image* to be made of the Aton. The true God, said the king, had no form; and he held to this opinion throughout his life."

**1 Weigall** (The Life and Times of Akhnaton, 1923, p. 121) says that Ikhnaton would not recognize a **hell** against the terrors of which one had to guard by innumerable

magic spells. " Akhnaton flung all these formulas into the fire. Djins, bogies, spirits, monsters, demigods and Osiris himself with all his court, were swept into the blaze and reduced to ashes."

Okay now I can not spend any more time on "The concept of conception", but I want people to know this information. **Sigmund Freud** said what I found to be Truth. I found Sigmund Freud's book Moses and Monotheism while, researching this information. **Sigmund Freud is just confirmation to what AHYAH has lead me to find.** " Seek and Ye shall find." **Okay now lets tie all of this together.** You now understand that the Hyksos brought their gods into Egypt.

The gods came from the Northern area, which are the areas of the Aegean Sea and the Black Sea. This area is the future home of the Khazars. You also know that the Hyksos were chased out of Egypt by a deity that the indigenous people of the land called **KA which means Breath or Life and a god of seasons named YAH.** This happened in the year 1550 BC. You know that in the year **1350 BC we** have an Egyptian ruler named **Akhnaton.** **Akhnaton** is the 10<sup>th</sup> ruler down from **KA-Moses** or **AH-Moses I.** You now know that **AH-MOSE I** means the Son Of YAH and his mother was named **AH-Hotep** which means **YAH** is Satisfied.

Now this information is going to give your power. Why? Because now we know why the enemy keeps winning. How? Our enemy know more about us, then we know about our selves. As you can see we have been at war with this Beast for thousands of years. Now what is one of the number one rule of War according to Sun Tzu?

**" If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle. "**

How many of us know this information, before today? Well our enemy knows. He knows it so well, he awards himself doctorate degrees, writes books and changes stories.

**" To know your Enemy, you must become your Enemy "** Sun Tzu

How many times did the Hyksos, Scythian, Greeks, Nabataeans and Khazarians, become us? Well first they became the Egyptians, then the Jews, then the Christians, then the Muslims and then the Jews again, and now they call then selves British Israelites.

**" To know your Enemy, you must become your Enemy "** Sun Tzu

Our enemy is an expert in this book. We are dealing with "the people of War" the people that came into the land of Egypt why back in the 1800s BC during the 11<sup>th</sup>

Dynasty. The people the Egyptians called the foreigners rulers came from the Aegean sea, the area of the Black sea, the area of the Turkic people. The Egyptians called them the invaders from the North. History claims they are of the lineage of Tiras through Japheth, and **Thor** the god of War is their god.

They are now known as Turkic People. The **Turkic people** are known as the Turkish Ottomen Empire, the Uyghurs, the Huns (have you ever heard of Attila the Hun) the Bulgars, the Scythians and the Khazars. These are the same people that we see today posing as Hebrews. Now do you think they know Sun Tzu, the Art of War? Our enemy uses this book so much that they pass it out on Wall Street. This book is obsolete now. They upgraded, to the Bhagavad Gita. Now what did that theoretical physicist J. Robert Oppenheimer the creator of the Nuclear Boom say:

### **And I Quote:**

“ We knew the world would not be the same. A few people laughed, a few people cried, most people were silent. I remembered the line from the Hindu scripture, the Bhagavad-Gita. Vishnu is trying to persuade the Prince that he should do his duty and to impress him takes on his multi-armed form and says, "Now, I am become Death, the destroyer of worlds." I suppose we all thought that one way or another. “

Now think about this, they no longer need Sun Tzu, they can now destroy the World. They have graduated to Vishnu total destruction, and we are still learning how to play Chess, a game invented by our enemy. This enemy is destroying us because we do not know our story. They have rewritten our story, they have taken our gods and turn them into their religion, they have hidden the names of our gods, they have hidden and changed the names of our Queens and Kings, they have replaced key elements in our story, so we can not learn from our mistakes. The enemy is not in power because he is smarter then us, the enemy is not in power because he is stronger then us. **The enemy is in now limited soon to be taken away power**, because he is a **CON-man**. Our enemy know us better then we know our selves. The enemy understood that the one thing we would fight to the death for is our **God**. A unified people worshipping one **God** is a powerful foe. **Sun Tzu** - “ He will win whose army is animated by the same spirit throughout all its ranks “

During the time of Ancient Egypt when Atlantis was destroyed the first time, was the year **1950 BC**. Soon after Egypt was at war. At this time the Hyksos came from the North and settled around Egypt, and we read that from around 1900 BC down till the 11<sup>th</sup> Dynasty the people of War the **Hyksos** were a peacefully. **Why?** Because they knew. You can not defeat a Unified powerful people under one God, and they used our power against us. What is that power? Our Love for **AHYAH**.

Now at this time we have to comprehend a few things. This is One Thousand Five Hundred years before **Judaism**. This was a process. We knew **AHYAH** as **KA** the spirit of **Breath** or **Life**. We knew **AHYAH** as the Moon because of times and seasons. We knew **AHYAH** as **Truth, Balance, Order, Law, Morality and Justice**

which is **Maat** the foundation of our spirituality. If a people lived by these standards, then how could they be corrupted? The gods of Ancient Egypt named Amun, Thoth and RA were changed when the Hyksos came to town. The Hyksos worshipped a god by the name of Apep or **Apophis** the snake or Dragon god.

History tells us that the Serpent god existed from the time of the 8th Dynasty. They call it the First Intermediate Period of Egypt 2185 BC till 2055 BC.

They tell us the Serpent god, the Dragon was the Enemy of RA, he was the opponent of light and Maat. The opponent of **Truth, Balance, Order, Law, Morality and Justice**. Okay now if the serpent god is the god of the Hyksos. If the little dragons from Medina is the god of the Parasites. Is there any question about what happen to the people of Egypt. Now think about the time frame. The Hyksos leave we try to get back to Ma'at, but what happens? Amun is now **Amun RA** with a **twist**, Thoth is now **Thoth Ra** with a **Twist**. The powerful peaceful people of Egypt, **before** the Serpent, **were** unified under our creator, with one understanding and belief. Our core values where **Truth, Balance, Order, Law, Morality and Justice**. But now we are in trouble. Now think about the Bible. The **Serpent** sewed the seed in the Garden of Eden.

### **Moses and Monotheism pg 41 Chapter 3:**

**And it Reads:** “ **Akhnaton** did not permit any graven image to be made of the Aten. The true God, said the king, had no form; and he held to this opinion throughout his life. and he wrote into law. ”

Brother and Sisters are you starting to see why they destroyed our Story?

*”My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of YAHUAH, I will also forget thy children.”*

**Third Break: ( Audio File – Sun Tzu, Hebrew Music and Harriet AH-Hotep poem) 120 MIN MARK**

**Speak Live! - Rise of the Black Messiah - EZEKIEL 37 the valley of Dry Bones – Free at Last, Free at last, Thank AHYAH our YAHUAH, we are free at last.**

Welcome back Friends and Family we will now continue with the Book of Ezekiel. Before I continue I would like to make a statement. For many years now I have looked at the Ancient Hebrew pictographs, the Strong's Concordance, the many Biblical Doctrinaires like Hastings' Dictionary of the Bible, Unger's and others. I even bought books on how to read Ancient Hebrews from Jeff Benner, but one thing always bothers me. Why do these people still support the lie? If they know that the Ancient Hebrew/Egyptian writings come from Egypt. And they also know that the so-called Nubian people look nothing like the German Ashkenazi. Then why do they

still lie? How can we trust THEIR translations or their interpretations of the Ancient Egyptian Priest Carvings? If they are unwilling to tell us that the people that we see today in Israel are not the original then how can we trust them as teachers?

### ***Jeremiah Chapter 17***

“ The heart is deceitful above all things, and desperately wicked: who can know it? I YAHUAH search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings. “

I say this to remind you to ask **AHYAH** to open your heart and guide YOU to this information. I am just a man trying to find the truth about my people. **Why** did (god) let this happen to us? **Why** are all of the Ancient Egyptian statutes disfigured, with their lips and nose hacked off? **How** can a world allow over 400 years of slavery, murder and sell hundreds of millions into bondage? **Why** is there third world countries living of less then a 2 dollar a day? **Who** and what is White Supremacy?

“ The heart is deceitful above all things, and desperately wicked: who can know it? “

Therefore ask AHYAH our YAHUAH to guide you and open your heart, because those that are controlling our planet are desperately wicked, now lets put an end to their reign of pure 100%, no additives, pure grade evil.

**The Book of Ezekiel: AHYAH will strengthen: Chapter 37 Verses ELEVEN;**

Then he said unto me, Son of man, these bones are the whole house of Israel: behold, they say, Our bones are dried, and our hope is lost: we are cut off for our parts.

**Comment:** Okay now we should know that this name Israel means “He will rule as *EL*”, but I want to make a statement here. I have been hard on the use of this name because it is being used by our enemies to fool the world. I wanted to make a clear distinction, between the Hebrew of the Seed of Yacob, and the Jewish Israelites of the Scythians.

Now that we have a clear **over-standing**, we can consciously take back this name **YIsrael**, but give it a more defined meaning. In the story of Yacob, we are told he wrestles with God, but we find out that the god is an **EL**. Therefore we have to look at this event in two ways, **as** historical fact or **as** an allegory. If we can (over-stand) and see this event **as an allegory**, then what is the deeper meaning? Well lets take a second look at this name **Is-Ra-El**.

“ Then he said unto me, Son of man, these bones are the whole house of **Israel** “

Isreal H3478 Yisrael, this name consist of **H410** which means El or god and **H8280** which means Sarah- Saw Raw this is a primitive root word that means PREVAIL or to have power. Now we look at this word **H8280** Sarah, and this word **references H8269** Sar this word means a head person, **Captian**, Chief, General, Master, Prince, Ruler etc... This word Sar H8269 **references, H8323** SARAR, which is a prime-root

word. This word means to have dominion, or to make self a prince, rule.

So therefore this means Sar = (to Rule) and El = (Leader) the people that rule or the Kings of the Earth. Now keep this in mind who named who? The name **Yacob** means to hold back, to seize by the heel, to circumvent, to in-close or to hold back. Okay so what is this allegory of Yacob wrestling with a god telling us?

Well if we are now calling our selves **Israel**, then we can now look at this allegory as a prophecy and lets do what Yacob was named to do. **Usurp the beast!** Lets do to him what he has done to us. Lets take the name he changed to **Israel**, with full knowledge of his crime. Acknowledge boldly what the Jewish Israelites has done and take back our name and our power. But you have to explain why you are now an Israelite. Israel has done many bad things in the name of god. The State of Israel is at war with the World. Think about the Crimes committed against the people of Gaza. Think about how they lobby nations for war. Do you really want to be move into the house of a criminal? If you move in his house, his enemies become your enemies. We have to put new wine in new bottles.

**You can no longer claim ignorance when you hear the truth.**

Then he said unto me, Son of man, these bones are the whole house of Yacob: behold, they say, Our bones are dried, and our hope is lost: we are cut off for our parts. **Therefore** prophesy and say unto them, Thus saith **YAHUSH**; Behold, O my people, I will open your graves, and cause you to come up out of your graves, and bring you into the land of Yacob. And ye shall know that I am **YAHUAH**, when I have opened your graves, O my people, and brought you up out of your graves, And shall put my spirit in you, and ye shall live, and I shall place you in your own land: then shall ye know that I **YAHUAH** have spoken it, and performed it, saith **YAHUAH**.

**AHYAH** will strengthen: Chapter 37 Verses **FIFTEEN**;

The word of **YAHUAH** came again unto me, saying, Moreover, thou son of man, take thee one stick, and write upon it, For Yudah, and for the children of Yacob his companions: then take another stick, and write upon it, For Yoseph, the stick of Ephraim, and for all the house of Yacob his companions:

**Comment:** Okay we have two sticks which represents two people. The people of Yahudah which came out of Yacob, and the people of Ephraim which are the sons of Yoseph, which came out of Yacob. Now keep in mind this name Ephraim means fruitfulness. Now I advice you to listen to: "*Revelations the true meaning of the Name Zion*" when you do this will all come together. When you read the Strongs Concordance it explains that this name Ephraim is referenced once in the book of Psalms. Okay lets read Psalms 132.

**Psalms 132: and it reads:**

**A Song of degrees. AHYAH** , remember Dawid, and all his afflictions:

**How he swore unto AHYAH**, and vowed unto the mighty **YAH** of Yacob;

Surely I will not come into the tabernacle of my house, nor go up into my bed;

I will not give sleep to mine eyes, or slumber to mine eyelids, Until I find out a place for **YAHUAH**, an habitation for the mighty **YAH** of Yacob. Lo, we heard of it at Ephratah: (This is Ephraim) we found it in the fields of the wood.

**Comment:** Now this word Ephratah is **H672** which means Fruitfulness. This is speaking about Zion. This is when the Children of Yoseph the line of **Akhnaton**, the “Fruitful” ones, left Egypt went into the land of Cannon and found **AHYAH**.

**Now listen close: Psalms 132 - Verses Seven;**

“**We will go** into his tabernacles: we will worship at his footstool.

Arise, O **AHYAH**, into thy rest; thou, and the ark of thy strength.

Let thy **priests** be clothed with **righteousness**; and let thy saints shout for joy.

Now look at these two words **Priest** and **Righteousness**. If you recall this word **Righteousness** comes from the word **Zadok**, now think about the names Malachi and Zodik, or the names **Melchizedek**. This name Melchizedek means King of Righteousness in the European translations. **However**, the true meaning of Melchizedek is **Malachi Zodik**. The name **Malachi** means **Messenger** and the name **Zodik** means **Righteousness**. Therefore the Priest are **messengers of Righteousness**. Can you see it?

Please listen to “*Revelations the true meaning of the Name Zion*”

**Psalms 132 - Verses Thirteen;**

**For thy servant** Dawid's sake turn not away the face of thine anointed.

**YAHUAH** hath sworn in truth unto Dawid; he will not turn from it; Of the **fruit** of thy body will I set upon thy throne. **If thy children** will keep my covenant and my testimony that I shall teach them, their children shall also sit upon thy throne for evermore. For **AHYAH** hath chosen **Zion**; he hath desired it for his habitation.

**This is my rest for ever:** here will I dwell; for I have desired it.

**I will abundantly** bless her provision: I will satisfy her poor with bread.

**I will also clothe her priests** with salvation: and her saints shall shout aloud for joy.

**There will I make** the horn of Dawid to bud: I have ordained a lamp for mine anointed. **His enemies will I clothe** with shame: but upon himself shall his crown flourish.

Now think about this. This is speaking about the Seed of Yuya, the father of Queen Tiye, whom is the mother of **Ahknaten**. How do we know? Because Ephraim is the son of Yoseph and Yoseph is Yuya, Yuya is the father of Queen Tiye and Queen Tiye is mother of **Ahknaten**, and out of **Ahknaten** come the religion we call Judaism.

**AHYAH** will strengthen: Chapter 37 Verses **SevenTeen**;

“ And join them one to another into one stick; and they shall become one in thine hand. And when the children of thy people shall speak unto thee, saying, Wilt thou not shew us what thou meanest by these? Say unto them, Thus saith **AHYAH our YAHUAH**; Behold, I will take the stick of **Yuya**, which is in the hand of **Ephraim**, and the tribes of **Yacob** his fellows, and will put them with him, even with the stick of **Yahudah**, and make them one stick, and they shall be one in mine hand.

**Comment**; Okay before I continue I want to comment on this name Yahudah. This is **Hebrews H3063**, now the Strongs tells us this name means celebrate, but this name like all names of **AHYAH**, has a deeper meaning. **Yahudah is H3063** and it references **H3034 Yah Daw** which **means**; literally to use the hand; physically to throw at or away; especially to revere or worship; intensively to bemoan : - cast (out), (make) confess (-ion), praise, shoot, (give) thank (-ful, -s, -sgiving).

Next this word references **H3027** Pronounced; **Yad** which means, a primitive word; A HAND.

**Okay now think.** What is the Ancient Hebrew Symbol for **Y** in the name of **AHYAH**? It is an Arm which means **worship**. What is the meaning for **AH**? This means, look, reveal, breath. **Therefore**, the people called **Yahudah are the people that worship AHYAH our YAHUAH. Think about it. This is PROFOUND!**

So we have the priest of Righteousness, the seed of Yuya finding their family the other Hebrews named, “the people that worship **AHYAH**”. These are the two sticks of Ezekiel 37.

**AHYAH** will strengthen: Chapter 37 Verses **Twenty**;

And the sticks whereon thou writest shall be in thine hand before their eyes. And say unto them, Thus saith **YAHUAH**; Behold, I will take the children of Yacob from among the heathen, whither they be gone, and will gather them on every side, and bring them into their own land: And I will make them **one nation** in the land upon the *mountains of Israel*; and one king shall be king to them all: and they shall be no more two nations, neither shall they be divided into two kingdoms any more at all:

**Comment**; Okay now did you hear that? We are not in our own land. We are scattered by this system of oppression and slavery. We are divided by **Islam** and **Christianity**. The only solution is to come together under the word of **AHYAH**. The answer was suppose to be YAHUSHUAH, but the Jews usurped it. They made it into a religion called Judaism. Can you see it?

**AHYAH** will strengthen: Chapter 37 Verses **Twenty-Three**;

Neither shall they defile themselves any more with their **idols**, nor with their

**detestable things**, nor with any of their transgressions: but I will save them out of all their dwelling places, wherein they have sinned, and will cleanse them: so shall they be my people, and I will be their **YAH**.

**Comment;** This is speaking about the religions. Because we have been deceived the world has used the religions of **Christianity** and **Islam** to create the world we see. If you are still offended by that statement, take a look at your **religion**.

Christianity was and is used to create the third world we see today. It has divided families and cultures for over 2000 years now. **Islam** is used to create fear and terror all over the globe. Look at how it is used to oppress women. **Women** are our Queens, they are the mothers of our Planet. Women are the Peace, the Beauty, the Nourishment, the teachers of our Young, women are our mothers. “ Know them by their fruits right? “ How dose Christianity feel about women? How dose Islam feel about women? Now the religion of Islam is not what Muhammad and Ali intended it to be. So you are foolish to defend it. Why? Because it was not suppose to be a religion. It was a message. Yet the Umayyad Dynasty, the Abbasid Dynasty, the Fatimid Dynasty and now the House of Saud have made Islam into an oppressive religion. Now we see the Parasitic Elite class, called Neocons and Skull and Bones men using it to create terrorism and a prison planet.

**AHYAH** will strengthen: Chapter 37 Verses **Twenty-Four**;

“ And Dawid my servant shall be king over them; and they all shall have one shepherd: they shall also walk in my judgements, and observe my statutes, and do them. And they shall dwell in the land that I have given unto Yacob my servant, wherein your fathers have dwelt; and they shall dwell therein, even they, and their children, and their children's children for ever: and my servant Dawid shall be their prince for ever. “

**AHYAH** will strengthen: Chapter 37 Verses **Twenty-Six** thru **Twenty Eight**;

“ Moreover I will make a covenant of peace with them; it shall be an everlasting covenant with them: and I will place them, and multiply them, and will set my sanctuary in the midst of them for evermore. My tabernacle also shall be with them: yea, I will be their **YAH**, and they shall be my people. And the heathen shall know that I **YAHUAH** do sanctify **Yacob**, when my sanctuary shall be in the midst of them for evermore. “

**Comment;** Okay now remember **Psalms 132**?

“ **YAHUAH** hath sworn in truth unto Dawid; he will not turn from it; Of the **fruit** of thy body will I set upon thy throne. **If thy children** will keep my covenant and my testimony that I shall teach them, their children shall also sit upon thy throne for evermore. For **AHYAH** hath chosen **Zion**; he hath desired it for his habitation. This is my rest for ever: here will I dwell; for I have desired it. “

Okay now this concludes YAH-KHZAQ - **AHYAH** will strengthen. All of the information I presented today is REAL. There are people on this Earth that have a

book dedicated to them. They have a Story that changed the World. This world is the why it is because of the demonic bloodlines that suck of our lives. We can trace them back to the Garden of Egypt and the Serpent of the Scythians. This Story is REAL and the ending is Written. All Praise AHYAH we have the Victory.

*I am going to take on last break and then I will close.*

**Last Break: ( Audio File- Steve Cokely, Message to the Boule, Hebrews Music-) 140 MIN MARK**

**Speak Live!** - Welcome back my beautiful, powerful family, I am your host Daweed Yacob a.k.a Plahu Yacob ZakiYYAH. Before I end this broadcast I would like to end with a message to our Father, Mother and Friend AHYAH All Praise. But before I do I want to give you a little More Advice:

**But before I do I would like to read something: I want to motivate you so that you take my advice.**

Leviticus 18:23 “ Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion “

This word **Beast** comes from the root word to **Tremble**, to be **afraid**, it also comes from H929 which means to be **Mute**, a **dumd beast**. It could mean Beast or Cattle. Now can a women lay down with a cow? Okay then what is this Beast?

**Okay file that information.**

Okay now lets look at this word CONFUSION, now listen to the word con-FUSION. In the Hebrew it is pronounced TE-BEL it means: mixture, that is unnatural bestiality (This means to have intercourse with an animal); con fusion. This references **H1101**; A primitive root; to overflow; by implication to **mix**; also to fodder(This means to FEED): - anoint, confound, X fade, mingle, mix, give provender (This means to FEED), temper(modify).

Leviticus 18:23 Neither shalt thou lie with any beast to defile thyself therewith: *neither shall any woman stand before a beast to lie down thereto: it is confusion.*

OKay I read this to bring your attention to the Parasitic Elite Class. I believe that they are the beast in Leviticus 18:23. **Why?** First of all listen to this statement( “ *neither shall any woman stand before a beast to lie down thereto* “) Think about it. This Beast would have to force the women to have intercourse. How can a cow do this? Now a cow can not but a Man can. Therefore the Beast is a Man.

Keep in mind this word Confusion in Leviticus 18:23 is different in other places in the Book. In Leviticus 18:23 it is Hebrews 8397 meaning (Bestiality) later on in the book it is **Hebrews 1322** the word turns into **Shame** an idol: - ashamed, confusion, +

greatly, (put to) shame (-ful thing). This word references **H954** pronounced; Boosh - A primitive root; properly **to pale**, that is, by implication to be **ashamed**. Now is anyone hearing this?

This is speaking about the Hyksos, they came from an area that was destroyed twice. Once by a flood and by a Volcano at least Seven times. **At least Seven times**, The Santorini Volcano erupted in the years 1950 BC, 1940 BC, 1925 BC, 1866 BC, 1707 BC, 1650 BC and 1570 BC...Now do you think AHYAH was trying to get rid of something? We are told by Plato that Santorini was Atlantis, we are told by the founding father of America that they were looking for the new Atlantic, and this is how they discovered America. Think about it. What did the Seed of the Serpent do to the Indians Tribes and People? The something they did to us. Slavery and Genocide.

So therefore The Ancient Egyptians called the Hyksos beasts.

Thinks about the Neanderthal Gene, the Return of the Annunaki. We now know about this Neanderthal DNA in the European. How did it get there. So now here is the question. Are they the Beast that survived the flood? Is this that sacred 1% Parasitic Elite class that are desperate to keep that DNA? Are they the Giants in the Earth in those days? Think about it. Many of you think this statement is ridiculous. Now what dose the word say? ***“For God is not the author of confusion, but of peace”***

Well then think! Who is the Author of Confusion? Who is the Father of the Beast? I mention this because, many of us in the Hebrew community are speaking about the Super Natural. We speak about space aliens, giants, Annunaki, hairy beast like the Squash or the Yeti. We hear people speak about the giant shape shifting lizards, the greys, the Pleiadian people. Now all of this information produces the **emotion** of Fear and the **mind** of **Confusion**. Fear and Confusion are the food for the Parasites. This is project Blue Beam. Now ask yourself a question.

What would you do if a 10 foot giant lizard walked into your house?

What would you do if a 12 food giant hairy Sasquatch broke down your door?

What would you do if a huge alien space ship landed near the Whitehouse, or the Parliament house in London, or the Kremlin in Moscow?

What would you do??? You would do whatever that **Fear** and **Confusion** tells you to do. You would do it until the **Fear** and **Confusion** is not needed to control you.

So now ask yourself another question. **Where** is this information coming from? **Who** is this information coming from? **Can** you trust this information 100% with your life? **Who** benefits from this information? **Dose** knowing about a 10 foot giant lizard, or a 12 foot giant hairy beast make your life better? Think about it.

Since the days of George Orwell's book 1984 and Orson Welles “The War of the Worlds” people have been afraid of the government or a space alien invasion.

I would not be surprised if Orson Welles or George Orwell were pawns of the parasites. **Why?** Because the parasites need you fearful and confused. This reminds

me of the fire breathing Dragons in the middle ages or Count Dracula the blood sucker? The fire breathing dragon turns out to be a snake, now the snake is a shape shifting lizard. More **fear!** More **con-fusion**.

Now we find out that Count Dracula the blood sucker is a parasite from Medina. The snake that we see on the royal emblem are not dragon or snakes, but little worms, worse then worms microscopic **parasites**. Little parasites that turn into ugly pale worms. Little parasites that are used as the symbol for the **World Health Organization**, what a slap in the face to **Africa**. Little parasites that is the symbol of Hermes Trismegistus, a slap in the face to every Christian, Muslim and Jew that thought they knew the truth. The information I presented today is not fear or confusion, it is fact. This is in their history and they are proud of it. They love to know that we have been fooled.

So what now? Well if you know you have a parasite, what do you do? **Get rid of it!** **How?** Garlic, Fresh Clean Drinking Water, life style change, internal organ cleanses, get your mind right to fight. Many of you are waiting for **Jesus Christ** the Messiah to come and save you. If **Jesus Christ** came to this Earth today over half of you would think he was a **space alien**, the other half would not know what name to **call him**.

This brothers and sisters is called **confusion**. Who is the Author of **con-fusion**? Inform yourself and trust those who are informing you. Don't be lazy.

**Okay now here is some more advice:**

**How** do the Parasites control this planet?

Heath – Economics – Religion – Education.

**What** is the weakness of the Parasitic Elite Class?

If you know they control these areas then do not cooperate in these areas.

Non Cooperation in the Cooperation. Do not comply! **Stave the Parasite out!**

This will create the need for alternatives. This will create alternative resources. This will create alternative currency. You can see this happening today. If a group of Hebrews got together, bought a piece of land and started planting Hemp seeds, think what they could produce. What can you produce from the Hemp plant, besides THC?

Well you can produce hemp clothing, paper, protein food, medicine, cosmetics, cooking oil, the list goes on. This would create a whole new economy away from the beast of Babylon. The parasite.

**What If** a group of Hebrews got together, bought a piece of land and started planting Mustard seed? What dose the Mustard seed produce? Well you can produce medicine, cosmetics, food and Mustard sauce to name a few. This would create a whole new economy away from the beast of Babylon. The parasite.

Since the parasite controls Heath – Economics – Religion – Education. You have to be wiser then the **serpent**. Educate yourself, take back your health, dump that oppressive religion and build your own communities so you can take back your

economy. **This will starve the beast out.**

Support the Electric car. Ask them why Iran wants to build a nuclear power with plutonium, when they can experiment with **Thorium**? What happen to cold fusion? Lets all become souvenir citizens of Earth. Not prisoners of the lands that the parasites claim they control.

Now this is just some Advice from a man that found AHYAH all praise.

Lets stop China from stealing the Resources in **Africa**. Why? Because China is controlled by the parasitic so called elite class. **Re-evaluate** the BRICS nations. Is Brazil really in-control of Brazil?, Is Russia really the good-guys now? Is Indian really independent from British and Israeli cooperation? Is South Africa really economically free? If not then how can the BRICS build a truly free world?

We need to keep our power **local**, build a powerful **inner circle**, make powerful chains of faith and use the support the village concept. Lets love our friends and neighbours, help one another, everyone. **And** my final bit of advice. If you are what the world calls an American, it is time to redefine what it means to be an American. Hundreds of years of Slavery, the Genocide of people on the Continent, and off of the Continent is not the way to reach the stars. The dream of man is to go off world and meet or greet other lifeforms. No life-form wants to meet a homicidal maniac. Therefore it is time to redefine. Let All Of Us take back this Planet, our home called **Earth**, let us EVICT the Parasites and their system of the beast. This is just a little advice from a friend.

Pray: **All Praise AHYAH**

Song. ( **Audio File – Dr. C.J. Johnson – Free At Last** )
