Okay welcome again thank you for tuning in. The name of this broadcast is entitled Rise Of The Black Messiah Pawns and Rebels. This is Part Two of a three part series. You can listen to part on at Blog Talk Radio under Signs and Wonders or you can visit the HWUNET website at HebrewsWakeUp.com or HWUNET.org that's HWUNET.ORG. Okay I would like to begin this broadcast with a quote from a man by the name David Walker. Author of an 76 page pamphlet that was so dangerous that if you where caught with it, you could be lynched,whipped or imprison. This pamphlet is called **“The Appeal to the Coloured Citizens Of the World”** written in 1829.

And it Reads:

“...show me a page of history, either sacred or profane, on which a verse can be found, which maintains, that the Egyptians heaped the insupportable insult upon the children of Yacob, by telling them that they were not of the human family.”

PLAY AUDIO = The Curse Of Ham 3:04

Okay now to understand this broadcast we have to take it to the root. We have to understand that all of this has a begging. The usurpation of the Hebrews had an effect on this world. The so called curse of Ham was used to create the world we see today. It made Great Britain the power it is. It made America the power it is. It allowed the Amaliktes to hid there seed in the nations. It allowed The Seed Of Yacob to be enslaved for hundreds of years. So lets uproot the cause of this deception and see where it all began. We are going to start with a decree called Dum Diversa.

And it reads:

“In 1452, [Pope Nicholas V](#) issued the [papal bull Dum Diversas](#), granting Afonso V the right to reduce "Saracens, pagans and any other unbelievers" to hereditary slavery. This approval of slavery was reaffirmed and extended in the [Romanus Pontifex](#) bull of 1455 (also by Nicholas V). These papal bulls came to serve as a justification for the subsequent era of slave trade and European colonialism.”

And this is from the Romanus Pontifex:

“since we had formerly by other letters of ours granted among other things free and ample faculty to the aforesaid King Alfonso -- to invade, search out, capture, vanquish, and subdue all Saracens and pagans whatsoever, and other enemies of Christ wheresoever placed, and the kingdoms, dukedoms, principalities, dominions, possessions, and all movable and immovable goods whatsoever held and possessed by them and to reduce their persons to perpetual slavery”

And it Reads:

“In 1493 [Pope Alexander VI](#) issued [Inter caetera](#) stating one Christian nation did not have the right to establish dominion over lands previously dominated by another Christian nation, thus establishing the [Law of Nations](#). Together, the *Dum Diversas*, the *Romanus Pontifex* and the *Inter Caetera* came to serve as a justification for the [Discovery Doctrine](#) and the [Age of Imperialism](#).”

Okay so what has the established religions and nations told us what this curse means?

And it reads:

“The **Curse of Ham** is a possible [misnomer](#),^[1] for the [Curse of Canaan](#). The curse refers to [Noah](#) cursing Ham's offspring [Canaan](#), for Ham's own transgression against his father, according to [Genesis](#) in the [Hebrew Bible](#). The debate regarding upon whom the curse fell has raged for at least two thousand years, as early as [Classical antiquity](#). Most commentators agree with the literal text of *Genesis* that it was Canaan who was cursed for the sin of his father, [Ham](#). Racial interpretations of the *curse of Ham* have been used to promote racist religious ideologies, typically based in [Abrahamic religions](#), to justify the enslavement of Black Africans.”

Now here is the same account in 'the book of Jubilees: And it Reads:

“And he rejoiced and drank of this wine, he and his 7 children with joy. And it was

evening, and he went into his tent, and being drunken he lay down **8** and slept, and was **uncovered** in his tent as he slept. And Ham **saw** Noah his father naked, and **9** went forth and told his two brethren **without**. And Ham took his garment and arose, he and Japheth, and they placed the garment on their shoulders and went backward and covered the **shame 10** of their father, and their faces were backward. And Noah awoke from his sleep and knew all that his younger son had done unto him, and he cursed his son and said: 'Cursed be Canaan; an **11** enslaved servant shall he be unto his brethren.' And he blessed Shem, and said: 'Blessed be the **12** The Most High YAH of Shem, and Canaan shall be his servant. YAH shall enlarge Japheth, and YAH shall **13** dwell in the dwelling of Shem, and Canaan shall be his servant.' And Ham knew that his father had cursed his younger son, and he was displeased that he had cursed his son. and he parted from **14** his father, he and his sons with him, **Cush** and **Mizraim** and **Put** and **Canaan**. And he built for **15** himself a city and called its name after the name of his wife Ne'elatama'uk." **Now this version is a lot less creptic the the Kings James Version.**

Okay now this article states and I quote: "The debate regarding upon whom the curse fell has raged for at least two thousand years, as early as [Classical antiquity](#)." So when was the first written account of this deception? Well you need to look no further then the Talmud. But before we look at the Talmud. I am going to read a another refrence from a man by the name of **Origen Adamantius** or you can call him **Origen of Alexandria**. He is regarded as one of the Chruch Fathers. Okay now this is taken from **Origen Of Alexandria he lived in year 185-254 AD.**

This is from a book called "Homilies on Genesis 16.1" And it Reads:

"According to the trustworthiness of scripture, no Egyptian was free. For 'Pharaoh reduced the people to slavery to himself', nor did he leave anyone free within the borders of the Egyptians, but freedom was taken away in the land of Egypt. And perhaps for this reason it is written: 'I am the Lord your God who brought you out of the land of Egypt, out of the house of bondage.' Egypt, therefore, became the house of bondage and, what is more unfortunate, of voluntary bondage." **"For the Egyptians are prone to a degenerate life and quickly sink to every slavery of the vices. Look at the origin of the race and you will discover that their father Cham, who had laughed at his father's nakedness, deserved a judgment of this kind, that his son Chanaan should be a servant to his brothers, in which case the condition of bondage would prove the wickedness of his conduct. Not without merit, therefore, does the **discolored** posterity imitate the ignobility of the race"**

Okay this word **Ignobility** means to be common. **Not nobal in quality**. So this church father is seeing his self above the Egyptians because they are **"DISCOLORED"**. **Now this is back in the 2nd Century AD almost 2000 years ago.** Now understand this

phrase “**The discolored Posterity**” is taken from his book called: *Homilies on Genesis 16* written in the 2nd century AD. This is very important to know. So we can track down the root of this deception.

This church father Origen of Alexandria received his information from the Greek Bible called the Septuagint. Now keep in mind the Septuagint was written 3rd century **BC Before Christianity** over 500 years prior in Alexandria Egypt. The writers were told where **72** usurpers. They wrote the book in **72** days. We are told this from another church father by the name of **Philo Of Alexandria**. We are also told this account in a book called the Babylonian Talmud. Okay now here is a little background.

The **Seleucid Empire** which was created out of the leadership of Alexander the Great is uprooting cultures and Hellenize everything in its path. Egypt, Persia, Babylon and Jerusalem. Every nation white or black is being brought under one roof, all of the religions are becoming Hellenize.

Okay now we have a man by the name of Ptolemy II Philadelphus ordering the creation of a book called the Septuagint. The Septuagint is the book that was written by the **72** Usurpers in **72** days. Okay they translated the book from Hebrews to Greek. So now we have the first constructed bible in the Greek tongue. Now here I would like to make a point. We are also told that the true translation was not completed until around 132 BC. Why is this date important? Because in the year 191 BC we have an event that will change the fate of the Hebrews forever. But before I explain I want to speak about a powerful group of **71** Sages called the **Sanhedrin**.

SANHEDRIAN

Here is a quick Explanation from the Jewish Virtual Library.

And It Reads:

“The ancient Jewish court system was called the Sanhedrin. The Great Sanhedrin was the supreme religious body in the Land of Israel during the time of the Holy Temple. There were also smaller religious Sanhedrins in every town in the land of Israel, as well as a civil political-democratic Sanhedrin. These Sanhedrins existed until the abolishment of the rabbinic patriarchate in about 425 C.E. The earliest record of a Sanhedrin is by Josephus who wrote of a political Sanhedrin convened by the Romans in 57 B.C.E.” Now keep that in mind how the Romans are assembling the Sanhedrian in 57 BC.

“Hellenistic sources generally depict the Sanhedrin as a political and judicial council headed by the country’s ruler. Tannaitic sources describe the Great Sanhedrin as a religious assembly of 71 sages who met in the Chamber of Hewn Stones in the Temple

in Jerusalem”

Okay now here is the History of the Sanhedrin and how it came to power.

And it Reads:

“The Sanhedrin as a body claimed powers that lesser Jewish courts did not have. As such, they were the only ones who could try the king, extend the boundaries of the Temple and Jerusalem, and were the ones to whom all questions of law were finally put. Before 191 BC the High Priest acted as the *ex officio* head of the **Sanhedrin**, but in **191 BC**, when the Sanhedrin lost confidence in the High Priest, the office of NASI was created. After the time of **Hillel the Elder** (late 1st century BC and early 1st century AD), the Nasi was almost invariably a descendant of **Hillel**. The second highest-ranking member of the Sanhedrin was called the Av Beit Din, or "Head of the Court" (literally, Beit Din = "house of law"), who presided over the Sanhedrin when it sat as a criminal court.”

Okay there are a few things in this article that I would like to bring to your attention:

First who was this man named Hillel the Elder?

“Hillel was born in [Babylon](#) and, according to the Iggeret of Rav [Sherira Gaon](#) (a comprehensive history of the composition of the [Talmud](#) from the 10th century CE), Hillel descended from the [Tribe of Benjamin](#) on his father's side, and from the family of [David](#) on his mother's side. Nothing definite, however, is known concerning his origin, nor is he anywhere called by his father's name, which may have been Gamliel”

Okay now I advise you to listen to a broadcast on HWUNET.org called the seed of Benjamin to understand why this is important. You will notice a pattern. Everytime the Hebrews experience drama the cause of the drama is of the Seed Of Benjamin. Now keep in mind the Hebrew seed passes from the Father.

As I stated in Rise Of The Black Messiah Part One.

Okay now what about this word NASI. As it Reads:

“Before 191 BC the [High Priest](#) acted as the *ex officio* head of the Sanhedrin, but in 191 BC, when the Sanhedrin lost confidence in the High Priest, the office of [Nasi](#) was created.”

Okay here is an article that will explain what this is:

And it reads:

“During the Second Commonwealth (c. 530 BCE - 70 CE), the **nasi** was the *highest-ranking member and president of the Sanhedrin or Assembly*, including when it sat as

a criminal court. The position was created in c. **191 BCE** when the Sanhedrin lost confidence in the ability of the High Priest to serve as its head.[1] The Romans recognised the nasi as Patriarch of the Jews, and required all Jews to pay him a tax for the upkeep of that office, which ranked highly in the Roman official hierarchy.”

Okay now this year 191 BC keeps coming up. What happen in this year? But before I answer this I have two questions. Why is this important? And how dose this relate to “Rise Of The Black Messiah Pawn and Rebels?”

Well the reason why this is important is because the ROOT of the so called curse of Ham was used to place us in this state. We have to understand our past to know where we are. And we have to know where we are to know where we are going. The FBI's creation of Cointelpro is an example of the effects of the lie. You see this need to stop the Rise of Black Messiah was not thought of in the 1960s by J Edgar Hoover. Remmebr the seed of Yacob have an old enemy. That serpent is at war with us as it state in the book of exodus.

Exodus 17:13

“And Joshua discomfited Amalek and his people with the edge of the sword. And the YAHUWAH said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. And Moses built an altar, and called the name of it YAHUWAH NISSI”

(Yahuwah is my Flag or Banner – This is saying YAHUWAH is our protection)
YAHUWAH NISSI

“For he said, Because YAHUWAH hath sworn that YAHUWAH will have war with Amalek from generation to generation. “

You see it's important because we have to recognise the blueprint of the enemy. He Modus Operandi is to usurp his prey. This serpent has become his prey. We can see an example of this taken place in the events of **191 BC**. Now how dose this relate to the Rise of the black messiah Pawns and Rebels? Well because the core of the Hematic Myth was planted by the seed of deception. And with in this seed was the lies placed in the book called the Babylonian TALMUD. And this book was pushed by the Sanhedrin.

The Sanhedrian was not in our control. The Sanhedrian was created under the Greek Empire. It was controlled by the Roman Empire. And was filled with **71** demonic Quabala reading imposters called Sages. The imposter used this office of power to

totally destroy the Hebrews of Yacob and drive them out of their land. Now listen to Genesis 3:15 AHYAH is speaking to the Serpent and it reads:

Genesis 3: 15:

“And I will put [H7896](#) enmity [H342](#) between [H996](#) thee and the woman, [H802](#) and between [H996](#) thy seed [H2233](#) and her seed; [H2233](#) it [H1931](#) shall bruise [H7779](#) thy head, [H7218](#) and thou [H859](#) shalt bruise [H7779](#) his heel. [H6119](#)”

THE LEVITES

Now here is the root, the core of the deception. This is how the curse of Ham made its way into scriptures, and how the Seed of Yacob are taken out. How the Seat of Arron the Levites are usurped in the Year 191 BC almost 500 years Before Christianity:

And it Reads:

“**Onias III** (Hebrew: [הוֹנִיָּו](#) [Hōniyyō](#)) was a [Jewish High Priest](#), the son of Simon II. He is described as a pious man who, unlike the [Hellenizers](#), fought for [Judaism](#). [1] [Seleucus Philopator](#) defrayed all the expenses connected with the sanctuary and was friendly to the Jews. According to [2 Maccabees](#), a traitorous official of the Temple, however, [Simon the Benjamite](#), induced the king, through his official [Heliodorus](#), to undertake the plunder of the Temple treasury; the attempt was not successful, and the Syrian court never forgave the high priest for its miscarriage.”

Okay now what happened was Seleucus Philopator was in need of money because of the wars with the up coming Roman Empire. He was told that the Hebrews had vast amounts of wealth in their Temple. We learn that a man by the name of **Simon the Benjamite** Heliodorus. Heliodorus is an elite Greek politician. Heliodorus then goes to the temple to collect the gold, but is stopped by The Most High. Then we read that his heart is now set towards his King Seleucus Philopator the king of the Greeks. He kills the King and now he becomes the King of the Seleucid Empire. We can find this in the book of Daniel And it Reads:

Daniel 11:20

“Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.”

This is speaking about The Most High's intervention as it reads:

“Around 178 BC (Before Christianity) **Seleucus sent Heliodorus** to Jerusalem to collect money to pay the Romans. This is mentioned in Daniel 11:20, "He will send out a tax

collector to maintain the royal splendor". 2 Maccabees 3:21-28 reports that Heliodorus entered the Temple in Jerusalem in order to take its treasure, but was turned back by three forms of God. On his return, he killed the king and seized the throne for himself; but it was not long before **Antiochus**, the brother of the late king, with the help of the Pergamon monarch, Eumenes II, recovered it." (So basically the Usurper got usurped)

Now listen to Daniel 11:21

“And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries. “

Now we were taught this meant Satan coming in the last days in Revelation, but listen to what it is referring to. Now keep this in mind. We are speaking about the full takeover of the Temple the Seat of Levi. The representatives of The Most High. Would not the scriptures speak about it?

Daniel 11:21

“And in his estate shall stand up a vile **person**, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries. “

First you have to ask the question. When Heliodorus killed Seleucus Philopator, did he do it peacefully Or was there violence involved? So now we have to ask which Kingdom are they speaking of. Was it the High Priest position which watched over the children of Jacob or is this speaking about the Seleucus Empire? Well let's see.

And it reads:

“Jason became high priest in 175 BCE after the accession of **Antiochus Epiphanes** to the throne of the Seleucid Empire. In an ongoing dispute between **Onias III** and **Simon the Benjaminite**, Jason offered to pay Antiochus in order to be confirmed as the **new High Priest in Jerusalem**. Antiochus accepted the offer and further allowed Jason to build a gymnasium in Jerusalem and create a Greek-style Polis named after the king, Antioch.[1] With the creation of Antioch, Jason abandoned the ordinances given under **Antiochus III**, which defined the polity of the Judeans according to the Torah.”

Now let's not overlook what I just read ”*Jason offered to pay Antiochus in order to be confirmed as the new High Priest in Jerusalem.*”

Daniel 11:21

“And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries. “

And it Reads:

“Jason's time as High Priest was brought to an abrupt end in 172 BCE when he sent **Menelaus**, the brother of **Simon the Benjaminite**, to deliver money to Antiochus.

Menelaus took this opportunity to "outbid" Jason for the priesthood, resulting in Antiochus confirming **Menelaus** as the High Priest. Jason fled Jerusalem and found refuge in the land of the Ammonites."

Now think about this the Levites are the holders of the seat of Moses. Onias III was usurped by his vile brother Jason. Jason removed his brother Onias III by paying the money hungry Greeks. Then Jason is usurped by the brother of Simon the Benjaminite named Menelaus. Menelaus the Seed Of Benjamin is now seating in the seat of Arron which is only to be held by the Levitical Priest.

And it Reads:

“When **Antiochus IV Epiphanes** became king, Onias III was obliged to yield to his own brother Jason.[2] According to Josephus[3], Jason became high priest after the death of Onias. According to II Macc. iv. 26, **Menelaus** was not an **Aaronite**, but a brother of the Simon mentioned above, and hence a **Benjaminite**.”

Now I am going to bring something to your attention listen to this sentence:

“According to Josephus[3], Jason became high priest after the death of Onias.”

Now this is implying that Jason the brother of Onias killed him. If this is the case then that would contradict **Daniel 11:21**. **So how do we clear this up? And it reads:**

“When Menelaus purloined some vessels from the Temple to curry favor with the Seleucid Syrian nobles, Onias accused him publicly and then fled to the asylum of Daphne, near Antioch, where Menelaus, aided by the royal governor Andronicus, had him secretly assassinated, in defiance of justice and of his oath. The murdered priest was deeply mourned by both Hebrews and Greeks, and the king also, on his return, wept for him and sentenced Andronicus to a well-merited death.”

What this is saying is that Menelaus the one that usurped Jason had Onias III secretly Assassinated. He was killed by Menelaus the Benjaminite not his brother Jason as Josephus deceptively imply s. Now the million dollar question is this. Was Josephus of the Seed Of Yacob? Or was he one of these imposters? We have to stay alert!

Okay now hang in there with me all of this has a purpose. This is very important to the Rise Of The Black Messiah Pawns and Rebels. Now lets break this down.

Onias III was the last legitimate high priest of the house of Zadok which is of the line of Arron the Levite. Onias has a son named Onias the IV. His son was suppose to take over the seat of his father. But Menelaus the Benjaminite took it for the Greeks. Now once

Menelaus was killed. Onias thought that he would be restored to his proper position. Now keep this in mind. All this created the Hasmonians Rebellion lead by Judas Maccabeus. What happened was Onias the IV, was suppose to be placed back into the Priest Position, but another Priest by the name of **Alcimus** took the seat instead.

Alcimus was of the tribe of Levite, but he was another Hellenize PAWN. So to put it plainly sold out, but since he was a Hebrew of the line of Arron everyone though he was on there side. He turned out to be a Pawn of the usurpers and worked to destroy the Hasmonians. So Onais IV the son of Onias III fled to Egypt and build a temple there. This is how we get all these church father like **Oregin of Alexandria** and **Philo of Alexandria**, because of the temple that was build in Egypt.

Now do to time we can not go deeper, but I would like to mention another very special individual name **The Teacher Of Righteousness**. He is the one that cleans the temple up, he sets the Temple right. Now he is in the seat for six years. then he is killed and usurped by a man called the **Wicked Priest**. After this we read how the Edomites thru the line of Herod totally take over the seat. This is how we get the Sadduces seating in the seat of Moses.

As it Reads in the Book Of Mathew:

Matthew 23

“Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? Wherefore, behold, I send unto you **prophets**, and **wise men**, and **scribes**: and some of them ye shall kill and crucify; and some of them shall ye scourge in your **synagogues**, and persecute them from city to city: That upon you may come all the righteous blood shed upon the earth, from the blood of righteous **Abel** unto the blood of **Zacharias** son of Barachias, whom ye slew between the temple and the altar. “

Okay now keep in mind in **191 BC** we get the indecent of Onias the III being Usurped then we have the creation of the Sanhedrin. We have a new book called the **Septuagint** once the Greeks take over the land of Jerusalem. And now we have a new title called **Rabbi**. Now listen to what a Rabbi is.

THE RABBI = 60 Minutes

And it Reads:

“Rabbi is not an occupation found in the Torah and ancient generations did not employ

related titles such as Rabban, Ribbi, or Rab to describe either the Babylonian sages or the sages in Israel. The titles "Rabban" and "Rabbi" are first mentioned in the **Mishnah (c. 200 CE)**. The term was first used for Rabban **Gamaliel the elder**, Rabban Simeon his son, and Rabban Johanan ben Zakkai, all of whom were patriarchs or presidents of the **Sanhedrin**. A Greek transliteration of the word ῥαββί hrab-bee' is found in the books of Matthew, Mark and John in the New Testament, where it is used in reference to "Scribes and Pharisees".

Okay now notice this name **Gamaliel the Elder** now listen to what it states:

And it Reads:

“ Gamaliel the Elder was a leading authority in the Sanhedrin in the mid 1st century CE. He was the grandson of the great Jewish teacher **Hillel the Elder**, “

Okay now remember Hillel the Elder was a Benjaminite. Are you starting to see a pattern here?

Okay now I went thru this long explanation for two reasons. One to show you the true root of the Curse Of Ham and two to give you a look at how this pattern of usurpation has been going for thousands of years. If we are the Seed Of Yacob then we should be wise about the pattern of our Enemy: Now what dose the Babylonian Talmud say about the Curse Of Ham?

TALMUD

And it reads:

“The Torah assigns no racial characteristics or rankings to Ham. Moses married a Cushite, one of the reputed descendants of Ham, according to the Book of Numbers, Chapter 12. Despite this, a number of early Jewish writers have interpreted the Biblical narrative of Ham in a racial way. The Babylonian Talmud, Sanhedrin 108b states "Our Rabbis taught: Three copulated in the ark, and they were all punished — the dog, the raven, and Ham. The dog was doomed to be tied, the raven expectorates [his seed into his mate's mouth], and Ham was smitten in his skin." {Talmud Bavli, Sanhedrin 108b} The nature of Ham's "smitten" skin is unexplained, but later commentaries described this as a darkening of skin. A later note to the text states that the "smitten" skin referred to the blackness of descendants, and a later comment by rabbis in the Bereshit Rabbah asserts that Ham himself emerged from the ark black-skinned.[4][5] The Zohar states that Ham's son Canaan” "darkened the faces of mankind".

Okay now this is taken from the Babylonian Talmud:

Babylonian Talmud: **Tractate Sanhedrin**

Now remember where the Sanhedrian comes from and also remember whom the Rabbi are

Folio 70a http://www.come-and-hear.com/sanhedrin/sanhedrin_70.html

And it Reads:

“Ubar the Galilean gave the following exposition: The letter waw [and]⁴⁰ occurs thirteen times in the passage dealing with wine: And Noah began to be an husbandman, and he planted a vineyard: And he drank of the wine and was drunken; and he was uncovered within his tent.”

“And Ham the father of **Canaan**, saw the **nakedness** of his father, and told his two brethren without. And Shem and Japheth took a garment, and laid it upon their shoulders, and went backward and covered the **nakedness** of their father, and their faces were backward, and they saw not their father's **nakedness**. And Noah awoke from his wine, and knew what his younger son had done unto him.”

Okay now this goes into the commentary of Genesis 9:

And it Reads:

“[With respect to the last verse] Rab and Samuel [differ,] one maintaining that he castrated him, whilst the other says that he sexually abused him. He who maintains that he castrated him, [reasons thus;] Since he cursed him by his fourth son,⁴² he must have injured him with respect to a fourth son.⁴³ But he who says that he sexually abused him, draws an analogy between 'and he saw' written twice. Here it is written, And Ham the father of Canaan saw the nakedness of his father; whilst elsewhere it is written, And when Shechem the son of Hamor saw her [he took her and lay with her and defiled her].⁴⁴ Now, on the view that he emasculated him, it is right that he cursed him by his fourth son; but on the view that he abused him, why did he curse his fourth son; he should have cursed him himself? — Both indignities were perpetrated.⁴⁵”

Okay now here is Babylonian Talmud: **Tractate Sanhedrin**

Folio 108a http://www.come-and-hear.com/sanhedrin/sanhedrin_108.html

And it Reads:

“Our Rabbis taught: Three copulated in the ark, and they were all punished — the dog, the raven, and **Ham**. The dog was doomed to be tied, the raven expectorates [his seed into his mate's mouth]. and Ham was smitten in his skin.³⁴” Okay now they have a reference to clarify what they mean and when you go to they reference we get this statement: “I.e., from him descended **Cush** (the negro) who is black-skinned.”

So now we see how the Talmud came up with the whole black skin and homosexuality in relations to Genesis 9. It was Rabbis giving there commentary, There opinion. The opinion of the usurper.

Okay one more this is from Gen. Rabba 37

By Japhet, Gomer and Magog Africa is meant, and by Tiros Persia.--Gen. Rabba 37.

And it Reads:

“The sexes of both man and the lower animals were meant to be separated in the ark during the deluge. This is clear from the way in which they entered the ark: first Noah and his three sons went in, and then their wives separately (Gen. 7. 7). But when they came out of the ark after the flood, God commanded Noah, 'Go out of the ark, thou and thy wife, thy sons and their wives' (Gen. 8. 16), thus putting the sexes together again. **Ham** among the human beings, and the **dog** among the lower animals, disregarded this injunction and did not separate from the opposite sex in the ark. The dog received a certain punishment, and **Ham became a black man**; just as when a man has the audacity to coin the king's currency in the king's own palace his face is **blackened** as a punishment and his issue is declared counterfeit --Gen. Rabba 37-”

Now lets read that again: “**Ham became a black man**; just as when a man has the audacity to coin the king's currency in the king's own palace his face is **blackened** as a punishment and his issue is declared counterfeit”

Okay now when we combine this Bablylonian Talmud and it's influence on this Church Father Origen of Alexandria. Then we look at the take over of the High Priest seat and the creation of the Sanhedrian and the creation of the the title Rabbi. We begin to unviel the originators of the **Curse Of Ham Myth**.

We also see the influence on Pope [Nicholas V](#) and the greed of the Kings of Portugal. We see how they create this false teachings to justify there continued genocide of the

people of color. The Curse Of Canaan is a **LIE**. A **LIE** created by the overseers of the Sanhedrin. A **LIE** promoted by the Catholic church. A **LIE** used to justify the Europeans contained exploitation over anything none European. Now we have to look at the players in this LIE. And to do this we have to start at the beginning. The seed of the Serpent in the beginning. The Amalekites are the first of the Nations the Amelrkites attached themselves to Benjamin thru Saul. They attached themselves to the Greeks thru Japheth. They attached themselves to Esau thru Amalek. And Edom made his self the seed of Yacob turning black to white Hebrew to Jew, Levite to Rabbi, Scriptures to Talmud, Law of Moses to Sanhedrin and LIES to TRUTH. And he did all this by usurping the Seed of Yacob...Now look at the planet because of it. Ask yourself this question. Are these people a true representation of the Creator of the Heavens and the Universe? Dose this serpent express the love of The Most High AHYAH?

NAT TURNER

Okay now I needed to go over this to lay the foundation for my next topic. This topic revolves around a man that struck fear in the heart of every slave master in the south. This man is the **EPITOME** of the Black Messiah. And this man is Nat Turner. Nat Turner's actions changed the momentum of the free slave movment. But not in a positive why. A man by the name of David Walker was the true Liberator, Nat Turner was the False. Now this will become more clear as we progress thru this broadcast. But first who was David Walker?

David Walker was an abolitionist. He wrote a document tailored after the Decleration of Independence called the **The Appeal to the Coloured Citizens Of the World**. This document was so powerful that if a black man or women had one they would be Lynched on the spot. This document inspired the true abolishment movement. Men like William Lloyd Garrison a Jourolist quit and publicly denounced the deceptive **American Colonization Society**. After the death of David Walker he published a weekly newspaper called The Liberator. This paper was in print from 1830-1865. It's main purpose was to put an end to slavery. It would place weekly discussion of David Walker's Appeal in the paper. Inspiring people like Fredrick Douglas to create a speech called "The Meaning of the Fourth of July for the Negro" David Walker was freeing slaves thru the court system by speaking on the hipocracys of Deceration of independence. He publicly called Founding Father Thomas Jefferson a hipocrate. He challended the Black Masons to really free the slaves. Now this man did far more then Booker T Washington and Prince Hall for the enslaved people of color. But we never hear of him. We know more about Nat Turner then we do David Walker. Now I am going to read the opening of The Appeal to the Coloured Citizens Of the World. And you will see why. **And it Reads:**

The Appeal to the Coloured Citizens Of the World - *PREAMBLE.*

“My dearly beloved Brethren and Fellow Citizens. HAVING travelled over a considerable portion of these United States, and having, in the course of my travels, taken the most accurate observations of things as they exist--the result of my observations has warranted the full and unshaken conviction, that we, (coloured people of these United States,) are the most degraded, wretched, and abject set of beings that ever lived since the world began; and I pray YAH that none like us ever may live again until time shall be no more. **They** tell us of the Israelites in Egypt, the Helots in Sparta, and of the Roman Slaves, which last were made up from almost every nation under heaven, whose sufferings under those ancient and heathen nations, were, in comparison with ours, under this enlightened and Christian nation, no more than a cypher--or, in other words, those heathen nations of antiquity, had but little more among them than the name and form of slavery; while wretchedness and endless miseries were reserved, apparently in a phial, to be poured out upon our fathers, ourselves and our children, by Christian Americans!”

“The causes, my brethren, which produce our wretchedness and miseries, are so very numerous and aggravating, that I believe the pen only of a Josephus or a Plutarch, can well enumerate and explain them. Upon subjects, then, of such incomprehensible with slave-holders or tyrants, who acquire their daily bread by the blood and sweat of their more ignorant brethren--and not a few of those too, who are too ignorant to see an inch beyond their noses, will rise up and call me cursed--Yea, the jealous ones among us will perhaps use more abject subtlety, by affirming that this work is not worth perusing, that we are well situated, and there is no use in trying to better our condition, for we cannot.”

“I will ask one question here.--**Can our condition be any worse?**--Can it be more mean and abject? If there are any changes, will they not be for the better, though they may appear for the worst at first? Can they get us any lower? Where can they get us? They are afraid to treat us worse, for they know well, the day they do it **they are gone.** But against all accusations which may or can be preferred against me, I appeal to Heaven for my motive in writing--who knows that my object is, if possible, to awaken in the breasts of my afflicted, degraded and slumbering brethren, a spirit of inquiry and investigation respecting our miseries and wretchedness in this Republican Land of Liberty! ! ! ! !”

“The sources from which our miseries are derived, and on which I shall comment, I shall not combine in one, but shall put them under distinct heads and expose them in their turn; in doing which, keeping truth on my side, and not departing from the strictest rules of morality, I shall endeavour to penetrate, search out, and lay them open for your inspection. If you cannot or will not profit by them, I shall have done my duty to you, my country and my YAH.” **David Walker The Appeal 1829**

Now after reading just the opening of this appeal. Can you see why the first thing they did to the slaves once there was a rebellion was to outlaw reading and writing. Now think about it! We never heard of David Walker. Yet the educational system was funded by the richest men on the planet that loved Booker T Washington. David Walker identified us as being the Seed Of Yacob you can see it in his opening Preamble. Or from this statement and it Reads:

“It is expected that all coloured men, women and children. Who are not too deceitful, abject, and servile to resist the cruelties and murders inflicted upon us by the white slave holders, our enemies by nature. of every nation, language and tongue under heaven, will try to procure a copy of this Appeal and read it, or get some one to read it to them, for it is designed more particularly for them. Let them remember, that though our cruel oppressors and murderers, may (if possible) treat us more cruel, as Pharoah did the children of Israel, yet the God of the Etheopeans, has been pleased to hear our moans in consequence of oppression; and the day of our redemption from abject wretchedness draweth near, when we shall be enabled, in the most extended sense of the word, to stretch forth our hands to the AHYAH our YAH, but there must be a willingness on our part, for AHAYH to do these things for us, for we may be assured that he will not take us by the hairs of our head against our will and desire, and drag us from our very, mean, low and abject condition.” Okay now I added the name AHYAH instead of Lord and god, because I know this is what Mr Walker meant to say. But did you hear him say “inflicted upon us by the white slave holders, our enemies by nature.” This is in reference to Genesis 3:15.

And what about the ending:

“when we shall be enabled, in the most extended sense of the word, to stretch forth our hands to the AHYAH our YAH, but there must be a willingness on our part, for AHAYH to do these things for us, for we may be assured that he will not take us by the hairs of our head against our will and desire, and drag us from our very, mean, low and abject condition.” Now what dose 2 Chronical 7 : 14 Say?

2 Chronicals 7:14

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.” Now I wonder why I never heard of David Walker? Like I said we know more about Nat Turner then we do David Walker and I think I know why.

Now you will understand also at the conclusion of this broadcast, but for now lets play this audio file about Nat Turner.

[Play Audio = Nat Turner Rebellions 6:29 Minutes](#)

Okay now keep this statement in mind. What you know about Nat Turner is what they want you to know about Nat Turner. Now after this topic I want you to ask yourself this question was Nat Turner a Rebel or a Pawn? Okay I am going to read a few resources from PBS, Wikipedia and from Nat Turner's Confessions. **And it Reads:**

Who is Nat Turner?

“Nat Turner was born on October 2, 1800, in Southampton County, Virginia, the week before Gabriel was hanged. While still a young child, Nat was overheard describing events that had happened before he was born. This, along with his keen intelligence, and other signs marked him in the eyes of his people as a prophet "intended for some great purpose." A deeply religious man, he "therefore studiously avoided mixing in society, and wrapped [him]self in mystery, devoting [his] time to fasting and praying."

Okay now this is taken from a pamphlet written by his Lawyer named Thomas Ruffin Gray. This was a conversation that Thomas Gray had with Nat Turner before his execution November 11th 1831 And it reads:

Nat Turner Speaks:

“I devoting my time to fasting and prayer--By this time, having arrived to man's estate, and hearing the scriptures commented on at meetings, I was struck with that particular passage which says : "Seek ye the kingdom of Heaven and all things shall be added unto you." I reflected much on this passage, and prayed daily for light on this subject--As I was praying one day at my plough, the spirit spoke to me, saying "Seek ye the kingdom of Heaven and all things shall be added unto you."

Thomas Ruffin Gray Question: what do you mean by the Spirit?

Answer:

“The Spirit that spoke to the prophets in former days--and I was greatly astonished, and for two years prayed continually, whenever my duty would permit--and then again I had the same revelation, which fully confirmed me in the impression that I was ordained for some great purpose in the hands of the Almighty.”

Okay now this is taken from a PBS Article. And it reads:

“ The next year, following the death of his master, Samuel Turner, Nat was sold to Thomas Moore. Three years later, Nat Turner had another vision. He saw lights in the sky and prayed to find out what they meant. Then "... while laboring in the field, I discovered drops of blood on the corn, as though it were dew from heaven, and I communicated it to many, both white and black, in the neighborhood; and then I found on the leaves in the woods hieroglyphic characters and numbers, with the forms of men in different attitudes, portrayed in blood, and representing the figures I had seen before in the heavens."

Okay now this is taken from Thomas Grays Confessions. This is Nat Turner's confession. And it reads:

“And about this time I had a vision--and I saw white spirits and black spirits engaged in battle, and the sun was darkened--the thunder rolled in the Heavens, and blood flowed in streams--and I heard a voice saying, **"Such is your luck, such you are called to see, and let it come rough or smooth, you must surely bare it."** I now withdrew myself as much as my situation would permit, from the intercourse of my fellow servants, for the avowed purpose of serving the Spirit more fully--and it appeared to me, and reminded me of the things it had already shown me, and that it would then reveal to me the knowledge of the elements, the revolution of the planets, the operation of tides, and changes of the seasons. After this revelation in the year 1825, and the knowledge of the elements being made known to me, I sought more than ever to obtain true holiness before the great day of judgment should appear.”

Now the questions is this. Was this The Most High Speaking to Nat Turner? Or was it another spirit? Now we have to keep in mind this was written by a man that hates Nat Turner...so we should not be surprised if he adds things to Nat's confession. Now lets look at Nat's statement. Now keep in mind this is suppose to be from the SPIRIT that is communicating with NAT Turner this spirit is suppose to be from The Most High AHYAH. **And it Reads:** “**Such is your luck, such you are called to see, and let it come rough or smooth, you must surely bare it.**” Okay now hold on. I want you to place you attention to this word **Luck**. This word **Luck** is equal to the word **Fortuna**. Now what is **Fortuna**? **Fortuna** is the Greek god **TYCHE**.

Okay now what dose this Greek god **TYCHE** represent? **And it Reads:** “**In ancient Greek city cults, Tyche (meaning "luck" in Greek, Roman equivalent: Fortuna) was the presiding tutelary deity that governed the fortune and prosperity of a city, its destiny. Increasingly during the Hellenistic period, cities venerated their own specific iconic version of Tyche, wearing a mural crown (a crown like the walls of the city). She is also the god Isis, her father is Zeus, she is goddess of fortune and personification of luck in Roman religion. She might bring good luck or bad: she could be represented as veiled and blind, as in modern depictions of Justice, and came to represent life's capriciousness. She was also a goddess of fate: ”**

Okay so next time someone says to you good luck... say no thank you.

Now what about those words (Tutelary Deity) “**A tutelary is a deity or spirit who is a guardian, patron or protector of a particular place, geographic feature, person, lineage, nation, culture or occupation. Both tutelary and tutelar can be used as either a noun or an adjective. An analogous concept in Christianity is the patron saint, or to a lesser degree guardian angel.**”

Okay now if this was the spirit **TYCHE** speaking to Nat Turner then this would explain a lot. Now remember the Hebrews were over taken by the Greeks in 191 BC. **TYCHE** is a Greek god. The Edomites took over the temples thru King Herod, the Edomites became hellenized. Christianity is hellenized which means under Greek influence.

Do you think this spirit was pretending to be from The Most High? Ask yourself this question. Who created the Curse of Ham Myth? Could this be a request from the children of the serpent to there Diety? A request to there goddess of Fourtune?

Now think about it. What if fear griped the Usurpers after the Haitian Reveolt of 1804? What if the usurpers prayed to there gods to extend the slavetrade? What if there request required a sacrifice? Now keep this is mind. Where is Nat Turner located at this time? Virgina home of the Masonic Order the location of the District Of Columbia. Dwelling place of the kings of the earth.

Okay now this is taken from Thomas Grays Confessions. This is Nat Turner's confession. And it Reads:

“And then I began to receive the true knowledge of faith. And from the first steps of righteousness until the last, was I made perfect; and the Holy Ghost was with me, and said, "Behold me as I stand in the Heavens"--and I looked and saw the forms of men in different attitudes--and there were lights in the sky to which the children of darkness gave other names than what they really were--for they were the lights of the Saviour's hands, stretched forth from east to west, even as they were extended on the cross on Calvary for the redemption of sinners. “

Okay now this sounds like the Hellenized form of Christianity right. Now would AHYAH speak to Nat Turner thru a religion that hijacked by the enemy? Thru the enemy that stole Hebrews culture and sold them to the four corners of the world? Okay now how many of you know about the CROSS of Calvary deception?

As Nat Turner states:

“for they were the lights of the Saviour's hands, stretched forth from east to west, even as they were extended on the cross on Calvary for the redemption of sinners.”

Now keep in mind. This could be quote from Nat Turner or if could be made up from his Lawyer for alternative motives. Now here is an article taken from ABC news website Good Morning America it's called:

Jesus Christ May Not Have Died on Cross

RUSSELL GOLDMAN July 2, 2010

“For 2,000 years the crucifix has been a potent symbol of both [Jesus Christ's death](#) and Christianity. Now one Swedish theologian says that despite the crucifix's proliferation in art and literature, there is scant evidence in the Bible or other ancient sources to indicate that **Christ was killed on a cross**. Samuelsson devoutly believes the story of Jesus' death and resurrection, but says for generations people have **misinterpreted** and **mistranslated** the Greek word "**stauros**" to mean **crucifix**, when really the term just means a **suspension device**, which might have been anything such as a "**pole or a tree trunk**." The earliest versions of the New Testament were written in **Greek**. "If you chose to just read the text and ignore the art and theology, there is quite a small amount of information about the **crucifixion**. Jesus, the Bible says, carried something called a **stauros out to Calvary**. Everyone thought it meant **cross**, but it does not only mean **cross**. We cannot say every instance of this noun, **stauros** refers to a cross, Samuelsson said. Suspension devices, basically **tall polls** or **pikes**, were routinely used in the ancient world, by the Romans and their contemporaries, both as execution devices and for displaying the bodies of **executed criminals** and enemies as a public warning”

Now I choose to use ABC news to demonstrate how easy it is to find this information. Now if this information is that easy to find then why would Nat Turner use this statement “**for they were the lights of the Saviour's hands, stretched forth from east to west, even as they were extended on the cross on Calvary for the redemption of sinners.**” Now if he was speaking to the spirit the Comforter then YAHUSHUAH knew he was not hung on a cross. Now someone here is being deceptive is it Nat Turner, is it Thomas Ruffin Gray or was Nat speaking to a LYING spirit?

And it Reads:

“And I wondered greatly at these miracles, and prayed to be informed of a certainty of the meaning thereof--and shortly afterwards, while laboring in the field, I discovered drops of **blood on the corn** as though it were dew from heaven-- and I communicated it to many, both white and black, in the neighborhood--and I then found on the leaves in the woods hieroglyphic characters, and numbers, with the forms of men in different attitudes, portrayed in blood, and representing the figures I had seen before in the heavens. And now the **Holy Ghost** had revealed itself to me, and made plain the miracles it had shown me--For as the **blood of Christ** had been shed on this earth, and had ascended to heaven for the salvation of sinners, and was now returning to earth again in the form of dew--and as the leaves on the trees bore the impression of the figures I had seen in the heavens, it was plain to me that the Saviour was about to lay down the yoke he had borne for the sins of men, and the great day of judgment was at hand. “

“About this time I told these things to a white man, (Etheldred T. Brantley) on whom it

had a wonderful effect--and he ceased from his wickedness, and was attacked immediately with a cutaneous eruption, and blood ozed from the pores of his skin, and after praying and fasting **nine days**, he was healed, and the Spirit appeared to me again, and said, as the Saviour had been baptised so should we be also--and when the white people would not let us be baptised by the church, we went down into the water together, in the sight of many who reviled us, and were baptised by the Spirit--After this I rejoiced greatly, and gave thanks to God. And on the 12th of May, 1828, I heard a loud noise in the heavens, and the Spirit instantly appeared to me and said the Serpent was loosened, and Christ had laid down the yoke he had borne for the sins of men, and that I should take it on and fight against the **Serpent**, for the time was fast approaching when **the first should be last and the last should be first.**”

Now did you notice the mentioning of the Number **9**, The hieroglyphic characters and the occult number? Now if you are paying attention this is sounding more and more like Free masonry. Now remember we are in Virginia home of the Occult.

Lets read that again “after praying and fasting **nine days**, he was healed, and the Spirit appeared to me again, and said, as the Saviour had been baptised so should we be also”

Okay now here is a question from Thomas Ruffin Gray to Nat Turner - Question:
Do you not find yourself mistaken now?

Nat Turner Answer:

“Was not Christ crucified. And by signs in the heavens that it would make known to me when I should commence the great work--and until the first sign appeared, I should conceal it from the knowledge of men--And on the appearance of the sign, (the eclipse of the sun last February) I should arise and prepare myself, and slay my enemies with their own weapons. And immediately on the sign appearing in the heavens, the seal was removed from my lips, and I communicated the great work laid out for me to do, to four in whom I had the greatest confidence, (Henry, Hark, Nelson, and Sam)--It was intended by us to have begun the work of death on the 4th July last--Many were the plans formed and rejected by us, and it affected my mind to such a degree, that I fell sick, and the time passed without our coming to any determination how to commence--Still forming new schemes and rejecting them, when the sign appeared again, which determined me not to wait longer.”

Now keep this in mind the Illuminati like to work on exact date and times. If you look at the year 1831 February 12th you will notice that there was a Solar Eclipse on this date. Also this date July 4th this is an illuminant Holiday. This day they celebrate the takeover of the United States. The War of Independence. Think about all of the Masonic symbolism surrounding this date.

Okay now Turner spoke about the final sign that made him go one his killing spree.

We are going to read it from another source:

“On August 13, there was an atmospheric disturbance in which the sun appeared bluish-green. This was the final sign, and a week later, on August 21, Turner and six of his men met in the woods to eat a dinner and make their plans. At 2:00 that morning, they set out to the Travis household, where they killed the entire family as they lay sleeping. They continued on, from house to house, killing all of the white people they encountered. Turner's force eventually consisted of more than 40 slaves, most on horseback. “

Okay now listen to this from a book

NAT TURNER'S REVOLT 1831: REBELLION AND RESPONSE IN SOUTHAMPTON COUNTY, VIRGINIA By PATRICK H. BREEN
“THE FIRST BLOOD”

“On the morning of Sunday, 21 August, Henry, Hark, Nelson, Sam, Will and Jack met as planned at Cabin Pond. As they prepared the pork dinner and drank Henry's brandy, the four charter members of the revolt began explaining to the new recruits their plans to “rise and kill all the white people.”

Okay now listen to The Haitian Revolution of 1791-1803 By Bob Corbett

“This event was a Petwo Voodoo service. On the evening of Sunday August 14th Dutty Boukman, a houngan and practitioner of the Petwo Voodoo cult, held a service at Bois Caiman. A woman at the service was possessed by Ogoun, the Voodoo warrior spirit. She sacrificed a black pig, and speaking the voice of the spirit, named those who were to lead the slaves and maroons to revolt and seek a stark justice from their white oppressors. “ Okay now look at the similarities between the Turner Revolts and the Haitian Revolts.

Haitian Revolt:

- Took place in August
- Took Place on a Sunday
- Called on a Spirit Being
- Ritual involved a Pig
- Was slave revolt
- Goal to Kill white slaveTraders

Turner Revolt

- Took place in August
- Took Place on a Sunday
- Communicated with a spirit being
- Killed a Pig for there ritual meal
- Was slave revolt
- Goal to Kill white slaveTraders

Okay now do you still think this is from The Most High?

Okay now this is taken from Thomas Grays Confessions. This is Nat Turner's confession. And it Reads:

“By about mid-day on August 22, Turner decided to march toward **Jerusalem**, the closest town. By then word of the rebellion had gotten out to the whites; confronted by a group of militia, the rebels scattered, and Turner's force became disorganized. After spending the night near some slave cabins, Turner and his men attempted to attack another house, but were repulsed. Several of the rebels were captured. The remaining force then met the state and federal troops in final skirmish, in which one slave was killed and many escaped, including Turner. In the end, the rebels had stabbed, shot and clubbed at least 55 white people to death.”

Okay now I advice you to read this whole article to get the full magnitude. They where cutting the throats of children and women. The chopping people with axes decapitating people, shooting them in the head. It was brutal. Now many of us felt hey they did worse to use. What about the Hangings and rapes and throwing are babies to the alligators? “**This is justice**”. Well the question still remains. Was this of The Most High AHYAH or was this not?

Well let me read a quote from David Walker the ex slave Abolitionist:

“Should white persons be thanked for granting freedom to some slaves? No, said Walker: Whites gave nothing to blacks upon **manumission** except the right to exercise the liberty they had immorally prevented them from so doing in the past. They were not giving blacks a gift but rather returning what they had stolen from them and YAH. To pay respect to whites as the source of freedom was thus to blaspheme YAH by denying that he was the source of all virtues and the only one with whom one was justified in having a relationship of obligation and debt.” **David Walker True Rebel**

Now this was written by a free man named David Walker whom was killed one year before the Nat Turner Revolts. The point Walker is making is that no Man can save us. No man can give us or freedom we are made free because it is a virtue of the creator. The source of freedom comes from The Most High AHYAH. Not Man!

Now in saying that. Before I found the Nat Turners Confession document I was convinced that Nat Turner was reading the bible. I thought he notice he was a Hebrew. Then was inspired by The Most High to go off. But then I had to think about that... Did it work?

Did Nat Turner free the slave or did he create a new improved form of slavery? Now we have to keep this in mind. We may not know who we are, But they do. They knew Nat

Turner was a Hebrew. They knew he was of the curses. You can tell by how they used this word **Serpent**. They identified the enemy as the Serpent the oppressor. Take a look at the Nat Turner story on Wikipedia, when you click on the word Serpent you can read the definition: **And it Reads:**

“Serpent is the term used to translate a variety of words in the Hebrew bible, the most common being Hebrew: שׂוּפָן, (**nahash**), the generic word for "snake". The most famous Biblical serpent is the talking snake in the Garden of Eden who tempts Eve to eat the fruit of the Tree of Knowledge and denies that death will be a result. The Serpent has the ability to speak and to reason, and is identified with the wisdom of this world: "Now the serpent was more subtle than any beast of the field which the Lord God had made" (Genesis 3:1)”

Genesis 3:1

Now the **serpent** was more subtil than any beast of the field which the YAHUWAH YAH had made. And he said unto the woman, Yea, hath AHYAH said, Ye shall not eat of every tree of the garden?

Now if they know who the serpent is then they know who the enemy of the serpent is. Okay now what was the aftermath of the Nat Turner Uprising? Did it glorify The Most High? Yes or No? Well let's see who benefitted.

And it Reads: “Nat Turner's rebellion set off a reign of terror for all blacks in the area as state and federal troops swept through, killing as many as 200 blacks. To avoid future uprisings, new slave codes were enacted outlawing the education of slaves and putting strict controls on their movements.” Okay now Nat Turner was told that this Uprising would inspire massive uprising all over the south and free the slaves from the serpents. But what happened? “Over 3,000 members of the state militia were sent to deal with Turner's rebellion, and they were soon defeated. In retaliation, more than a hundred innocent slaves were killed. Turner went into hiding but was captured six weeks later. Nat Turner was skinned alive then executed on 11th November, 1831. This also created a paranoid America. Which made Nat Turner the paradigm of The Black Messiah.

And now we have Cointelpro, the CIA and the FBI's obsession keeping Black people at the bottom of the barrel. Now let's look at a few laws that passed because of this rebellion.

And it Reads:

“Nevertheless, fears of repetitions of the Nat Turner Revolt polarized moderates and slave owners across the South. **Municipalities across the region instituted repressive**

policies against blacks. Rights were taken away from those who were free. The freedoms of all black people in Virginia were tightly curtailed. Socially, the uprising discouraged whites' questioning the slave system from the perspective that such discussion might encourage similar slave revolts.”

Now keep this in mind everytime there is a slave uprising the something happens. It becomes a living hell for those that remain. Look what happen in the 1739

AfterMath:

The 1739 Rebellion:

“The comprehensive Negro Act of 1740 passed in South Carolina made it illegal for slaves to move abroad, assemble in groups, raise food, earn money, and learn to read English. Additionally, owners were permitted to kill rebellious slaves if necessary.”

"Manumissions had decreased by 1810. The shift away from tobacco had made owning slaves in the Upper South an excess to the planters' needs, so they started to hire out slaves.” Okay now do not over look this. Manumissions is the act of freeing a slave. The owner would die and in his will he would free his property. But after the Nat Turner Revolt this was now illegal. Before Nat Turners Revolt slavery started to decess because it became to expensive to maintain. Because Great Briatin made it illegal in 1807. When they did this it disrupted the market for tobacco. But look what happened:

And it reads: “With the ending of the TransAtlantic slave trade of 1807, the invention of the **cotton gin**, and opening up of new territories in the [Deep South](#), suddenly there was a **growing market** for the trading of slaves.” Now think about it. Slaves are more valuable because it was illegal to ship us in. It became illegal, because of the Haitian Rvelution. Remember it was the Haitian Revolt that scaring Britian into the Abolismment of slavery in 1807. But guess what happens.? The invention of the cotton gin. This new invention which was stolen from a slave....called the Cotton Gin allowed the South to turn a profit faster. Which created a new market for the need of slaves. But there is a problem. The transAtlantic Slave trade is illegal. But the south needs more slaves then ever.

And it Reads: Over the next decades, more than a million slaves would be transported to the Deep South in a **forced migration** as a result of the **domestic slave trade.**” Now when Nat Turner created a Revolt and killed all of the white people. He made it easy for Virgina to pass laws to reenforce slavery. Which benifited the cotton growers of the south. Think about it!

Okay now here is the explanation of the cotton gin:

Eli Whitney The Thief and Destroyer (Read Only If There is Time)

“The slave population in the American colonies reached a maximum of a quarter-million in 1754. But it dropped off as we approached, and fought, the Revolutionary war. For a while, people thought slavery might die out entirely.

But technology intervened. [Eli Whitney](#) patented the cotton gin in 1793. Suddenly we could turn a profit on this terribly labor-intensive crop. From then until the Civil War the slave population increased to the astonishing level of 4,000,000.

The grand irony of all this is that the person who provided Whitney with the key idea for his gin was himself a slave, known to us only by the name Sam. Sam's father had solved the critical problem of removing seeds from cotton by developing a kind of comb to do the job. Whitney's cotton gin simply mechanized this comb.”

So now we see slavery increasing in the South. Freed slaves are now a threat to the economy. Nat Turner was a classic case of (Problem Reaction Solution). Nat Turner was like the September 11th Attacks. His revolt became the excuse to lock us down and take away our rights. To keep us in bondage. Just like September 11th. Think about the War on Terror. What did this war allow the hidden hand to do? It allowed the War in Iraq, War in Afghanistan, War in Pakistan, War in Philippines, War in Horn Of Africa, War in Trans Sahara, War in Yemen and War in Libya. It created the Patriot Act, TSA groping squad, Fema camps and it opened the door for World War Three. You see Problem Reaction Solution is an old trick. We also notice the same old players. The demonic hidden hand of the principalities. The magicians of the Cabala the illuminated ones of Free Masonry. There not even hiding it. There flunting it.

Okay now here is what happen in the Aftermath of Nat Turnes Revolt:

“In the aftermath of the Nat Turner Slave Rebellion, the [Virginia General Assembly](#) passed new legislation making it unlawful to **teach slaves, free blacks, or mulattoes to read or write**. The General Assembly also passed a law restricting all blacks from **holding religious meetings without the presence of a licensed white minister**.^[22] Other slave-holding states across the South enacted similar laws restricting **activities of slaves and free blacks**.” Now think about this. This was enforced throughout the south. This means that they wanted to keep you as ignorant as possible..legally by LAW. If you where teaching the word without a license you would be hung, If you had a license and you started teaching that we where the Seed Of Yacob. You had an overseer in the church

that would KILL you. **And it Reads:** “Some free blacks chose to move their families north to obtain educations for their children. Some individual white people, such as a young teacher named [Thomas J. Jackson](#) (better known to history as "[Stonewall Jackson](#)") and another named [Mary Smith Peake](#), chose to violate the laws and teach slaves to read. Overall, the laws enacted in the aftermath of the Turner Rebellion enforced widespread illiteracy among slaves. It persisted; **35 years** later, most newly freed slaves and many free blacks in the South were illiterate at the end of the [American Civil War](#).”

But on thing they left out...What else happen after the Civil War? JIM CROW. Think about it Nat Turner was fresh in the mind of the Clan. If these slaves are free then we might release millions of Nat Turners. So they made sure we where still in bondage. A bondage of fear.

Booker T Washington

Okay now to complete this broadcast I want to express another result of the Nat Turner rebellion. This result was the creation of the new type of black man and his name was Booket T Washington. Here is an Audio File it is 5:00 minutes

[Play Booker T Washington ROBM_Booket T Washington 5:00](#)

“Booker Taliaferro Washington Washington was born into slavery to Jane, an enslaved African-American woman on the Burroughs Plantation in southwest Virginia. She never identified his white father, said to be a nearby planter. He played no significant role in Washington's life. After his family gained freedom in 1865, his mother took them to his life, is unknown. His family gained freedom in 1865 as the [Civil War](#) ended, his mother took them to West Virginia to join her husband. She and the freedman Washington Ferguson were formally married there, and Booker took the surname Washington at school after his stepfather. The youth worked in salt furnaces and coal mines in West Virginia for several years, then made his way east to [Hampton Institute](#), a school established to educate freedmen, where he worked to pay for his studies.”

Okay now keep this in mind Hampton Institute was founded by the **American Missionary Association** and the Freedman’s Aid Society. Which was created by the Freedman’s Bureau which was an United States Federal Governments Agency. Now ask your self this question knowing what you know. Can the Freedman’s Society by trusted?

And it continues: “He attended [Wayland Seminary](#) in Washington, D.C. in 1878 and left after 6 months. In 1881, the Hampton president [Samuel C. Armstrong](#) recommended Washington to become the first leader of [Tuskegee Institute](#), the new [normal school](#)

(teachers' college) in [Alabama](#). He headed it for the rest of his life.”

Okay now there is a lot of information here. First what is Wayland Seminary?

“**Wayland Seminary** was the Washington, D.C. school of the National Theological Institute.[1] The Institute was established beginning in 1865 by the American Baptist Home Mission Society, designed primarily for providing education and training for African-American freedmen to enter into the ministry.” Okay now this is out of Washington D.C and it established by the American Baptist Home Mission Society. So what is American Baptist Home Mission Society?

“**The Home Mission Society (ABHMS)**, itself, was organized in 1832 to raise support for missionaries in North America. Later, Dr. [Henry Lyman Morehouse](#), corresponding secretary of ABHMS, took the lead in forming the American Baptist Education Society (ABES) in May 1888 to promote "Christian education under Baptist auspices in North America." A major achievement of the group was the founding of the [University of Chicago](#) in 1890, strongly supported by [John D. Rockefeller](#). “ Okay now did you here that name? Have you ever heard of the phrase Birds of a feather flock together? Now listen to how this circle expands.

And it Reads:

“In addition, Dr. Morehouse (for whom [Morehouse College](#) is named) succeeded in engaging Rockefeller in major financial support for [Bacone College](#), [Spelman College](#), and black education in general.[2] Responsibility for [historically black colleges](#), founded by and for [freedmen](#) and women after the Civil War” Okay now remember the Freedmen’s Bureau was an United States Federal Government’s Agency.

Okay now lets Read this Again:

“He attended **Wayland Seminary** in Washington, D.C. in 1878 and left after **6 months**. In 1881, the Hampton president **Samuel C. Armstrong** recommended Washington to become the first leader of **Tuskegee Institute**,”

So who is Samuel C. Armstrong?

“Was an American educator and a commissioned officer in the **Union Army** during the **American Civil War**. When Armstrong was assigned to command the **USCT(United States Colored Troops)**, training was conducted at Camp Stanton near Benedict, Maryland. While stationed at Stanton, he established a school to educate the black soldiers, most of whom had no education as slaves.”

Okay now lets tie this together:

“By late 1865, the American Civil War was over (which ended slavery in the former Confederate states) and slavery in the United States had officially ended in the Northern and border states as well with the adoption of the Thirteenth Amendment to the United States Constitution. However, known as freedmen, millions of former African American slaves were without employable job skills, opportunities, and even literacy itself,”

Now here is the exmple they use: (eg., in Virginia, since the bloody Nat Turner Rebellion in 1831, it had been unlawful to teach a slave to read).

“Some realized that these newly freed people were still in a battle against **ignorance** and neglect. Members of the **American Baptist Home Mission Society (ABHMS)** proposed a "**National Theological Institute**" (NTI) which would educate those **wishing to enter into the Baptist ministry**. [2] Soon, the proposed mission was expanded to offer courses and programs at college, high school and even preparatory levels, to both men and women.” So basiclly the only education available for the uneducated ignorant freed slave was the ones controled by the United States government. Run by a ex military officer named **Samuel C. Armstrong**. **All this because of the Nat Turner Rebellion of 1831.**

Ohh it gets better And it Reads:

“Among Hampton's earliest students was [Booker T. Washington](#), who arrived from [West Virginia](#) in 1872 at the age of 16. He worked his way through Hampton, and then went on to attend [Wayland Seminary](#) in Washington D.C. After graduation, he returned to Hampton and became a teacher. Upon recommendation of Sam Armstrong to founder [Lewis Adams](#) and others, in 1881, Washington was sent to [Alabama](#) at age 25 to head another new normal school. This new Institution eventually became [Tuskegee University](#). Embracing much of Armstrong's philosophy, Washington built Tuskegee into a substantial school and became nationally famous as an educator, orator, and fund-raiser as well. He collaborated with the [philanthropist Julius Rosenwald](#) in the early 20th century to create a model for rural black schools - Rosenwald established a fund that matched monies raised by communities to build more than 5,000 schools for rural black children, mostly in the South.”

Okay Booker T Washington went to the brainwashing academy of Hampton to learn a trade. Then he spent 6 months in Wayland Seminary to learn about religion. With his education he took on the Philosophy of Sanuel Armstrong the United States Military ex comander and built the Tuskegee University with other Armstrong Clones. Now think about it. This is all the result of Nat Turners Rebelion..... It's like the gift that keeps on given! Now there is something in this article that is VERY IMPORTANT.

And it Reads:

“He collaborated with the [philanthropist Julius Rosenwald](#) in the early 20th century to create a model for rural black schools - Rosenwald established a fund that matched monies raised by communities to build more than 5,000 schools for rural black children, mostly in the South.”

Now at first site you would think this is a great deed, until you understand the alternative intentions, but before I get into this I want to read about the "The Atlanta Compromise"

The Atlanta Compromise

“Washington advocated a "go slow" approach.^[12] The effect was that many youths in the South had to accept sacrifices of potential political power, civil rights and higher education.^[13] His belief was that African-Americans should "concentrate all their energies on industrial education, and accumulation of wealth, and the conciliation of the South." ^[14] Washington valued the "industrial" education, as it provided critical skills for the jobs then available to the majority of African-Americans at the time, as most lived in the South, which was overwhelmingly rural and agricultural. He thought these skills that would lay the foundation for the creation of stability that the African-American community required in order to move forward.

He believed that in the long term "blacks would eventually gain full participation in society by showing themselves to be responsible, reliable American citizens." His approach advocated for an initial step toward equal rights, rather than **full equality under the law**. It would be this step that would provide the economic power to back up their demands for equality in the future.^[15] This action, over time, would provide the proof to a deeply prejudiced white America that they were not in fact "'naturally' stupid and incompetent." Now think about Washington Education. Was this Booker T Washington speaking or was this **Samuel C. Armstrong**?

And it Reads:

“Washington was sent to [Alabama](#) at age 25 to head another new normal school. This new Institution eventually became [Tuskegee University](#). Embracing much of **Armstrong's philosophy**”

Okay now look at the men that attached themselves to Armstrong's Philosophy:

And it Reads:

“Washington associated with the richest and most powerful businessmen and politicians of the era. He was seen as a spokesperson for African Americans and became a conduit for funding educational programs. His contacts included such diverse and well-known personages as [Andrew Carnegie](#), [William Howard Taft](#), [John D. Rockefeller](#), [Henry Huttleston Rogers](#), [George Eastman](#), [Julius Rosenwald](#), Robert Ogden, [Collis Potter Huntington](#) and [William Henry Baldwin Jr.](#),

who donated large sums of money to agencies such as the Jeanes and Slater Funds. “

Okay now just incase you can not see what has happended here let me go over the names of Washington Friends and why they where friends:

Collis Potter Huntington - Central and Union Pacific Railroad

Why Slave Labor Booker T Washington made him extremly Rich.

William Henry Baldwin Jr. - Long Island Railroad

Why Slave Labor Booker T Washington made him extremly Rich.

William Howard Taft – 27th President Of The United States / Skull and Bones

Samuel Sachs Of Goldmam Sachs Investment Banking

Why Slave Labor Booker T Washington made him extremly Rich.

Henry Goldman Of Goldman Sachs Investment

Why Slave Labor Booker T Washington made him extremly Rich.

Now there are more names to add to this list but for the sake of time this should make my point. Theses men where not Friends with Booker T Washington because they identified with the struggle of the black man. Or because they wanted to educated the poor ignorant slave of the south, and save him out of the clutches of JIM CROW. No they looked at Booker T Washington as their cash cow. As Slave Labor. Thru Washington they used Slave Labor to undermine the Unions. This is why we get the riots of the 19th and 20th Century. For example Black Wall Street 1921. This is another deception. They used us again. Think about it. What about the [Tuskegee syphilis experiment](#) that went on for over 40 years? This went on until the 70s. Where was all of Washington's friends to speak out in out rage? Was this not done in Tuskegee? Was this not the home of Tuskegee University? Where your friend Booker T Washington made you filthy rich?

[And how about that Tuskegee syphilis experiment. When did it begin?](#)

And it Reads:

“The Rosenwald Fund (also known as the Rosenwald Foundation, the Julius Rosenwald Fund, and the Julius Rosenwald Foundation) was established in 1917 by Julius Rosenwald and his family for "the well-being of mankind. He became interested in social issues, especially education for African Americans, and provided funding through Dr. Booker T. Washington of the Tuskegee Institute, a historically black college (HBCU), prior to founding the fund. Unlike other endowed foundations, which were designed to fund themselves in perpetuity, the Rosenwald Fund was intended to use all of its funds for philanthropic purposes. It donated over \$70 million to public schools, colleges and universities, museums, Jewish charities, and black institutions before funds were completely depleted in 1948. **The Rosenwald Fund was also one of the original backers of the Tuskegee Syphilis Study. With support from the Rosenwald Fund, an ambitious program had begun to improve the health of African Americans in US southern states in 1928.** Emphasis was on treating people with syphilis, then found at a high rate in **poor African-American communities.** After the stock market crash in 1929, the Fund was forced to end its role in the project.”

So where were the Rosenwald's Since they loved black folks so much?

Closing Statement Play Douglas Check Time.
