

The Usual Suspects

Welcome brothers and sisters friends and enemies, I am your host Dawid Yacob Maccabeus I am coming to you live from Sweden. Today date according to the Gregorian calendar is December 26th 2010 Sunday. You are listening to Signs and Wonders the broadcast that came right on time. Before I begin I need to open in a word of prayer.

After Opening prayer:

“AHYAH Heavenly father AHYAH the creator of it all. I pray in the name of YAHUSHUAH your son, your gift to this world. I ask that you guide and keep me in your hands during this broadcast. I pray that you open the hearts and ears of those that need to hear this message. I ask that you bind and bond any demonc spirit that desires to hinder this message. I pray that you bless us with your spirt father. Bless us this day with your wisdom. I thank you father for my humble heart, because only a humble heart can understand you wisdom and thank you father for giving me the ability to seek out the hinden treasures in your WORD. I pray this prayer with all my heart, all my soul, all my spirit and all my love in the name of your gift to this world your son the MESSIAH YAHU SHUA. Haleluyah Haleluyah Haleluyah.”

Okay thank you so much for taking the time to listen to this message. The broadcast is en titled **“The Usual Suspects”** The reason why I call this The Usual Suspects, because it is just that... The same criminals that manipulated the words of our prophets, and hijacked the history of the Hebrews and control WORLD HISTORY. Are the same ones that turned our **culture** into HIS **religion** and the words of our prophets into bable.

But before I expose The Usual Suspects, I would like to go over a few points. A few weeks back I gave a message called **“They Live Because We Sleep”**. So who is They??? They. Are **The Usual Suspects** and they are past, present and future babylon.

Now I will begin this topic with an example on the way I seek out the word. What I mean is use this broadcast to teach yourself, how to read the words of The Most High AHYAH.

Okay now when we read the word we have to start with a humble heart. What this means is that we have to stop thinking we know everything. When I hear most pastors or preachers I get the sence that they feel they can do no wrong. Now being confedent is good, but being concedent turns you into a PAWN. If you feel like The Most High placed you above ALL then you missed the point. “We are suppose to wash the feet of the servents of The Most High”. Which means to stay humble, we are to see EYE TO EYE with each other, because none of us have all the answers. The covenant calls for those to be priets of AHYAH and you can only do this with a humble heart. Many of us miss this point. How can you wash the feet of your brother if your to proud to listen to him? A lot of us miss this point and if you miss this point you miss a lot. HUMILITY IS THE KEY.

Now here is an example on how I was taught to read scripures:

I spoke of the word RUDDY in my previous broadcast called **“The Book Of Eli and the Times of Confessions.”** I explain how the word RUDDY is used to distinguish race. We are told that it means “to show BLOOD in the face.” So therefore King David is a Caucasion right? WRONG! Ruddy means

fertility, because when you break it down to its prime root it means ADAM. ADAM is the First Man. RUDDY the prime root of the word RUDDY are words like, ADAM, BLOOD, EARTH ! Now when you use the word RUDDY combined with the name DAWEED it really brings home the meaning.

The word RUDDY. So who invented this word? Was it the translators? Think about it RUDDY “to show blood in the face” Has anyone really seen a RED PEOPLE, or a yellow people? They called the Original North American the RED MAN. They called him a INDIAN, NATIVE AMERICAN, APPACHEE, BLACK FEET, SAVAGES, NAVAHO or any other word they come up with. Did they ask what this so called RED MAN called his self? What was his name in his language? They are called whatever english word that is placed on them. Just like the so called NEGRO, SPOOK, COON, BLACK, AFRICAN AMERICAN or N WORD.

As the word says in **Deuteronomy 32:26**

I said, I would scatter them into corners, I would make the remembrance of them to cease from among men:

And in Zechariah 1:21

Then said I, What come these to do? And he spake, saying, These are the horns which have scattered Judah, so that no man did lift up his head: but these are come to fray them, to cast out the horns of the **Gentiles**, which lifted up their horn over the land of Judah to **scatter it**.

You see the Gentile the spirit of Babylon is the controller. He can tell you how to think. Now how is it that he has been in control for the past 2000 years? Because he understands power is knowledge.

This word RUDDY is a perfect example. He impowers himself by saying he is the chosen people. Now look at this word Ruddy combined with the name DAWID. Now you can only understand this word DAWID when you take it to the root.

Now here is how this is done.

Go to the strongs concordances find the Hebrew numbers in the back of the book. Now search for the numbers and the words that are connected to the word DAWEED. When you look at all of the words that are below the word DAWEED and above the word DAWEED you begin to see a story develop.

For example the word Dawid is number 1732. This number is connected to numbers 1730 and 1731. This is because the root of the name lives in these numbers. Now take a look at Number 1730 which means: to boil, to Love, lover – love token, friend, be loved, also fathers brother's uncle, love. Now look at Number 1731 which means: A pot for boiling, Basket, Caldron Keettle. Okay now these are the words above 1732. **So now look at the words below 1732** and see what they mean. Number 1733: Aunt, Fathers sister, or uncles wife. Number 1734: loving. Number 1735 Love of YAH or AHYAH, Okay now here is where it gets interesting! Take a look at Number 1736, 1736 tells us to reference 1731 which reads “a boiling, or a basket” then 1736 continues with the words “**MAN-DRAKES**” (a mandrack is an AFRODEIACT), then it uses the word Basket then again man-drake. Now to finish it off we go to 1738 the word is DAVAH: DAVAH is a PRIME ROOT WORD meaning: to be sick as if in MENESTRATION, infirmity. So here we see it is speaking about fertility. Example: Remember how LEAH was able to get YACOB from Rahael for a few MAN DRAKES. After this we read of LEAH becoming pregnant. This means LEAH knew that MAN-DRAKES helped with Fertility.

Now if you were following along you would notice that this word DAWEED is telling a story. If you can comprehend THIS it is profound. The ancient Hebrew was written in a way that even if they corrupt the translation. They could not change the story, because the story is hidden within the Ancient Hebrew Language.

Now look at the Verses that mention the WORD RUDDY and the name DAWEED also keep in mind the word fertility or to be fertile:

1Samuel 16:12 And he sent, and brought him in. Now he was ruddy, and withal of a beautiful countenance, and goodly to look to. And the Lord said, Arise, anoint him: for this is he. Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the Lord came upon DAWEED from that day forward.

1Samuel 17:42 And when the Philistine looked about, and saw DAWID, he despised him: for he was but a youth, and RUDDY, and of a fair countenance.

Now when you see this word you have to think of the word FULL BLOODED or PEDAGREE. Now who was DAWEED? DAWEED was the seed of YAHUDAH of the TRIBE OF YACOB. He was of the seed of ABRAHAM and of the seed of NOAH which is from ADAM the first MAN. The first MAN which had the breath of YAH. Now take you mind to who DAWEED was fighting. He was fighting the seed of the Nephilim. Goliath was of the seed of the Annunaki. You can see that there is a lot more to this story if you know how to look.

Now look at this word RUDDY:

Song of Solomon 5:10 My beloved is white and **ruddy**, the chiefest among ten thousand.

White meaning dazzling attractive, RUDDY meaning ADAM the first man FERTILE like earth ADAM soil, He is the CHIEFEST among ten thousand. Now this poem was a love poem. Think about the content of this poem and listen to how it tells a story. Does it really make sense to say my beloved is white and red faced? Does that sound romantic? No she is saying he is RUDDY ADAM...FERTILE Attractive.

Look at Lamentation 4:7 Her Nazarites were purer than snow, they were whiter than milk, they were more ruddy in body than rubies, their polishing was of sapphire:

To be a NAZARITE is to be dedicated to THE MOST HIGH this is why you see the word **purser than snow**. "they were whiter than milk" Which means they Dazzle again they were attractive. they were more ruddy in body than rubies, Now think about this word RUBIES? When you look this word up in THE ORIGINAL HEBREW you will see the use of the HEBREW character **NUN** which means SEED, or OFF SPRING, or HEIR which means to Continue to have children. So when they speak of rubies they are talking about children. What is more precious than your children? So when they say they were more RUDDY in BODY than RUBIES. They are not talking about some RED ROCKS. They are speaking about being fertile.

If you have children you can understand this verse. Nothing is more precious than your children. Now listen to this again. Her Nazarites were purer than snow, they were whiter than milk, they were more ruddy in body than rubies, their polishing was of sapphire: The word "Polishing" meaning to separate or set apart. How many of you heard of a Peculiar People?

In ending this topic I would like to make a statement. If you feel that the things that I am saying to you is strange then you need to take a second look at the word.

What dose Roman 10:14 Say?

“How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?”

So the question is who are the preachers? Eddy Long, Creflo Dollar, TD Jakes, Jimmy Swagert, Benn Hinn, Oral Roberts? Are these the preachers, Robert Tilton, Joel Osteen, Billy Gram? How many of these men claim to be preachers of The Most High?

So here is the question again. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

The covenant was made to the peculiar treasure of The Most High a chosen people.

As it reads in Exodus 19:5

Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth is mine:

Exoodus 19:6

And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of YACOB.

1Peter 2:9

But ye *are* a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

Now my last point before I get into this broadcast is this. I remember hearing a show where Georgia Johnson of “the biblical hebrews of the bible” was guest. She was explaining to the audience who the peculiar people are. She was teaching that the Hebrews are not a Caucasian people, but an African people. She was doing this by using Lamentations 4:7. Then I heard one of the host of the show make a statement saying that she was reaching because he was taught that Ruddy means red in the face and the word White is referring to a color. He said we are reaching. No Mr gentile we are not **REACHING**, the problem is you are not reaching far enough. I make this statement not out of disrepect, but that fact is we all have been deceived.

30 Minutes Mark Here:

The Torah and the name ISRAEL.

Okay now I would like to expand on what I spoke about a few weeks ago on the name ISRAEL.

Today I will read from the TORAH to be more accurate I would like to read from “The Torah a Modern Commentary of the Union of America Hebrew Congregation”. Now I use this book for those of you who need to hear this from the gentile.

Okay now listen to this. This is a commentary based on the name Israel after Yacob wrestles with the Angel.

READ page 221

Now this is entitled The Struggle:

COMMENTS!!!

Now what if I told you that the name ISRAEL dose not have a ROOT in the Concordances. that the word ISRAEL dose not flow like the WORD DAWEED. To find the root for the word Israel you have to use two words look up the word ISRAEL number 3478 in the Strongs Concordances the root words are 8280 and 410. Now you will notice that the Number 8280 is SAR RAW to prevail or to have power as a prince. The Number 410 EL means: strength mighty, the all mighty, but used as a diety. Goodly , great, god, idol power or strong. This is the word EL number 410.

So what you will find is that the ETOMOLOGY the root of the word ISRAEL dose not fit in the area in which it was placed. The ROOT of the word IS RA EL has two seperate words. Now place this point into to your wisdom and listen very intently as I break this down.

In you strong's concordances you are told to find the name israel you go to number 3478, and right above you will see number 3477 which is the name YASHER meaning the upright. Okay now when you read the reference number 3478 which is the name ISRAEL it tells you, if you want to find the root of this name go to numbers 8280 and 410.

Okay now here is where it get interesting.

When you go to 8280 it reads SARAH which has three Charecters one charecter being the name of YAH, but there is a small problem. The character for YAH is not located in the name ISRAEL. It has been removed. Now this is where you need to pay attention. When you read 8280 SHARAW says To Prevail, Have Power then in brackets (AS A PRINCE) now when you see the brackets this is telling us that the writter of the concordances add this to the meaning. The name ISRAEL means prince, so we have to go to the root of this word. Now the root of this word SAR AH can be found in 8269 **SAR**, now here you will notice the name of YAH was removed. You no longer have the 3 Hebrew Charecters you have only two. Which is the correct translation. So what dose 8269 SAR MEAN? SAR = A Head Person, Captian, Chief, General, Governor, Keeper, LORD, Master, PRINCE, Ruler, Steward. Notice the word prince. Now this word is not added it is a part of the meaning of the word SAR.

Okay now it gets deeper this word is telling us to reference 8323 SAR AR still the same TWO Hebrew Charecters, but a much stronger AR sound, this also tells us that this is a PRIME ROOT meaning this is the ETOMOLGY of the word SAR. 8323 SAR AR = To Have Domination, All together, Make Self a Prince, Rule.

Now like I explained earlier if you want to get a complete meaning of a word you have to read every word that is related to it until it no longer speaks, because every word tells a story. (This is how the Ancient Hebrew works it speaks in parable, **(It is a language of profound wisdom.)**) Okay now the next word is 8324 SHAR AR = this is another PRIME ROOT WORD, but related to the word SAR and this means to be HOSTILE, or ENEMY. Okay now the next word 8325 SHAR AR = HOSTILE,

Next we have 8326 = Shor ER now really pay attention to this one same Hebrew Characters. This word will start to tie it all together. 8326 is telling us to reference the ROOT word 8324 Remember it means "To Be Hostile, or ENEMY" then it tells use the meaning which is to be hostile in the sense of **TWISTING** now pay attention to this word **TWISTING** it is very important. So to be hostile in the sense of TWISTING the umbilical cord. TWISTING the umbilical cord, **(This is the lifeline between the unborn child and it's mother).**

Okay now reference 8327 of the Strongs Concordance start another PRIME ROOT WORD, but it begins another story, so we end the meaning of the word SAR here. Now try to understand the root of the name ISRAEL which is SAR breaks down as the ENEMY, but not just the enemy one that is hostile to the point of twisting the umbilical cord the very link between the mother and her child.

Ohh hold on I am not done yet.

Know let us take a second look at that word EL 410, because if SAR is saying all this. What is the word EL reference 410 saying. Now remember the meaning of the words in the Hebrew Language tell the story. Okay like I said EL is Hebrew Number 410, it has two Characters these characters make up the word EL, now you know what EL means, god, idol strength, power, all mighty, not meaning our all mighty AHYAH, but an idol. Okay 410 tells use to reference 352 which is also EL meaning: Strength, OR Any Thing Strong, A Chief, Also maening **A RAM**, a *pilaster* (as a strong support); an *oak* or other strong tree: - mighty (man), lintel, oak, post, ram, tree. Now two things should stand out. OAK TREE and RAM

Okay where are coming to the end now Numbers 352 tells us to go to numbers 193, Now here is where you really need to dig into your wisdom. 193 has the same Two Hebrew Characters. There is also a another character added to make up the following meaning: *ool* From an unused root meaning **TO TWIST**, that is, (by implication) *be strong*; the *body* (as being *rolled* together) also *powerful*: - mighty, strength.

Okay did anyone catch that? Remember I told you to keep your mind on that word **TWIST**, This word twist is not only speaks about Twisting the umbilical cord, but it represents the OAK TREE, remember the OAK TREE where YACOB hid the idols? Also place you mind on that word RAM. The ram head being the beginning of the ZODIA symbole. Aries the first month of the year. Aries or Ariel the fallen angel also known as SURIEL the one that wrestled with Yacob...SARIEL..ISRAEL. Sariel which is Suriel who is also one of the leaders of the fallen angels Ariel the RAM. Now Ariel is in charge of the phases of the moon the NEW MOON is when he is most powerful. The NEW MOON falls on the SABBATH which we are suppose to follow for our protection. The blood of the RAM on the door post! Power over the RAM which is the angel of death ARIEL or SARIEL

Now are you starting to here the story? If not hold one I have one more thing.

When you search the strong's concordances you go to ISRAEL 3478 and you notice the word above it is Number 3477 the word is **YASHER**. Now I hope all y'all are still following me, because this next point is profound. Number 3477 YASHER means upright, straight, Equity, Righteous, Pleased.

Now go to the name below this word ISRAEL ask the question. How come the name ISRAEL doesn't have the same qualities of YASHER. This is something to think about. Now to close this topic I want to use another witness to prove my point about the name ISRAEL. And guess who is going to teach us? YASHER the upright!

The Book of the Upright The Book of YASHER

Read the Book Of YASHER!

30 Minutes

Okay now who are the Usual Suspects?

Here is a quick list of the Usual suspects I will do a more detailed broadcast about these criminals in the future. For now you should just know that they exist and understand that they have manipulated Scriptures since the Babylonian captivity.

First the Protogenoi = Fallen Angels this is the ROOT.

Then we have the Twelve Olympians which are the Aninak

Now listen to what they say about ZEUS one of the Twelve and head god of the Olympians.

King of the gods and ruler of Mount Olympus; god of the sky and thunder. Youngest child of the Titans Cronus and Rhea. Symbols include the thunderbolt, **eagle, OAK TREE**, scepter and scales. Brother and husband of Hera, although he had many lovers.

So take you mind back to my recent broadcast when I speak about the **OakTree**. Remember Yacob buried his idols and then he buried Deborah under the Oak Tree. Now can you see how the word is telling a deeper story.

So next on tracking down the Usual Suspects.

We have Orphism Religion of the Children of the Fallen Angels

Orphism (more rarely **Orphicism**) ([Ancient Greek](#): Ὀρφικά) is the name given to a set of religious [\[1\]](#) beliefs and practices in the [ancient Greek](#) and the [Hellenistic](#) world, [\[2\]\[3\]\[4\]\[5\]](#) as well as by the [Thracians](#), [\[6\]](#) associated with literature ascribed to the mythical poet [Orpheus](#), who descended into [Hades](#) and returned. Orphics also revered [Persephone](#) (who annually descended into Hades for a season and then returned) and [Dionysus](#) or Bacchus (who also descended into Hades and returned). Orpheus was said to have invented the Mysteries of Dionysus. [\[7\]](#) Poetry containing distinctly Orphic beliefs has been traced back to the [6th century BC](#) [\[8\]](#) or at least [5th century BC](#), and graffiti of the 5th century BC apparently refers to "Orphics". [\[9\]](#)

Pythagoreanism The father of the occult

Pythagoras started a secret society called the Pythagorean brotherhood devoted to the study of mathematics. This had a great effect on future esoteric traditions, such as [Rosicrucianism](#) and [Freemasonry](#), both of which were occult groups dedicated to the study of mathematics and both of which claimed to have evolved out of the Pythagorean brotherhood.[\[citation needed\]](#) The mystical and occult qualities of Pythagorean mathematics are discussed in a chapter of Manly P. Hall's *The Secret Teachings of All Ages* entitled "Pythagorean Mathematics".

Platonism The number two father of the Occult

Pythagoras, or in a broader sense, the Pythagoreans, allegedly exercised an important influence on the work of [Plato](#). According to [R. M. Hare](#), this influence consists of three points: (1) The [platonistic Republic](#) might be related to the idea of "a tightly organized community of like-minded thinkers", like the one established by Pythagoras in Croton. (2) There is evidence that Plato possibly took from Pythagoras the idea that mathematics and, generally speaking, abstract thinking is a secure basis for philosophical thinking as well as "for substantial theses in [science](#) and [morals](#)". (3) Plato and Pythagoras shared a "mystical approach to the [soul](#) and its place in the material world". It is probable that both were influenced by [Orphism](#).[\[71\]](#)

The the Church father

They church fathers like the founding fathers are representatives and the controlling hand that give us our modern day deception. Men like Sir Francis Bacon the core founder of present day Mystery babylon A.K.A the new Atlantis and Men like Manley P Hall thru Masonary have laid the foundation of what we see today. Men like Clement of Alexandria, the founder of the school of Alexandria, and Origen of Alexandria, Eusebius of Caesarea, Philo the Jew, Arius of Alexandria who inspired the Council of Nicea of 325 AD, Ignatius of Antioch, Lucian of Antioch and on and on and on. Men like these have a few things in come. The first is this all of them are graduates of the school of the occult and sponsored by babylon. And the second is that they can trace there knowledge back to PLATOISM created by PLATO then Pythagoreanism which leads back to Pythagoras. Next we trace back to Orphism and of course Babylon, then we find the Children of the fallen angels the Ananaki and the Nephilim and then FALLEN ANGELS.

They live because we sleep.

We sleep because we do not know who we are. And they know once we wake up and call on the proper name of our father AHYAH, YAH, YAHUWAH father of YAHUSHUAH he will here our voice and heal our land. Now I am Sorry the so called jew is not it. The ones that call them selves Christians are not it. The ones that call them selves Muslims of Islam are not it. I say this not to offend. If you are offended at this statement ask your self a question. Is the father listening to you? Dose this world represent him hearing you? Over a Billion Muslims and Over a Billion Christians the JEWS are in the homeland and still this word suffers. They still live because we sleep.

If we want to get back our power first we have to understand where to find that power. We first have to start with unity and we find unity under the PROTECTION of AHYAH. Now one key to this I discovered is in the SABBATH. If I have time I will show you where and how we all can get back to the proper time of the SABBATH. This next section is extremely important if we want to get our power of unity back.

30 Minutes

The Calendar

In my opening you heard me state that today's date according to the Gregorian calendar is December 26th 2010 Sunday. If you download my previous broadcast dated October 10 2010 you will notice that I speak about December being the 10th Month not the 12th Month and October being the 8th Month not the 10th. Now the reason why this is important, is because the word tells us that Babylone will change TIMES and LAWS.

How many of you heard this verse:

Dan 7:25 And he shall speak^{H4449} *great* words^{H4406} against^{H6655} the most High,^{H5943} and shall wear out^{H1080} the saints^{H6922} of the most High,^{H5946} and think^{H5452} to **change**^{H8133} **times**^{H2166} **and laws**.^{H1882} and they shall be given^{H3052} into his hand^{H3028} until^{H5705} a time^{H5732} and ^{H5732} and the dividing^{H6387} of time.^{H5732}

Now if you think about the one whom wrote this verse you will get a deeper understanding. Now I say understanding and not over-standing because in our present ignorant state we can not overstand a dam thing. The moment we puff our selves up to think that we are above wisdom...Say hello to deception!

We can look to Egypt and see when the new moon, first quarter moon, Full moon and last quarter moon, relate to the Hebrews and the SABBATHS. The first thing we have to understand is this. The Sabbath dose not fall on a Saturday, Sunday, Monday, Tuesday, Wednesday or Friday. The SABBATH falls on the 7th day of every month. Now what dose this means? To find this we first have to understand the meaning of this thing called a MONTH. What is a month? Is a month September, October, November, December? Or are these months given to us by babylon? It is vital to know this point a typical Hebrew month is only 28 days. Now listen carefully. Every 7 days is the SABBATH. 7 days times 4 is 28 days. 28 times 12 is only 336 days, but 28 days times 13 is the perfect number 364. 364 is the perfect year. This is a whole number, not a primary number. A whole number is whole holy which means complete. Now listen to this point. September = 7 which is the seventh moon. October = 8 which is the eight moon. November = 9 which is the ninth moon and December = 10 which is the tenth moon. Remember December is 10, Decimal, Decade are you starting to see the picture? How many of you thought December meant 12 or the 12 moon? If so then you have fallen victim of babylon.

Now here is how to read this correctly. December is 10 therefore January is 11 February is 12 March is 13 and April is the 1 month of the year. Now think about this. What Zodiac sign represents the first moon? Aries, Aries is the RAM. Aries is also Ariel, the first moon the new moon. How many remember the RAM's blood that was placed over the door post in Egypt on the 14th of the first month on the night of the NEW MOON? The first month is the Darkest day of the moon. This is a time when the powers of the occult have the most energy. When Ariel the RAM the angel of death was given permission to KILL the first born. He was to passover all those that had power over the RAM, Which was the blood on the door post. Also think about this The Darkest day of the month also feel on the day our MESSIAH was hung on the tree. Most likely an oaktree. Messiah YAHUSHUAH was killed on the 14th day of the first moon on the NEW MOON. The month of April, Aries, Ariel, SARIEL which is ISRAEL.

Now can you see how all the pieces are coming together? Now if my word make you un easy then lets let the word speak for it's self. But before I start lets hear what Babylon says about the Calendar.

It is called “Has the Calendar been changed?”

The calendar has been changed but it was never changed so as to affect the weekly cycle of days or confuse the days of the week. We can be one hundred percent positive that our seventh day is the same day **Jesus** observed when He was here. **Pope Gregory XIII** was responsible for a calendar change in 1582, but it did not interfere with the weekly cycle. Our present **Gregorian calendar** was named after him when he made that **small change** in 1582.

So what did Pope Gregory XIII do to the calendar? Before 1582 the **Julian calendar** had been in effect instituted by Julius Caesar about **46 B.C.** and named after him. But the Julian calendar had calculated the length of the year as **365 1/4 days**, which was incorrect as the length of a year was actually **eleven minutes** less than 365 1/4 days. Those eleven minutes accumulated, and by 1582 the numbering of the calendar was ten days out of harmony with the **solar system**. Pope Gregory fixed the problem by simply dropping those ten days out of the numbering of the calendar. It was Thursday, October 4, 1582, and the next day, Friday, should have been October 5. But Gregory made it **October 15** instead, dropping exactly ten days to bring the calendar back into harmony with the **heavenly bodies**. Were the days of the week confused? No. Friday still followed Thursday, and Saturday still followed Friday etc. The same seventh day remained and the weekly cycle was not disturbed in the least. When we keep the seventh day on Saturday, we observe the same day Jesus kept, and **Luke 4:16** tells us **Jesus** did this every week.”

Lets Break this Down:

Okay now first when you see the name jesus, as a Hebrew your radar should go on. The name jesus and Yahushuah are not one and the same. Notice the reverence given to Pope Gregory XIII how many of us knowing what we know about the Popes would send our boys to a catholic church these days? To top it off this change was during the reformation and the protest. Notice Juilian calendar of 46 BC. Even the Julian calender of 46 BC is a changed calendar. Also notice the occult number 11 11 menutes off. How did the church used the Solor System to correct the calendar in 1582? So If they where this knowledgable about the heavenly bodies or the spears in the heavens then why do they tell us about the flay earth myth. If you want a real eye opening read about Galileo. The reason why he was placed in prison was not because of that flat earth myth, but because of a power struggle within the occult.

Now notice how they try to use the book of Luke to seal there point:

“When we keep the seventh day on Saturday, we observe the same day Jesus kept, and **Luke 4:16** tells us **Jesus** did this every week.”

But when we read LUKE 4:16 it leads us to The Book Of ISAIAH

Now listen to this:

Isaiah 59: 19 - 21

So shall they fear the name of the The Most High from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the Most High YAH shall lift up a standard against him. And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the AHYAH. As for me, this is my covenant with them, saith the AHYAH; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the MOST HIGH, from henceforth

and for ever.

This first place to look in the word is with the Prophet Daniel.

Now remember Daniel was taken into bable. He was made head interpreter under King Nebuchadnezzar. When you read thru history you will learn that Daniel was trained for years in the schools of bable to interpret dreams. The fact is Daniel's knowledge did NOT COME FROM THE SCHOOL OF BABLE! It came from AHYAH. If you recall the other allummi who could not interpret the dream were so jealous that they thru Daniel into the lions den. I bring this up because this school of babylon is very important to this message. Now let us look at Daniel 7:

Dan 7:25 And he shall speak^{H4449} *great* words^{H4406} against^{H6655} the most High,^{H5943} and shall wear out^{H1080} the saints^{H6922} of the most High,^{H5946} and think^{H5452} to **change**^{H8133} **times**^{H2166} **and laws**.^{H1882} and they shall be given^{H3052} into his hand^{H3028} until^{H5705} a time^{H5732} and ^{H5732} and the dividing^{H6387} of time.^{H5732}

I want my Hebrew audience to pay close attention to this part. This is probably the most important part of this message: Now what does this mean to Change **TIMES** and **LAWS**?

Remember the covenant where it says:

“Remember the SABBATH day and keep it HOLY.”

How can we remember the SABBATH DAY if they keep change the calendars?

Dan 7:25 And he shall speak^{H4449} *great* words^{H4406} against^{H6655} the most High,^{H5943} and shall wear out^{H1080} the saints^{H6922} of the most High,^{H5946} and think^{H5452} to **change**^{H8133} **times**^{H2166} **and laws**.^{H1882} and they shall be given^{H3052} into his hand^{H3028} until^{H5705} a time^{H5732} and ^{H5732} and the dividing^{H6387} of time.^{H5732}

Okay now here are a few points. Daniel the prophet was taken into captivity as a child. His name was changed from Daniel to Belteshazzar. The point to comprehend is this, the name Daniel is Greek conflation. The name meaning “Judge of the Mighty One (EL)” EL meaning “Mighty Spirit Being, this being is not The Most High, it is not AHYAH” This name Daniel was changed to “Belteshazzar” and what does Belteshazzar mean? **“Prince Of BEL”** spelled B.E.L. Another point to think about is this. If the name Daniel is a Greek conflation, then what was Daniel's Hebrew name? And if EL is a mighty spirit and if Belteshazzar represents BAAL, then what is the author trying to tell us about these names?

First what is the meaning of the name BEL?

“BEL or Ba'al (Biblical Hebrew לַבַּל, pronounced ['baʕal], also spelled Baal in English) is a Northwest Semitic title and honorific meaning **“master, lord, possessor, inhabitant, controller”** that is used for various gods who were patrons of cities in the Levant, cognate to Akkadian Bēlu. A Baalist or Baalite means a worshipper of Baal.

“Ba'al” can refer to any god and even to human officials; in some texts it is used as a substitute for Hadad, a god of the rain, thunder, fertility and agriculture, and the lord of Heaven. **Since only priests were allowed to utter his divine name, Hadad, Ba'al was commonly used. Nevertheless, few if any**

Biblical uses of "Ba'al" refer to Hadad, the lord over the assembly of gods on the holy mount of Heaven, but rather refer to any number of local spirit-deities worshipped as cult images, each called ba'al and regarded in the Hebrew Bible in that context as a false god."

Okay now did you catch that? HADAD. Hadad's name was so holy that "*only the priest could speak it.*" Now dose this aound familiar? Hadad was one of these gods that came from the Sumerians and then to the Akkadians. The Akkadians then influenced the Cannanites at this time they where called the Ugarit some call them the Phoenicians. The Ugarit which are the Cannanites had influence on the Hebrews. The gods of the Ugarit was usurped by babylonian and then conflated meaning mixed with the history of the house of YAKOB during the babylonian captivity.

Okay now lets see when the Hebrew Calender was changed:

Here is a some research material and a few facts:

1 The Calender was changed in 1582 then in 46 BC and why back in babylon 449 BC.

2 The **Babylonian calendar** was a [lunisolar calendar](#) with years consisting of 12 [lunar months](#), each beginning when a new [crescent moon](#)

3 The calendar is based on the Sumerian calender.

It was around the [fifth century BC](#) when the calendar was fully observational, beginning about [499 BC](#) the months began to be regulated by a [lunisolar](#) cycle.

NOW AS YOUSELF A QUESTION:

Is BAAL changing Times and Laws? Now notice the change started in 500 BC. Daniel was taken into captivity around 600 BC 100 years or so prior. So here is the begging of the fullfilment of Daniel 7. Also think about this the Gregorian Calendar is based on 46 BC Roman Calender the Roman Calendar is base on the 499BC babalonian calender.

Now keep this fact in your mind as I read this final point.

And it reads:

Counting from the [new moon](#), the Babylonians celebrated every seventh day as a "holy-day", also called an "evil day" (meaning "unsuitable" for prohibited activities). On these days officials were prohibited from various activities and common men were forbidden to "make a wish", and at least the 28th was known as a "rest-day". On each of them, offerings were made to a different god and goddess, apparently at **nightfall** to avoid the prohibitions: [Merodach](#) and [Ishtar](#) on the **7th**, [Ninlil](#) and [Nergal](#) on the **14th**, [Sin](#) and [Shamash](#) on the **21st**, and [Enki](#) and [Mah](#) on the **28th**. Tablets from the sixth-century B.C. reigns of [Cyrus the Great](#) and [Cambyses](#) indicate these dates were sometimes approximate. The [lunation](#) of 29 or 30 days basically contained three [seven-day weeks](#), and a final week of nine or ten days inclusive, breaking the continuous seven-day cycle.[1]

Okay now did you hear the word **Holy Days** and **Evil Days** if you pay attention you can see how the Babylonians started mixing and changing the meanings of the days. Look at the **7, 14, 21, 28** now notice these days align with the Hebrew SABBATH days. Now is not that convenient the Babylonians had the same Holy Days as the Hebrews.

**So what was the 4th Commandment of our Covenant Again?
“Remember the SABBATH day and keep it HOLY.”**

Okay now here is my final point:

I found this when I was looking for the meaning of the word ADAR

AND IT READS:

1 Adar - (1313 BCE) - Plague of Darkness

The ninth plague to be cast upon the Egyptians for their refusal to release the Israelites from slavery was a thick darkness across the entire land so "no man saw his fellow, and no man could move from his place" (Exodus 10:23). This started on the 1st of Adar, six weeks before the Exodus.

Okay now from this explanation of the Plague of Darkness they tell us that it took SIX weeks for the Hebrews to free from bondage. SIX WEEK really? No not six weeks try with in 24 hours and we find this from there lies: Okay Now from this lie they are telling us to research exodus 10:23

And it Reads:

Exodus 10 21 - 23

And the YAHUWAH said unto Moses, Stretch out thine hand toward heaven, that there may be darkness over the land of Egypt, even darkness which may be felt. And Moses stretched forth his hand toward heaven; and there was a **thick darkness in all the land of Egypt three days**: They saw not one another, neither rose any from his place for three days: but all the children of Israel had light in their dwellings.

Exodus 11 4 - 6

And Moses said, Thus saith the YAHUWAH, **About midnight** will I go out into the midst of Egypt: And all the firstborn in the land of Egypt shall die, from the firstborn of Pharaoh that sitteth upon his throne, even unto the firstborn of the maidservant that is behind the mill; and all the firstborn of beasts. And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more.

Now pay attention to the **three days of darkness** and count backwards. You will discover that this lines up with the darkest day of the month which is the NEW MOON. The NEW MOON of the first month falls at the end of 14th day and in the beginning of the 15th day. If you recall YAHUWAH says

“And Moses said, Thus saith the YAHUWAH, **About midnight** will I go out into the midst of Egypt: And all the firstborn in the land of Egypt shall die,” So when is midnight 12:am a new day. The 15th of the first month of the year.

Now listen to Exodus 12 : 40 - 41

Now see if you can spot Conflation meaning the writings of Babylon:

Now the sojourning of the children of **Israel**, who dwelt in **Egypt**, was **four hundred and thirty years**. And it came to pass at the end of the **four hundred and thirty years**, even the selfsame day it came to pass, that all the hosts of the **LORD** went out from the land of **Egypt**.

Okay now Hebrews here is when your radar should go on.

Now knowing what you know about who you are. Did you hear something strange from these verses? If you feel un-easy from my words then I want you to think about this. Identifying conflation which is bable or confusion, is not questioning the WORD of the Most High. Identifying conflation is doing what you have promised to do. What was your covenant? You are a peculiar people. You are Priest of the Most High. Now If you did not translate your fathers WORD then who did? Who translated our father words from Hebrew to Aramaic to Babalonian Hebrew to Greek to Latin to English? Do you know? If not then you better get wise on how to read between the lines. Now as I said from this verses:

Exodus 12 : 40 - 41

Now the sojourning of the children of **Israel**, who dwelt in **Egypt**, was **four hundred and thirty years**. And it came to pass at the end of the **four hundred and thirty years**, even the self same day it came to pass, that all the hosts of the **LORD** went out from the land of **Egypt**.

Okay peculiar people priest of the Most High here is your first lesson.

Egypt should be Mizraim because Egypt means bondage Mizraim was the son of Cush.
Four Hundred Years is a lie because the house of Yakob did not live in Mizraim that long.
The word LORD should be AHYAH because anything less is taking our father name in vain.
ISRAEL should be the House of Yacob because you now know Yacob did not wrestle with YAH.

Now I hope time permits because I have another witness that will confirm this name ISRAEL. Now I want to be clear to everyone. It's not the name ISRAEL that makes the Hebrews the chosen of AHYAH it's the covenant with Yacob and Abraham.

So remember we are going thru this to find the SABBATH the 4th Commandment of our Covenant? "Remember the SABBATH day and keep it HOLY."

Okay now here is what it says in the book of Yasher. This will give insight into the 430 year captivity lie and let us know when is the SABBATH. This chapter speaks about Mosheh and the House of Yacob on the day they leave Mitzram. The house of bondage which is Egypt.

Now Yasher is a good resource, but it also suffers from the Anglo translation, but when you start piecing all of this together it begins to reveal the truth.

And it reads:

Book Of Yasher chapter 81 Verses 1 - 7

And the children of **Israel** journeyed from Rameses to Succoth, about six hundred thousand men on foot, besides the little ones and their wives. Also a mixed multitude went up with them, and flocks and herds, even much cattle. And the sojourning of the **children of Israel**, who dwelt in the land of Egypt in hard labor, was **two hundred and ten years**. And at the end of **two hundred and ten years**, the **Lord** brought forth the **children of Israel** from Egypt with a strong hand. And the children of Israel traveled from Egypt and from Goshen and from Rameses, and encamped in Succoth on the **fifteenth day of the first month**. And the Egyptians buried all their first born whom the **Lord** had smitten, and all the Egyptians buried their slain for three days. And the children of Israel traveled from Succoth and encamped in Ethom, at the end of the wilderness.

Now I know you noticed the 210 years. That is 220 years less than what is told in Genesis 12. So why is

this? How are they off 430 years? Because the people of the covenant did not translate their own history. Now listen to this part. “And the children of Israel traveled from Egypt and from Goshen and from Rameses, and encamped in Succoth **on the fifteenth day of the first month.**” So what this is saying is that on the night of the 14th the Most High will passover those that followed the instructions given to Moses and Aron. Okay now here is something else to add to this. When you understand that time has been tampered with to confuse us about the SABBATH things start to become clearer.

It is very important for the Hebrews of the House of Jacob to understand, before the corruption of Babylon we followed 13 months not 12. Our calendar had 364 days in a year not 365. There are 28 days in a month not 30 or 31. Our Sabbaths fell on the 7, 14, 21 and 28th day of each month which is every seven days not Saturday or Sunday. The Sabbath means every SEVENTH DAY.

Think about it. What is Sunday? What is Saturday? Not when is Sunday or Saturday, but what.

Here is a simple practice to see if I am talking crazy. Find a calendar. Take away the month of February. Then take the remaining 11 months subtract 28 days from each month. Then add up the remaining days. If you do this you will find an extra month of 29 days. You can also try this take 28 days and multiply it by 13 you will get 364 days a perfect year. A whole number 364 not prime number 365. That is 13 months which is 4 SABBATHS every 28 days. The 14th day being the middle of the month and the 28th day being the end of the month. Now think back on Exodus 11 the darkest time of the month was on the 14th the same night as the passover which falls on the New Moon the darkest time of a 28th day Month. Now listen to this **Luke 23 44 – 46** And it was about the sixth hour, and there was a darkness over all the earth until the ninth hour. And the sun was darkened, and the veil of the temple was rent in the midst. And when YAHUSHUA had cried with a loud voice, he said, Father, into thy hands I commend my spirit: and having said thus, he gave up the ghost. Now why did I bring this up? Because this day also fell on the passover. The First month on the 14th day which is the new moon the DARKEST day of the month. Just like when we were free from captivity there was Darkness, the same thing occurred with YAHUSHUAH.

Now here is on last witness to confirm the LAW of the SABBATH.

Book of Enoch:

Now when you hear that word LAW think about Daniel 7 he will change Time and Laws

Chapter 75: Verses 1 and 2

And after this law I saw another **law** dealing with the smaller luminary, which is named the Moon. And her circumference is like the circumference of the heaven, and her chariot in which she rides is driven by the wind, and light is given to her in (definite) measure. And her rising and setting change every month:

Chapter 74: Verses 1 – 4

And I saw another course, a **law** for her, (and) how according to that **law** she performs her monthly revolution. And all these Uriel, the holy angel who is the leader of them all, showed to me, and their positions, and I wrote down their positions as he showed them to me, and I wrote down their months as they were, and the appearance of their **lights till fifteen days** were accomplished. In single seventh parts she accomplishes all her light in the east, and in single seventh parts accomplishes all her darkness in the west. Notice how half the month ends after 14 days.

And from Verses 12

And the sun and the stars bring in all the years **exactly**, so that they do not advance or delay their

position by a single day unto eternity; but complete the years with perfect justice in **364 days**.

Here notice how the book of Enoch states that 364 days is perfect Justice.

So when is the SABBATH every seven days of all the 13 months. Beginning with the perfect moon a full moon between the Months of March and April.
