Where have I been?

Opening:

First let me give a quick description of the three major religions that control this planet and then discuss the common thread that holds them all together. (This can be found from a few websites called Answer.com, Wikipedia.com or Dictionary.com).

First what is Judaism? Definition:

“The religion of the Jews, characterized by: (1) its monotheism; (2) its belief in a special covenant with God making it his ‘chosen people’; (3) ethnic and territorial identity (the ‘promised land’); (4) specific laws and practices; and (5) Messianism. 2: a religion developed among the ancient Hebrews and characterized by belief in one transcendent God who has revealed himself to Abraham, Moses, and the Hebrew prophets and by a religious life in accordance with Scriptures and rabbinic traditions

Judaism was the first purely monotheistic religion, where belief in the one God replaced the pantheon of gods believed in by the peoples of the ancient world, up to and including the **Greeks** and the **Romans**. Judaism is also the "**mother**" of two other world religions, **Christianity** and **Islam**. Conformity to Jewish **rites**, **ceremonies**, and **practices**, the **cultural**, **social**, and **religious beliefs** and practices of the Jews, the whole body of Jews : the **Jewish people** “

Now keep that word RELIGIOUS in your mind.

The second Religion is Christianity? Definition:

“Major world religion which arose out of **Judaism**. Christians believe that Jesus of Nazareth (first cent. CE) fulfilled the prophetic predictions of the Hebrew Bible as the Christ, a Greek term which translates the Hebrew Mashi'ah (literally, the anointed; figuratively, savior, Messiah). As portrayed in the New Testament, Jesus was the son of Mary, a **Jewish virgin** whose miraculous conception of Jesus was caused by the Holy Spirit. Jesus attracted a number of Jewish followers (apostles) with his preaching, which called for repentance in anticipation of the long-awaited "Kingdom of Heaven." All the first Christians were **Jewish followers of Jesus** who believed that he had risen from the dead and would **imminently return**..... Under the influence of **Paul of Tarsus(Who was a Benjamite...please download and listen to The Seed Of Benjamin.)** (a Jew who was originally an opponent of Christianity), the new religion expanded to include **Gentiles** who considered themselves free of the obligation to observe the commandments.”

“The religion derived from Jesus Christ, based on the Bible as sacred scripture, and professed by Eastern, Roman Catholic, and Protestant bodies”

And Very Important Point: The first known use of the word Christianity 14th century.
Now here is a Question: So what were the Christians called prior to the 14th Century?

According to the Talmud:

“the Talmudic term for Christians in Hebrew is Notzrim ("Nazarenes")”

According to the Arabic sources:

“In Arabic-speaking cultures, two words are commonly used for Christians: Nasrani (نصراني), plural "Nasara" Another Arabic word sometimes used for Christians, particularly in a political context, is Salibi which means (صليبي "Crusader")”

According to the Syrians sources:

“The Syriac term Nasrani (Nazarene) has also been attached to the Saint Thomas Christians of Kerala, India. The Syriac (Aramaic); **Masihi** (مسيحي) means followers of the Messiah”

Okay so we have Notzrim, Nasrani, Nasara, Salibi when being politically correct means CRUSADERS and Masihi which means Messiah. So...were they called the Messiahs?

Now lets look deeper This is taken from Wikipedia:

Nazareth:

“Nazareth, Natzrat or Natzeret; **Arabic:** an-Nāṣira or an-Nasariyye) is the largest city in the North District of Israel. Nazareth is known as "the Arab capital of Israel”

Etymology:

“Nazareth is not mentioned in pre-Christian texts and appears in many different Greek forms in the New Testament. **Now keep that in mind many GREEK FORMS do not over look this.**

And it reads: There is no consensus regarding the origin of the name. One conjecture holds

that "Nazareth" is derived from one of the Hebrew words for '**branch**', namely ne·ṣer, נֶצֶר, and alludes to the prophetic, messianic words in Book of Isaiah 11:1” (Now we a getting so where)

Isayah 11:1

“And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots: And the spirit of The Most High shall rest upon him, the spirit of **wisdom** and **understanding**, the spirit of **counsel** and **might**, the spirit of **knowledge** and of the **fear** of **AHYAH all praise**; And shall make him of quick **understanding** in the fear of The Most High: and he shall not judge after the sight of his **eyes**, neither reprove after the hearing of his **ears**: But with **righteousness** shall he judge the poor, and reprove with equity for the **meek** of the earth: and he shall smite the earth with the **rod of his mouth**, and with the **breath of his lips** shall he slay the wicked. “

Now I have a Question: If you understand the truth behind Christianity. Who in this book is The Most High speaking of? Is it Jesus Christ of 33AD or the Council of Nicaea 324 AD?

“And there shall come forth a rod out of the **stem** of **Jesse**, and a Branch shall grow out of his roots.”

Now we where taught that Jesse means the line that King David was from so the must be speaking about Jesus. But have you really looked at this word Jesse? Because it is a word not a name. And it is a verb not a noun.

Yishay:H3426

Perhaps from an unused root meaning to stand out, or exist; entity; used adverbially or as a copula for the substantive verb. Okay now the root of this word is (H1961) and 1961 means AHYAH So this word is a Verb: to be, as may suit the connection): - (there) are, (he, it, shall, there, there may, there shall, there should) be, thou do.

Now I think you get the point, This word is not a **name** but a VERB meaning to take action to be what AHYAH has created you to **BE**. How do we know? Because the root of that word is **H1961** which spell A H Y A H AHYAH (all praise) So what dose this mean? Well listen with new ears and the heart of a lion.

“And there shall come forth a rod out of the stem of Jesse, (**meaning there will be those that have the spirit of AHYAH whom are willing to stand**) and a Branch shall grow out of his roots: And the spirit of The Most High shall rest upon them, the spirit of **wisdom** and **understanding**, the spirit of **counsel** and **might**, the spirit of **knowledge** and of the **fear** of **AHYAH all praise**; And shall make them of quick **understanding** in the fear of The Most High: and they shall not judge after the sight of their **eyes**, neither reprove after the hearing of their **ears**: But with **righteousness** shall they judge the poor, and reprove with equity for the **meek** of the earth: and they shall smite the earth with the **rod of their mouth**, and with the **breath of their lips** shall they slay the wicked. “

Now do you think those that translated the King James were trying to hide something? Now keep in mind what they did. They changed the word **Yishay meaning to stand out or set Apart Be** into a noun a passive object, none active. And in doing so they passed on the power to them selves...Think about it. How do you think the Catholic church became so powerful?

**Okay lets go deeper “and a Branch shall grow out of the his roots:”
Lets look at this word Branch**

H5341 nâtsar A primitive root; to guard, in a good sense (to protect, maintain, obey, etc.) or a bad one (to conceal, etc.): - besieged, hidden thing, keep (-er, -ing), monument, observe, preserve (-r), subtil, watcher (-man).

Now what dose this mean in the Ancient Original Hebrew?

Natsar – Na Nun = Heir, Continue and Son and the symbol SEED which is sperm.

Natsar – Tsa Tsade = Wait, Chase, Snare, Hunt and the symbol MAN on his side.

Natsar – R = First, Top, beginning and the symbol HEAD of a man.

So lets break this down: The root of the Seed of Yacob of the First man Adam the man that AHYAH (all praise) breathed the breath of life his spirit into. His seed will be the ones that will Hunt Down, Chase Down Wait and Snare the off spring of the wicked.

Natsar – The preserved ones.

Now here is the meaning of the word Branch from Isayah 11

From H5342: in the sense of greenness as a striking color; a shoot; figuratively, a descendant: - branch. **Okay now think about this word. Natsar a new green fresh Branch from the root.**

Now listen to Judges 13:

“Judeg 13:5 For, lo, thou shalt conceive, and bear a son; and no razor shall come on his head: for the child shall be a **Nazarite** unto **AHYAH (all praise)** from the womb: and he shall begin to deliver Yacob out of the hand of the Philistines. Then the woman came and told her husband, saying, A man of The Most High came unto me, and his countenance was like the countenance of the spirit of **AHYAH (all praise)**, very terrible: but I asked him not whence he was, neither told he me his name: But he said unto me, Behold, thou shalt conceive, and bear a son; and now drink no wine nor strong drink, neither eat any unclean thing: for the child shall be a **Nazarite** to **AHYAH (all praise)** from the womb to the day of his death.” **Once again what did the Catholic Church do with your power?**

Now listen to this word Nazarite from the Strongs **H5144**; naw-zeer' **separate**, that is, consecrated (as prince, a Nazirite); hence (figuratively from the latter) an unpruned vine (like an unshorn Nazirite).

Okay now this is what they had to throw in here just in-case people woke up (The translation, Nazarite, is by a false alliteration with Nazareth.): - Nazarite [by a false alliteration with

Nazareth], separate (-d), vine undressed [by a false alliteration with Nazareth]???? Alliteration: “the use of the same consonant (**consonantal alliteration**) or of a vowel, not necessarily the same vowel **So they are saying even though they sound the same the words are not the same.** Why because? Because they are trying to hide something.

Okay lets break this down in the Original Hebrew Characters:

Naw-zeer - Na Nun = Heir, Continue and Son and the symbol **SEED** which is sperm.

Naw-zeer- W = Add, Secure, Hook and the symbol **Tent Peg** which mean security.

Naw -zeer - Y= Work, Throw, Worship and the symbol the **Right Arm** meaning strength.

Naw -zeer - Zeer = First, Top, Begging and the symbol The **Head** of a MAN.

So lets break this down: Nawzeer: The root of the Seed of Yacob of the First man Adam the man that AHYAH (all praise) breathed the breath of life his spirit into. This seed will AHYAH Secure he will Add him to his spirit, Hook guide and lead him, with Power and Strength, by the right hand of AHYAH (all praise). As long as we Worship meaning keep the covenant we made with The Most High. He will Throw down our enemies. But we must Work to keep him in our heart and he will do his mighty WORK thru US...All Praise AHYAH.

Nawzeer: Think of this word as the Sword and Shield of The Most High Nawzeer

“**Judeg 13:5** For, lo, thou shalt conceive, and bear a son; and no razor shall come on his head: for the child shall be a **Nazarite** unto **AHYAH (all praise)** from the womb: and he shall begin to deliver Yacob out of the hand of the Philistines. Then the woman came and told her husband, saying, A man of The Most High came unto me, and his countenance was like the countenance of an angel of **AHYAH (all praise)** , very terrible: but I asked him not whence he was, neither told he me his name: But he said unto me, Behold, thou shalt conceive, and bear a son; and now drink no wine nor strong drink, neither eat any unclean thing: for the child shall be a **Nazarite** to **AHYAH (all praise)** from the womb to the day of his death.”

H5144; naw-zeer' **separate**, that is, **consecrated**; hence an unpruned vine.

Consecrated: Definition to make or declare sacred; set apart or dedicate to **the** service of a **Spirit. Nawzeer**

Okay now think about this

Natsar: The preserved ones from the ROOT of Adam to Yacob the one Branch.

Naw-zeer: Separate, that is, consecrated; hence an **unpruned** vine.

Okay now Hebrews listen: They are trying to hide who you are. The Branch **Nawzeer** set apart. Just like the one they called The Teacher Of Righteousness from the **160 BC**. The last Hebrew Leader of the **Hashmonayim** Dynasty. The one they turned into Jesus Christ After the **33AD** Solar Eclipse.

Now for a better understanding of this you should listen to **Rise of the Black Messiah Pawns**

and Rebels. You will hear how the last true line of the Original Hebrews of the seed of Yacob were Usurped by the Greeks and how the Greeks were usurped by the Romans and the Edomites which are the Amalikites.

Okay now that was a very long explanation of Christianity. I advise you to download this listen it again read the transcript and do your research. Okay now I have on last thing to leave you with before we move onto the 3rd religion . There are people on this planet that play us like fools. They know most of us are asleep so they can throw things in-front of our face, and we let them pass us by. And here is one of them. This word *Nazirite* comes from the Anglo German branch of Usurper Judaism. Now the Strong's Hebrew form of the word Nawzeer is spelled **Nawzeer. Okay now see how the AshkNAZI JEWS spell Nawzeer, it is spelled NAZIRITE** now lets split the words in to, NAZI RITE can you see it? Just like there name Ashk NAZI we see the word for Jews Priest is NAZI RITE. Now do you think this is a Coincidence? Or is someone trying to tell us something. Why are they obsessed with this word NAZI?

30 Minutes Mark

Now the 3rd and final Religion is called Islam. So what is Islam? Definition:

“A monotheistic religion characterized by the acceptance of the doctrine of submission to God and to Muhammad as the chief and last prophet of God.

System of beliefs and rituals based on the Koran. It is a monotheistic religion, founded by Muhammad in the seventh century. The term *Islam* is derived from the Arabic verb *aslama* ("submit"), and *muslim* means "one who has submitted," in the sense of acknowledging or admitting the truth and/or existence of something---in this case, the one God and the mission of Muhammad. In its barest outline, the creed consists of the declaration: "There is no god but God (*Allah*) and Muhammad is His prophet."

And it reads:

"religious system revealed by Muhammad," 1818, from Arabic, lit. "submission" (to the will of God), from root of as-lama "he resigned, he surrendered, he submitted," causative conjunction of salima "he was safe," and related to salam "peace." Islamic is attested from 1791. Earlier Eng. names for the faith include Muhammadism (1614) and Ismaelism (1604), which in part is from Ishmaelite, a name formerly given (esp. by Jews) to Arabs, as descendants of Ishmael (q.v.), and in part from Arabic Ismailiy, name of the Shiite sect that after 765 C.E. followed the Imamship through descendants of Ismail (Arabic for Ishmael), “**eldest son of Jafar, the sixth Imam. The Ismailians were not numerous, but among them were the powerful Fatimid dynasty in Egypt and the Assassins, both of whom loomed large in European imagination**”

Okay now this is the part of the broadcast that you should start recording if you have not already. Also grab a piece of paper and something to write with if you can. Now I can not overstate the importance of **recording** this information. I can not overstate the importance of **understanding** this information. I can not overstate the importance of **researching** this information.

I am going to read the last part of the definition of the meaning of the word Islam again. And I want you to remember what I say because it is **KEY** to the point of this broadcast.

And it reads:

" Islamic is attested from 1791. Earlier Eng. names for the faith include Muhammadism (1614) and Ishmaelism (1604), which in part is from **Ishmaelite**, a name formerly given (esp. by Jews) to Arabs, as descendants of **Ishmael** (q.v.), and in part from **Arabic Ismailiy**, name of the **Shiite sect that after 765 C.E. followed the Imamship through descendants of Ismail (Arabic for Ishmael)**, “eldest son of **Jafar, the sixth Imam. The Ismailians were not numerous, but among them were the powerful Fatimid dynasty in Egypt and the Assassins, both of whom loomed large in European imagination**” (Like I said keep this in your mind)

Okay now I am going to read the definition of the word religion.

Religion:

“a set of beliefs concerning the cause, nature, and purpose of the universe, especially when considered as the creation of a superhuman agency or agencies, usually involving devotional and ritual observances, and often containing a moral code governing the conduct of human affairs.”

Origin of this word religion:

1150–1200; Middle English religioun (stem of religiō) **conscientiousness**, piety, equivalent to relig (āre) **to tie, fasten** (re- re- + ligāre **to bind, tie**; compare ligament) + -iōn- -ion; compare rely

Religion "respect for what is sacred, **reverence for the gods**,"[5] "**obligation, the bond between man and the gods**"[6]) is derived from the Latin religiō, the ultimate origins of which are obscure. One possibility is derivation from a reduplicated *le-ligare, an interpretation traced to Cicero connecting lego "**read**", i.e. re (again) + lego in the sense of "**choose**", "**go over again**" or "**consider carefully**".

Okay lets break this down:

“Religion a conscientiousness choice or obligation to tie, bind, bond or fasten ones self to what is sacred. To show reverence to the gods by creating a bond between man and the gods by choice.” **Okay now how is this done?** “Devotional and **ritual** observances, that often contain a moral code that governs the conduct of human affairs” **Ritual:** An established or prescribed procedure for a religious or other **rite**. Now I wanted to read this to remind you what religion is and also bring your attention to the part of this definition that state: the ultimate origins of the word **religiō** are obscure, but the origins can be traced to **Cicero**.

Okay so who is Cicero?

Marcus Tullius Cicero Born January 3, 106 BC – Died December 7, 43 BC

Anglicized as Tully - was a Roman philosopher, statesman, lawyer, orator, political theorist, consul and constitutionalists. He was an Elite of his time. He was an Ancient Greek philosophy of the Hellenistic period of the Roman Empire. Greek philosophy is the root the core of Western philosophy. The core of Greek Hellenistic philosophy come from men like **Pythagoras, Plato, Aristotle** and developing systems like Pythagoreanism, theosophy, theoretical philosophy and what is called Neoplatonism. All of which are directly connected to a being by the name of Hermes Trismegistus. Now keep this demonic name in your understanding it is vital to this broadcast. **Hermes Trismegistus.**

So this word religion is connected to Cicero and Cicero was the touch bared of Pythagoras, Plato, Aristotle and Hermes and we call the tree major belief systems RELIGION. Very important to understand.

Okay now let me be clear. The Hebrew culture and History was not created to be a religion, but was usurped and through time became THREE. And now I will explain the Third ISLAM.

So first let me start by telling the story. Now because of time we will start with Abram and Ishmael. Abraham meaning Father had a son named Ishmael. (yish-maw-ale' meaning - AHYAH will hear) Yishmâ' ê'l had a wife named HA gar (haw-gawr' now in the Ancient Hebrew charecters her name means - The First to walk with AHYAH – now think about this. HA GAW was the first of the people of Mitzrayim to Walk with AHYAH. She was the daughter and a concubine of the King of Mitzrayim.

Now this brings me to another very important part of our history. Hagar is of the people of Mitzrayim. Here is somthing I decovered about this word Mitzrayim: This is from a Google search: and it read "Mizraim: is the Hebrew name for the land of Egypt, with the dual suffix -āyim, perhaps referring to the "two Egypts": Upper Egypt and Lower Egypt."

Now that the common meaning, but there is more to this name, and like the verb Yishay To Be there is a deeper meaning for this word Mitzrayim.

Here is what I found on a website called Wordnik.com And it reads:

"Mitzrayim, the Hebrew word for Egypt, means "straits," "narrow place," or "blockages."

And, "The Hebrew word for Egypt is Mitzrayim, which translates as "tight spot"."

And, "One meaning of Mitzrayim, the Hebrew word for Egypt, is "narrow places" or "straits.""

And from wikipedea:

It also can mean "boundaries, limits, restrictions" or "narrow place"

And of course we also know that Mitziām means bondage.

Now lets break this out in the Ancient Hebrew Characters. *Mitzrayim:*

First,Top,Begginig \ Chaos, Mighty, Blood \ Wait,Chase,Snare,Hunt \ Work,Throw,Worship

Now think about this **Yismael** and **Hagar** are the first of Abraham to know AHYAH. Where did the go?

Why dose Mitzram mean **Chaos, Mighty, Blood?** Why are words like **Wait, Chase, Snare, Hunt?**

Who is hunting who here? And last when ever we see words like **Work, Throw and Worship** in the

Ancient Hebrew this is letting us know that this has a connection to **AHYAH all praise**, because of this word worship.

Okay now hang in there this will all come together in a moment. now one more definition. The prime root of the word Mitzraim comes from H6696 *tsoor*:

And it Reads:

A primitive root; to *cramp*, that is, *confine* (in many applications, literally and figuratively, formative or hostile): - **adversary**, assault, beset, besiege, **bind** (up), cast, **distress**, fashion, **fortify**, inclose, lay siege, **put up in bags**.

Now lets discover why the Ancient Hebrews used those words.

First,Top,Begginig \ Chaos, Mighty, Blood \ Wait,Chase,Snare,Hunt \ Work,Throw,Worship

First lets read the definition that we found on the internet and put this all together:

And it Reads:

“Mitzrayim, the Hebrew word for Egypt, means “straits,” “narrow place,” or “blockages.” And, “The Hebrew word for Egypt is Mitzrayim, which translates as “tight spot”.” “One meaning of And, Mitzrayim, the Hebrew word for Egypt, is “narrow places” or “straits.”

Now let me be clear it is not the people of Mitzrayim in this instance that are thee adversary or the distressers. Iit's another people. This word Mitzrayim is speaking of events that are sourounding this word. The Most High is tring to tell us something.

The is from the Book Of Genesis:

And Abraham rose up early in the morning, and took bread, and a bottle of water, and gave it unto Hagar, putting it on her shoulder, and the child, and sent her away: and she departed, and wandered in the wilderness of Beersheba. **(Beersheba is in the heart of Israel)** And the water was spent in the bottle, and she cast the child under one of the shrubs. And she went, and sat her down over against him a good way off, as it were a bowshot: for she said, Let me not see the death of the child. And she sat over against him, and lift up her voice, and wept. And YAHUWAH heard the voice of the lad; and the spirit of YAHUWAH called to Hagar out of heaven, and said unto her, What aileth thee, Hagar? fear not; for YAHUWAH hath heard the voice of the lad where he is. **And it Reads:** Arise, lift up the lad, and hold him in thine hand; for I will make him a great nation. And YAHUWAH opened her eyes, and she saw a well of water; and she went, and filled the bottle with water, and gave the lad drink. And YAHUWAH was with the lad; and he grew, and dwelt in the wilderness, and became an **archer. Okay I would like you to take note: this word Archer:** (means to Incess meaning he became fruitfull and multiplied) **Gen 21:21** And he dwelt in the wilderness of **Paran:** and his mother took him a wife out of the land of Egypt.

Okay two points one: Hagar took Ishmael a wife from the land of Egypt. Keep in mind Hagar is a Hamite meaning a black person according to the Talmud, So this Hamite took another Hamite for her son Yishmael. So if this is truth then how would the children of Yishmael look? Well Black according to the Talmud and those that started the Trans Atlantic slave trade right. Okay so if this is the case. Then what happen? Way do the Arabs look more Mongolian then Black? Was Ishmael really the father of the Arabs? If so then what happen? Okay now the second point: **Gen 21:21** And he dwelt in the wilderness of **Paran:** and his mother took him a wife out of the land of Egypt.

Here is a Question? Where is the Wilderness of Paran? **Here is the Answer:** **Paran** is located North of Eilat, South of Syria and West of Jordan. **Now** this is very interesting because there is also a placed called **Arabia Petraea** that is located North of Eilat, South of Syria and the Western of Jordan. This area was called at one time the **Nabataean Kingdom**.

Okay this will all come together. So what do Paran and Arabia Petraea have in common? Well let me read this brief description and lets find out:

”Located between the Sinai Peninsula and the Arabian Peninsula, its northern neighbour was the kingdom of Judea, and its south western neighbour was Ptolemaic Egypt. Its capital was the city of Petra in Jordan. Petra was a wealthy trading town, located at a convergence of several important trade routes. **Nabataean origins** go back to a time when they were nomadic pastoralists in the Negev and the Sinai Peninsula around the 4th century BC.”

”The brief Babylonian captivity of the Hebrews that began in 586 BC opened a minor power vacuum in Judah (prior to the Israelites' return under the Persian King, Cyrus), and as **Edomites** moved into open Judaeen grazing lands, Nabataean inscriptions began to be left in **Edomite** territory.”

”Sela was the ancient capital of Edom; the Nabataeans must have occupied the old Edomite country, and succeeded to its commerce, after the Edomites took advantage of the **Babylonian captivity** to press forward into southern Judaea. This migration, the date of which cannot be determined, also made them masters of the shores of the Gulf of Aqaba and the important harbor of Elath. Here, according to Agatharchides, they became, as wreckers and pirates, very troublesome to the reopened commerce between Egypt and the East.”

Let me explain: The Tribe of Yshmael was already living in this Area Paran way before the birth of Esau. so we are told, but according to the word Mitzrayim something attacked the people. Something distressed the Hebrews of the seed of Yshmael after they settled in the land of Paran. Who? Now let me read the meaning of the name Mitzrayim one more time.

And it Reads:

“Mitzrayim, the Hebrew word for Egypt, means “straits,” “narrow place,” or “blockages.”

And, “The Hebrew word for Egypt is Mitzrayim, which translates as "tight spot".”

And, “One meaning of Mitzrayim, the Hebrew word for Egypt, is “narrow places” or “straits.”

A primitive root **STRONGS 6696**; to *cramp*, that is, *confine* (in many applications, literally and figuratively, formative or hostile): - **adversary**, assault, beset, besiege, **bind** (up), cast, **distress**, fashion, **fortify**, inclose, lay siege, **put up in bags**.

And now the Ancient Hebrew \ Chaos, Mighty, Blood \ Wait, Chase, Snare, Hunt

So who was Waiting , who was Chaseing, who was Snareing and who was Hunting? And dose all this sound familiar? Can someone say Trans Atlantic Slave Trade? Now keep in mind they are speaking about the 5 century BC Babylonian Captivity. Now who do you think was inslaved? Can anyone say Hebrews? And we see Edom enslaving the Hebrews taking advantage finally, just like in the year 1452 AD. Now dose this sound like the characteristics of the beast?

Now here is a quick break down. The Edomites enslaved the seed of Yacob and the seed of Ishmael during the same time. In 586 BC the Hebrews of the seed of Yacob were sent to the **Nabataean Kingdom which is known as Paran or Petra. And who was already there? The Edomites. And what did the Edomites do? They inslaved the Hebrews. And the Hebrews Worked ,to Throw off Edom, by Worshipping or calling upon the name of The Most High. You will start to see a pattern once you understand the message. Now Just like Yahushua of 160 BC and Just the messenger Muhammed of 632 AD we have to call upon AHYAH in 2012. Now what happen after the Hebrews began to call on the name of The Most High?**

And it Reads:

"Here, according to Agatharchides, they became, as wreckers and pirates, very troublesome to the reopened commerce between Egypt and the East, until they were **chastised** by the Ptolemaic rulers of Alexandria. "

Now look at this word **Chastised**: "to discipline, especially by corporal **punishment**. punish, castigate; whip, beat, flog, spank." Now if you recall this is when Greece became powerful and started taking over all of Eastern parts of North Africa. And then Persia fell Egypt fell and most of the Kingdoms fell under Alexandria. They were **Chastised, but they never learn.**

Okay now listen to this from Wikipedia:

"The **Nabataeans** had already some tincture of foreign culture when they first appear in history. That culture was Aramaic; they wrote a letter to Antigonos in Syriac letters, and Aramaic continued to be the language of their coins and inscriptions when the tribe grew into a kingdom, and profited by the decay of the Seleucids to extend its borders northward over the more fertile country east of the Jordan. They occupied Hauran, and in about 85 BC their king **Aretas III** became lord of Damascus and Coele-Syria. Nabataeans became the Arabic name for Aramaeans, whether in Syria or Iraq, a fact which has been incorrectly held to prove that the **Nabataeans** were originally Aramaean immigrants from Babylonia. Proper names on their inscriptions suggest that they were **true Arabs** who had come under Aramaic influence. Starcky identifies the Nabatu of southern Arabia"

Okay did you hear that? The **Nabataeans** might have a connection to the Aramaeans.

Emil Schürer German Protestant theologian 1895:

In 67 BCE, Hyrcanus II ascended to the throne of Judea. Scarcely three months later, his younger brother Aristobulus II incited a rebellion, successfully leading the uprising to overthrow Hyrcanus and take the offices of both King and High Priest. Hyrcanus was confined to Jerusalem, where he would continue to receive revenues of the latter office.[7] However, fearing for his life, he fled to **Petra** and allied himself with **Aretas**, who agreed to support Hyrcanus after receiving the promise of having the **Arabian towns taken by the Hasmoneans** returned to Nabataea by Hyrcanus' chief advisor, Antipater the **Idumaeans**.

Now this is very important to understand. This is speaking about the **Edomites. Idumaeans** is Esau which means that the people called the **Nabataeans are the precursor** to the Arabs. The Arabs are those of [Assyria](#), [Babylonia](#) the Original Sumerians. Sumerians became Assyrians and Assyrians Babylonians to the Nabataeans and now the Idumaeans which is Esau is becoming the Arabs. So okay now what about Yshmael? I thought the Ishmaelites were the Father of the Arabs. Now the question should be how did Yshmael become the father of the Arabs?

60 Minute Mark

The Book Of Obadiah:

”The vision of Obadiah. Thus saith the YAHUWAH concerning Edom; We have heard a rumour from YAHUWAH, and an ambassador is sent among the **heathen**, Arise ye, and let us rise up against her in battle. Behold, I have made thee small among the **heathen**: thou art greatly despised. The pride of thine heart hath deceived thee, thou that dwellest in the **clefts of the rock**, (Now I advice you when you get the chance type in Petra in a google search bar and look at a picture of Petra, see how perfect it matches with what I am talking about)... whose habitation is high; that saith in his heart, Who shall bring me down to the ground? Though thou exalt thyself as the **eagle**, and though thou set thy nest among the **stars**, thence will I bring thee down, saith **AHYAH all praise**. ”

Okay now grab a pen and paper because I want you to write down a few things. After you see it you will know why those of us that are people of color are going thru hell.

Now as you get you pen and paper I want to make a statement:

Esua which is Edom who are the Amalikites have stolen the identity of the Hebrews twice. They are trying to destroy the seed and wipe out the root. Why because we are a reminder of their lie. The Most High AHYAH all praise create the Hebrews with color for a purpose. Now what was the purpose? He wanted the world to identify the ones he gave the message to. This is why they always try to still our identity and why they keep trying to still the message and turn it into a religion. So what is the message? You are hearing it. You are seeing it. You are reading it. You are feeling it. You are living it. And you are understanding it. The message is from The Most High. He communicates on many levels and in many ways. The usurper Arabs, the usurper Jews, the demonic Amalikites, the Greeks of old and new, the Romans of old and new, the Imams, the Popes the Monarchs and Nations all will understand this message. It is not about Money. It's about the Truth. And in that Truth you will learn about The Most High whom is AHYAH all praise.

Okay do you have that pen and paper? Okay write down this:

Hebrew of the seed of Ishmael = Hebrews.

Hebrew of the seed of Yacob = Hebrews.

Hebrew of the seed of Esau = Amalikite, Edomite Jews and Edomite Arabs.

Edomites + Horities = Amalikites. So King Harod Of **Idumaeon** = Amalikite.

Edomites + Greeks = Edomite Jews not Hebrews.

Edomites + Romans = Edomite Jews not Hebrews.

Edomites + Yacobs = Edomite Jews not Hebrews. (Why because the wiped out the color)

Edomites + ISHMAEL = Edomite Arabs (Why because the wiped out the color)

ISHMAEL + Yacob = Original Hebrews and Mitzrayim (Why because they are of the same root).

Book of Genesis 25:12-16:

Now these are the generations of Ishmael, Abraham's son, whom Hagar the Egyptian, Sarah's handmaid, bore unto Abraham. And these are the names of the sons of Ishmael,

by their names, according to their generations: the first-born of Ishmael, **Nebaioth**; and **Kedar**, and Adbeel, and Mibsam, and Mishma, and Dumah, and Massa; **Hadad**, and **Tema**, Jetur, Naphish, and Kedem; these are the **sons of Ishmael**, and these are their names, by their **villages**, and by their encampments; twelve princes according to their **nations**. (NOTE: Number 12 = Hermetic influence)

Now take note the son of Ishmael named **Nebaioth**

Book of Genesis 28:8-9: And Esau saw that the daughters of Canaan pleased not Isaac his father; so

Esau went unto **Ishmael**, and took unto the wives that he had **Mahalath** the daughter of Ishmael, Abraham's son, the sister of **Nebaioth**, to be his wife.

Book of Genesis 36:2-3: Esau took his wives of the daughters of Canaan; Adah the daughter of Elon the Hittite, and Oholibamah the daughter of Anah, the daughter of Zibeon the Hivite, and **Basemath Ishmael's** daughter, sister of **Nebaioth**.

Book of Isaiah 60:7 All the flocks of **Kedar** shall be gathered together unto you, the rams of **Nebaioth** shall minister unto you; they shall come up with acceptance on my altar, and I will glorify my glorious house.

Okay now I read this to bring your attention to what this is telling us. Esau intermarried with Ishmael. Kedar and Nebaioth lived in Petra. So now think about this. With Ishmael and Mitzraim, Esau and Cannan, the Horites and the Amalikites all becoming one people. What do you call these people? According to the Bible Arabs. So we have black skin Arabs, white skin people Arabs, we have very poor Arabs and very rich Arabs all these people living in one place. We also have Dukes of Edom, Serfs, bondmen and free men and this is how societies are create and this is how you create chaos and this how you get order out of chaos. And the Kings of the earth.

Daniel 2:43

”And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. And in the days of these kings shall YAHUWAH of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.”

Intro: to Islam EDIT 10/13/2012

Play steve cokely audio files and give him a moment of silence for respect.

Okay let me explain how this all relates to this broadcast the Two Branches. At the begining of this brodcast I spoke on the three major religions that control this planet. Judaism, Christianity and Islam. I explain that this word religion means to bind, to bond on self to the superhuman agencies that rule this planet thru devotional, rituals observances and often a moral or enmoral code. I am trying to show that **religion is nothing more then an unseen force with a hidden agenda.** We see that men like Cicero a Greek Philosopher of 1st centuray BC help push the concept of Theology which is religion inspired by man like Pythagoras, Plato, Aristotle and Egyptian usurpt Greek Philosophy. We created the present system of **Greek Hellenistic** Neoplatonism which at it's core is a being by the name of **Hermes Trismegestus.** We also see how this religion was used to usurp and confuse the history of the original Hebrew people of scriptures and strip away the power of those that can create a better world.

And final we see how this confusion was also used to serperate these people from there naturally created purpose, by hiding their God from them whom is **AHYAH all praise his name**, and by divid them from themselves. **We** also see how the original Hebrew people are one people whom go by diffrent name like Mitzriam, Yshmael and Yacob of the Hashem Tribe and how these people became **one. One people** thru adversity to express, show, prove, inspire, demonstate and tell the message of The Most High AHYAH all praise to this sick world. And last but not least we see how our enemies whom go by the name of Edomite and Amalikites have pledged and joined themselves to the Enemies of (**AHYAH all praise**) in their hope to avoid destruction. But once the dry bones begin to **HEAR**, and the dry bones begin to **BREATH**, and the dry bones begin to **LIVE**, And the **SINEWS** the deep

tendons start to grow on our bones, and we begin to see the **FLESH** on our bones and AHYAH all praise covers us with **SKIN** and he puts **HIS BREATH HIS SPIRIT** back into **US** and we **begin to know AHAYH all praise once again**. WE will **SHAKE**. WE Will **LIVE** and **WE Will Be ONE BRANCH ONE STICK** in the **HANDS OF AHYAH all praise his name**.

And that is how all this relates to this broadcast called the Two Branches

Muhammed

Now I am going to tell you a story about a man name **Muhammad of the Hashim Tribe of the Quraysh Tribe named after the son of Ishmael the son of Abram**. It's a story about a Hebrews from a Hebrew, and a story without an alternative motive, because I am just trying to get to the **Truth**. And we all know whom the **Truth Is!**

He was from the Banu Hashem Clan his Grandfather refused to worship the idols of Mecca. The Banu Heshem where a light in darkness. They where set apart by AHYAH (all praise). Banu Hashem were of the Quraysh Tribe, but the majority of the Quraysh Tribe was blinded by the Hermetic myth. But the root that dwelt in Banu Hashim refused to ignore the truth and out of Banu Hashem came Muhammed Peace Be Upon Him the seed of **Ishmael and Hagar** (the first to walk with AHYAH) Hagar a black women of **Mitzriam**. Hagar her name meaning (The First to walk with AHYAH) all praise, was a blessing from The Most High the mother of the truth that came from her womb. Hagar (the first to walk with AHYAH) all praise was before Sarai became Sariah. Let me repeat that. Before Sarai became Sarah Hagar Walked with AHYAH now Open your ears hear the story. Before Abraham I am.

Muhammed Peace Be Upon Him was the first to tell the **Truth** in it's **completed** form. Because the message was **completed** for **all** the world to **see**. He also came from the root of Yishmael and Yishmael was not as white as snow. This is a Hermetic myth to steal the truth. Yshmael meaning (AHYAH will **hear**) was from Abram which means father. He was from Abram before Abram became Abraham. Let me repeat that. He was from Abram before Abram became Abraham. Open your ears this is the story.

Now at the time of Muhammed our brother a Hebrew of the seed of Yshmael of the Tribe of Hashem. In the land of Petra the people there where worshipping idols. The seed of Yacob and the Seed of Yishmael where there. The people of Ham known as Mitzraim called the Egyptian where there. They all had Clans or tribes. The Hebrew tribe was called Hashem Tribe, but we all came from the Qurash Tribe. This caused a problem, because the Edomites and the Amalikites where also there. They lived in the area now called Saudi Arabia. Some of the tribes started to forget about The Most High. Some of the tribes began to marry the Edomite. They started worshipping the gods of Esau at a place called Mecca. And they once again forgot the name of **AHYAH**.

Now let me explain why I keep saying **Muhammed Peace Be Upon Him**. I say this because I want to show respect to those of you who follow the faith of Islam. Now I do not believe in religion. I believe in AHYAH all PRAISE HIS NAME, I do not believe in religion because I am free. Now I still will show respect in the hope that you whom follow Islam will listen. You just like I have been lied to. You are a pawn just like I was. Now if you so not want to be a pawn anymore then listen to this entire broadcast, research everything In say...Whiel you still can. Then do the things I ask you to do once you

understand what I am telling you. You Get Your Power From AHYAH, because AHYAH is in you, you are His creation and AHYAH needs no Religion to control his children, because we are FREE. Now I am going to explain the Religion of Islam.

Now the Edomite worshiped a god by the name of **Allah Ta'ala also known as Orotalt.**

Orotalt

Now before I continue am going to read to you information I found concerning this god

Orotalt: and it reads:

Source Wikipedia.com: “The Arabians believe in no other **gods** except Dionysus and the Heavenly [Aphrodite](#); and they say that they wear their hair as Dionysus does his, cutting it round the head and shaving the temples. They call Dionysus, **Orotalt**; and **Aphrodite**, [Alilat](#).”

Etymology

Source: Merriam-Webster's Encyclopedia of World Religions states that **Orotalt** is a phonetic transcription of the name of the sun god [Rudā](#) whilst Brewer's Dictionary of Phrase and Fable derives it from a corruption of **Allah Ta'ala** meaning ("God the Most High").

Source Britannica Online: “Herodotus wrote that the Arabs worshiped as sole deities Ali lat, whom he identifies with both Urania and Aphrodite, and **Orotalt**, identified with Dionysus. Both accounts concur: Rudayu and Orotalt are phonetic transcriptions of the same name, Rudā, a sun god.

Source Fact Monster.com: according to the Greek writers, **Orolalt** was the Bacchus of the ancient Arabs. This, however, is a mistake, for the word is a corruption of **Allah Taala (God the Most High)**.

Okay now let me explain why I am reading this. I just read four different sources to make my point. This name **Orotalt** is a corruption of the the name **Allah Ta ala** meaning **God The Most High**.

Now let me be clear. **Orotalt is a corruption of the the name Allah Ta ala meaning God The Most High.** So when you say **The Most High you are saying a phonetic transcription of the name of the sun god Ruda.** So when you say **Allah it is short for Allah Ta ala which means the god of the sun.**

Now this brings me to a question: Now if **Mohammed Peace Be Upon Him** smash the idols of **Allah Ta ala aka Orotalt aka Ruda, aka the Sun god aka The Most High...Then** how in the **HELL** did the name **Allah Ta ala** get **back** on the lips of every **Hebrew** man, women and child that call themselves Muslims today? And one more thing. After knowing this I will never put AHYAH all praise with that phrase “The Most High” every again. Now the answer to the question can be found from a being called

Hermes Trismegestus the messenger of lies. And who is this you ask? This being represents the main enemies of **AHYAH** and his people. Now this is going to get deep Hebrews... Very few people know about these demons. Yet they are at the core of every deception.

The Book Of Exodus: ”And the Lord said vnto him, What is that in thine hand? and hee said, A **rod**. And he said, Cast it on the ground: And he cast it on the ground, and it became a **serpent**: and Moses fled from before it. And the Lord said vnto **Moses**, Put forth thine hand, and take it by the taile: And he put foorth his hand, and caught it, and it became a **rod** in his hand”

Umar:

Now I read this because this was the verse that was used to covert Omar the 2nd Caliph of Islam.

”On the way to murder Muhammad, Umar met his best friend Nuaim who had secretly been converted

to a Muslim but he did not tell Umar anything about it. When Umar told him that he was going to kill Muhammad he was afraid. He knew Umar would attempt what he said. So just to divert his attention he told him to set his own house in order first, because his sister and her husband had converted to Islam. (Note now they did it secretly also, but Nuaim new the secret) Upon arriving at her house, Umar found his sister and brother-in-law, reciting the verses of the [Qur'an](#)(Surah Taha).

(Now they had a fresh copy because it was the year 616 and they got a early copy of the Quran, because it was still being written)

He started quarreling with his brother-in-law, When his sister came to rescue her husband, he also started quarreling with her. Yet still they kept on saying "you may kill us but we will not give up Islam". Upon hearing these words, Umar slapped his sister **so hard** that she fell to the ground bleeding from her mouth. (now I think she had a Miscarriage from this...no wait that was another women he beatup...what was her name? Oh yeah **Fatimah**.)When he saw what he did to his **sister** now, out of guilt he calmed down and asked his sister to give him what she was reciting. (Because you know after you start to burn her house down and beat her from an inch of her life...oh wait I keep getting this mix up with **Fatimah**.) She gave him the paper on which was written the verses of the chapter *Ta-Ha*. He was so struck by the beauty of the verses that he accepted **Islam** that day. He then went to Muhammad with the same sword he intended to kill him with and accepted Islam in front of him and his companions. Umar was **27** when he accepted Islam.”

Chapter *Ta-Ha*:

”**And it reads:** And what is this in thy right hand, O Moses? He said: This is my staff — I lean on it, and I beat the leaves with it for my sheep, and I have other uses for it. He said: Cast it down, O Moses. So he cast it down, and lo! it was a serpent, gliding. He said: Seize it and fear not. We shall return it to its former state. And press thy hand to thy side, it will come out **white** without evil — another sign: That We may show thee of Our greater signs.” (So was this the verses in **Exodus Chapter 4** that calmed the anger of Umar? And for those that have ears to hear did you hear the subliminal messages? **Now keep in mind this book was written by the usurpers, then rewritten, and rewritten, and rewritten, and rewritten by the usurpers.**) **The Original was not Aramaic or Greek it was Paleo Hebrews. How can they interpret the Characters without the Wisdom Of AHYAH all praise?**

Now listen to this:

"**Thoth** the great, the great, the great." The date of his sojourn in Egypt in his last incarnation is not now known, but it has been fixed at the early days of the oldest dynasties of Egypt, long before the days of Moses. Some authorities regard him as a contemporary of Abraham, and some Jewish traditions go so far as to claim that Abraham acquired a portion of his mystical knowledge from **Hermes** himself.

“One Greek myth of origin of the caduceus is part of the story of Tiresias, who found two snakes copulating and killed the female with his staff. Tiresias was immediately turned into a woman, and so remained until he was able to repeat the act with the male snake seven years later. This staff later came into the possession of the god Hermes, along with its transformation powers.”

The staff is not contributed to Moses if that was his name, but that another broadcast. The staff was contributed to **Hermes Trismegestus the messenger of lies**.

Okay now I will continue with Our Story not His Story from a Hebrew perspective.

Muhammed

The Edomite worshiped a god by the name of Allah Ta'ala also known as Orotalt. Okay now when Muhammed of the Seed of Yihmael was born into the Tribe of Hashem. His tribe was one of many tribes and the Tribe of Shem Hashem was a part of the Quraysh Tribe. Now keep this in mind. This the year 619 AD. Over 500 years after the fall of the Edomite Jewish Temple of 70 AD. No where do you think they went all of the wealthy Jews of The Romen Empire went? They went to Arabia. Just like the Hebrews now remember.

Edomites + Horities = Amalikites aka Kenites. So King Harod Of **Idumaeon** = Amalikite.

Edomites + Greeks = Edomite Jews not Hebrews.

Edomites + Romans = Edomite Jews not Hebrews.

Edomites + Yacobs = Edomite Jews not Hebrews. (Why because the wiped out the color)

So now with in the Quraysh tribe there where many Edomite Jewish tribes that converted into the religion called Islam. **Now** here are a list Edomite Jewish Tribes Banu Taym, Banu Khazraj, Banu Aus, Banu Qayla, Banū Qurayza and Banū Naḍīr now I should say suspected Edomite Jewish Tribe because...how could you know 100%? But any way I bring this point to your attention, so you can understand what is happening in Saudi Arabia at this time. Some of these tribes where very, very, very wealth, they where merchant tribes. They made money off of the religion at the Kaaba. And Muhammed was messing with the money.

Now think Muhammed was destroying the money. There are two powerful forces that can control man Money and Religion and Religion is more powerful then money and Muhammed was destroying both with the TRUTH of AHYAH...and guess what? The gods of Fortune, of the Moon, of the Sun, of Venus , of Sex you name it Muhammed pissed of over 300 demons, and they where not having it....

So what happen? Well what always happens? Usurpation? If they Usurpt the **Hebrews** and turned them into Israelits and Usurpt the **Hashmoneans** and turned them into Christians **then** they usurped the **Hashems** and made them **SUBMIT**..Now if you are confused about what I say look at **His Story**.

ALI

Now time will not permitt me to go to deep into the belief and practices of Islam. So we can weight it and see if it is trully of AHYAH, so we are going to Judge Islam on how it treated it's founding members. Lets first start with a man by the name Alī ibn Abī Ṭālib. So who was he and why is he important to the Our Story? Well Ali was the cousin and son-in-law of Muhammad Hashem. He was also the first male to accept the truth. He was only 10 years old when he first accepted and understood what Muhammed was saying. Ali never worshiped the gods of AllahTala **aka** Orotalt the Sun Deity. And like Muhammed Hashem he is from the Hashem family. So this means he is of the seed of Yishmael, and the seed of Yishmael is from the Tribe of Quraysh, and Quraysh is the name of the first son of Yishamel. So therefore ALI is 100% Hebrew from the **Sinew**....

Ali was the only person born in a place called the Kaaba sanctuary in Mecca which is the holiest place in Islamic faith. He was rasied in the same house hold as Muhammed, so they grow up together. His mother and father where Hanifs which mean they followed a belief of one god. Now guess what god that was? They did this way before Muhammed went to the cave and talk the Angels in the dark. They knew AHYAH in there heart and expressed this feeling to there children like Muhammed and Ali before he went to the Cave of course.

Now Muhammed adopted Ali as his son when Ali was a child. He called him his little brother. And Ali would write down the things that would come to Muhammed's mind. You know they would most likely have deep conversation about AHYAH walking around in the desert. Looking at the Edomites in discuse. So he would recited what Muhammed said, he was like Aaron to Mose....You know they where close like that. They where so close that Muhammed was moved by the spirit of AHYAH to give his only daughter Fatimah to him. Because the other two daughter where adopted by him. He wanted to give a Hebrew a Hebrew you know keep it real deep in the **Sinew**...

And when Ali married Fatimah he gave Muhammed three grandchildren. They had three Husayn, Husan, Hussein and little girl named Zaynab. Ali loved Muhammed. When they went to war Ali was the sword. Ali knew the message of AHYAH inside and out because he was with Muhammed from the start. And when Muhammed was murdered he told his followers that Ali was to carry on with the message. And of course this was a no brainer because he was there during the process of understanding. Muhammed wanted his brother, his son, his son-in-law, his friend to continue with their work. And of course because this is the work of AHYAH. But something happened! Now before we get into what happen let me tell you about **Fatimah**.

Fatimah

So I will speak about Fatimah Peace Be Upon Her she is the daughter of Muhammed Peace Be Upon Him and they both are of the Heshem Tribe which is of the Qusaysh Tribe named after the first born of Yishmael so, this means she is also 100% Hebrew of the seed of Yishmael. And Fatimah Peace Be Upon Her was a powerful sister. She died 6 months after her father. We will talk about this later.

Okay I am going to read a few discription concerning Fatimah the Daughter of the Messenger.

Fatimah Born 615 and she died 633 she was around 20 years old when she died she was the daughter of Muhammad and Khadijah. She was also the wife of Ali and mother of Hasan and Husain. She is considered one of the noble of Islam which means she is 100% of the root. She was of the People Of The House or **Ahl Al Kisa** meaning People Of The Mantle and these people consist of Muhammad, Fatimah, Ali, Hasan and Husayn. Meaning that these 5 where to take the word of AHYAH and tell it to the world. **And it Reads:** "Fatimah Peace Be Upon Her "became the object of great veneration by all Muslims, because she lived closest to her father and supported him in his difficulties and because of historical importance of her husband and her two sons, and that she is the only member of Muhammad's family that gave him descendants, numerously spread through the Islamic world"

She was involved in three significant political actions, each recorded in almost all sources. First, after the conquest of Mecca, she refused her protection to Abu Sufian; Second, after Muhammad's death, she courageously defended Ali's cause, fiercely opposed the election of **Abu Bakr. (Now this name Abu Bakr keep this in you mind.)** and had violent disputes with him and particularly with **Umar(Now this is the one that got emotional over the Hermetic messages)**; Third, she laid claim to the property rights of her father and challenged **Abu Bakr's** categorical refusal to cede them, particularly Fadak and a share in the produce of Khaybar. **(What this is speaking about is land that her father captured from the Edomite Jews from Rome that settled in Arabia.)**

She died a few months after her father's death, and was buried in Jannat Al-Baqi', but the exact location of her grave is unknown. Most Shia Muslims believe that she died as a result of her injury caused by **Umar**, incurred while defending Ali against **Abu Bakr**. (Now did you here that? Now why is Fatimah 19 years old having to defend her husband Ali from **Umar** and **Abu Bakr**.)

Okay to tell this correctly I have to first give more insight into the powerful character of Fatimah Peace Be Upon Her. This brief article speak about how Ali and Fatimah like most of us lived in poverty:

And it Reads: "After her marriage to Ali, the wedded couple led a life of abject poverty in contrast to her sisters who were all married to wealthy individuals. Ali had built a house not too far from Muhammad's residence where he lived with Fatimah. However, due to Fatimah's desire to be closer to her father, a Medinan donated his own house to them." **Ali built the house with his bare hands. And nd someone loved them so much that they donated a house so they can live closer to Daddy. Hebrew this is how it use to be.** At the beginning they were extremely poor. For several years after her marriage, she did all of the work by herself. The shoulder on which she carried pitchers of water from the well was swollen and the hand with which she worked the handmill to grind corn where often covered with blisters."

"Fatimah vouched to take care of the household work, make dough, bake bread, and clean the house; in return, Ali vouched to take care of the outside work such as gathering firewood, and bringing food. Ali worked to irrigate other peoples lands by drawing water from the wells which caused him to complain of chest pains. Now picture this in your mind Hebrews My Grandparents on my mothers side did the exact same thing."

An indication of their special relationship is found in the fact that Ali never married another woman as long as Fatima was alive. "**Now you know he loved Fatimah because Hebrews are known to have many wives.**" Following the [Battle of Uhud](#), Fatimah tended to the wounds of her father and husband, and took it upon herself to regularly visit the graves of all those who died in the battle and pray for them.

See what I am saying? awesome! I want me a Fatimah!

"Fatimah is sometimes referred to as "**The mother of her father**", as she took over caring for her father and being a support system for her father once her mother died. Fatimah is a special daughter to Muhammad as she was born during the first year of the mission. (Okay now do to time I will stop here on Fatimah. The more I read about here the more I love this women she was an awesome women.) But on thing I would like to comment on Muhammed Peace Be Upon Him had 12 wives with in the 13 years after his wife Khadijah Peace Be Upon Her passed Now why did Fatimah have to be "**The mother of her father**" with 12 other women around. Think about it. She had four kids, a husband, she was with child, making dough, baking bread, cleaning the house, carried pitchers of water from the well and defending her husband from Abu and Umar. Now wonder why she died 6 month later. Those women where worthless or....we are hearing His Story not Our Story.

I NEED 30 Minutes

Which brings me to Abu Bakr and Umar.

Abu Bakr Abdullah ibn Abi Quhafa) 573 CE – 23 August 634 CE also known as Abū Bakr as-Şiddīq was a senior companion and the **father-in-law** of the Islamic prophet Muhammad. He ruled over the Rashidun Caliphate from 632–634 CE when he became the **first** Muslim Caliph following

Muhammad's death. As Caliph, **Abu Bakr** succeeded to the **political** and administrative functions previously exercised by Muhammad, since the religious function and authority of **prophethood** ended with Muhammad's death according to Islam.

Abu Bakr became a cloth merchant and he traveled extensively in Arabia and neighboring lands in the Middle East, through which he gained both wealth and experience. He eventually came to be recognized as the chief of his clan. On his return from a business trip to Yemen, he was informed that in his absence Muhammad had openly declared his **prophethood**. Not long after, **Abu Bakr** accepted Islam and was the first person outside the family of Muhammad to openly become a **Muslim**. He was instrumental in the conversion of many people to the Islamic faith and early in 623, **Abu Bakr's** daughter Aisha was married to Muhammad, strengthening the ties between the two men.

So how dose a wealthy cloth merchant whom converted into Islam from deity Worship. Become the First Caliph of Islam?..What happen to Ali

20 October 712

Way this broadcast was changed from the 19th of October to the 20th of October Exactly:

Now back to **Hermes Trismegestus**

They are the force behind the Jewish Kabbalah, Rosacrusian Orders, they started the Catholic Church, they are behind the Greek gods, Greek Philosphy, Greek Theology, Greek Theosophy, Sufism, Judaism, Satanism, Hermes Trimegestus is the 72 hidden names of god, the Mark Of Cain which is Tammuz, which is the hoof of a Goat, which is the outline of the Chrstian Cross. If you do not understand look at the image on the website. The Mark Of Cain is the Mark of the Merovingians the Mark of the Beast which is the Hoof of the Goat the space between the foot of the beast. LOOK IT UP. Hebrews this is real Wake up Pay attention they are unveiling themselves because they think you do not see.

The number 9 represents them. The number 72 represents them. 666 represents them. The number 18 represents them $1+8 = 9$. The numbers 9 11 represents them coming thru the gate the portal. Now on 911 did the whole world change? The 72 hidden names of god, the Monad, the One, $72 7+2 = 9$. Nine represents Hermes, Hermes Trismegestus meaning Three Times Great, the trinity... WAKE UP.

Okay now here is a word you need to know.

Theurgy (Thee Urgy)spelled THEURGY look it up whiel we still have the internet.

And it reads:

Theurgy from the GREEK: describes the practice of **rituals**, sometimes seen as magical in nature, performed with the intention of invoking the action or evoking the presence of one or more gods, especially with the goal of uniting with the divine, achieving henosis, and perfecting oneself.

theurgy is "a power higher than all human wisdom embracing the blessings of divination, the purifying powers of initiation and in a word all the operations of divine possession"

“**Spiritual magic** or **theurgy** was based on the idea that one could reach **God** in an ascent up the scale of creation made possible by a **rigorous** course of **prayer, fasting** and **devotional preparation.**”

Now do understand why we should not practice RELIGION?

Theurgy means 'divine-working'. The first recorded use of the term is found in the mid-second century neo-Platonist work, the **Chaldean Oracles**

Now where do we find the practice of Theurgy?

"The Western Hermetic Tradition is a set of philosophical and religious beliefs based primarily upon the pseudepigraphical writings attributed to **Hermes Trismegistus**. These beliefs have heavily influenced the Western esoteric tradition and were considered greatly important during both the Renaissance and the Reformation." Okay now think about the 1611 King James Bible, $1+6+1+1 = 9$ is this a coincidence? The Age Of Enlightenment, The Founding Fathers, The Washington Monument, The Club Of Rome and on and on and on.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Do you think they are trying to tell us something?

Hermeticism – Mythology - Hermes Trismegistus · Thoth, Rosicrucianism, Hermetic Order of the Golden Dawn · Hermetic Brotherhood of Luxor · Hermetic Brotherhood of Light · Ordo Templi Orientis, Qabalah Occult and divinatory tarot. John Dee . Aleister Crowley.

Can you see the big picture?

some pulled a fast one. Someone after the death of Muhammed returned the practice of Idol Worship. And put back on the lips of every Man, Women and Child that call themselves Muslims after the death of Muhammed. This is fact. Allah Ta ala is Orotalt just like that gave us Yahweh for AHYAH and Jesus for Yahushua, they put back AllahTa ala to hide AHYAH. Are you hearing this?

Now this is documented. So the question. Who did this? Can we say the Edomites or the Amalikites those that are of the Mark of Cain. Hebrews listen this is very important. If we call the creator of us all by the name of those that Hate him...do you think he will listen to us? If we do not seek out his name and call him Allah Ta ala and Yahweh or Jesus in ignorance then we are at fault. But if we say this in error after seeking his name then he will forgive. But if we find his name with the best of our ability and believe in our hearts that it is the name of the creator our father AHYAH all praise the he will respond.

Now how did they destroy the message of the sons of Hashem and corrupt the name of our creator?

After THIS POINT IT WAS OPEN TALK AND RESEARCH

The Ridda wars (Arabic: حروب الردة), also known as the Wars of Apostasy, were a series of military campaigns launched by the Caliph Abu Bakr against rebel Arabian tribes during 632 and 633 AD, just after Muhammad died.[1] The rebels' position was that they had submitted to Muhammad as the prophet of God, but owed nothing to Abu Bakr. Some rebels followed either Tulayha or Musaylima or Sajjah, all of whom claimed prophethood. Most of the tribes were defeated and brought back to Islam. The peoples surrounding Mecca did not revolt.

SENTENCED TO SCIENCE: One Black Man's Story of Imprisonment in America

From 1951 until 1974, Holmesburg Prison in Philadelphia was the site of thousands of experiments on prisoners conducted by researchers under the direction of University of Pennsylvania dermatologist Albert M. Kligman. While most of the experiments were testing cosmetics, detergents, and deodorants, the trials also included scores of Phase I drug trials, inoculations of radioactive isotopes, and applications of dioxin, in addition to mind-control experiments for the Army and CIA. These experiments often left the subject-prisoners, mostly African Americans, in excruciating pain and had long-term debilitating effects on their health. This is one among many episodes of the sordid history of medical experimentation on the black population of the United States. The story of the Holmesburg trials was documented by Allen Hornblum in his 1998 book *Acres of Skin*. The more general history of African Americans as human guinea pigs has most recently been told by Harriet Washington in her 2007 book *Medical Apartheid*. The subject is currently a topic of heated public debate in the wake of a 2006 report from an influential panel of medical experts recommending that the federal government loosen the regulations in place since the 1970s that have limited the testing of pharmaceuticals on prison inmates. "Sentenced to Science" retells the story of the Holmesburg experiments more dramatically through the eyes of one black man, Edward "Butch" Anthony, who suffered greatly from the experiments for which he "volunteered" during multiple terms at the prison. This is not only one black man's highly personal account of what it was like to be an imprisoned test subject, but also a sobering reminder that there were many African Americans caught in the viselike grip of a scientific

research community willing to bend any code of ethics in order to accomplish its goals and a criminal justice system that sold prisoners to the highest bidder.

The experiments in Philadelphia's prisons had been going on for 20 years, under Kligman's tutelage: tests involving toothpaste, deodorant, shampoo, skin creams, detergents, liquid diets, eye drops, foot powders and hair dye, "seemingly benign," Hornblum writes, "but accompanied by constant biopsies and frequently painful procedures."

And there were other tests, Hornblum would later learn, involving mind-altering drugs, radioactive isotopes and dioxin.

Kligman, who is 82 and living in Philadelphia, became a wealthy man and a famous name in dermatology, the inventor of Retin-A, the acne cream and wrinkle-remover widely hailed as youth in a tube.

"The early human trials," Hornblum writes of Retin-A, "were performed on the backs and faces of the Holmesburg inmates."

MEDIA, Pa. -

The attorney for a woman who stripped naked with three of her children outside a suburban Philadelphia high school says an adverse medical reaction triggered the psychotic episode.

According to the Delaware County Daily Times (<http://bit.ly/QHyfsc>), Sara Butler's lawyer says contradictory medications for lupus led the 44-year-old mother to think the world was ending.

So who did it?:

Albert Montgomery Kligman (March 17, 1916 – February 9, 2010)^[1] was a dermatologist who invented [Retin-A](#), the popular acne medication. Kligman is best known for the medical research he performed on inmates at [Holmesburg Prison](#) in Philadelphia and the scandal it generated years later.

And it did not cleave because nothing is stronger than the root. So they had to be destroyed. And who are these people? Banu Hashim those of the Quraysh tribe, the Original Hebrews of Yacob and Ishmael. Now did you know that the name **Nebaioth (NaBuyOff) is the same name for the Quraysh (CorRaYSH)Tribe. This is where the Banu Hashim(SHEM) tribe comes from. Now who is from the Banu Hashim clan? Muhammed, Ali, Fatmah, Hassan, Hussein, Husayn and Zayd all come from this Tribe and this is the core the root of Islam.**

Now dose Hashem sound like (Shem)? Banu Hashem the Tribe that Muhammed Peace be Upon him came from. Spelled HASHEM Shem the forefathers of the Hebrews Banu Hashim the Tribe that the seed of Ishmael of Abraham came from. Now let me tell you His Story:

The Mongols

Hulagu's Mongol army set out for Baghdad in November 1257. Once near the city he divided the forces to threaten both sides of the city, on both the east and west banks of the Tigris. Hulagu demanded surrender but the caliph refused. The caliph's army repulsed some of the forces attacking from the west but were defeated in the next battle. The attacking Mongols broke dikes and flooded the ground behind the caliph's army, trapping them. Much of the army was slaughtered or drowned.

The Mongols under Chinese general [Guo Kan](#) laid siege to the city on January 29, 1258, constructing a palisade and a ditch and wheeling up siege engines and catapults. The battle was short by siege standards. By February 5 the Mongols controlled a stretch of the wall. Al-Musta'sim tried to negotiate but was refused. On February 10 Baghdad surrendered. The Mongols swept into the city on February 13 and began a week of massacre, looting, rape, and destruction.

In 1260 Mongol forces combined with those of their Christian vassals in the region, including the army of [Cilician Armenia](#) under [Hetoum I](#) and the Franks of [Bohemond VI of Antioch](#). This force conquered Muslim [Syria](#), domain of the [Ayyubid dynasty](#). They took the city of [Aleppo](#) and, under the Christian general [Kitbuqa](#), also took [Damascus](#) on March 1, 1260. [\[9\]\[10\]\[11\]](#) A Christian Mass was celebrated in the [Grand Mosque of the Umayyads](#) (the former cathedral of Saint [John the Baptist](#)), [\[12\]](#) and numerous mosques were profaned. Many historical accounts describe the three Christian rulers (Hetoum, Bohemond, and Kitbuqa) entering the city of Damascus together in triumph, [\[11\]\[13\]](#) though some modern historians such as [David Morgan](#) have questioned this story as apocryphal. [\[14\]](#)

The invasion effectively destroyed the Ayyubid Dynasty, theretofore powerful ruler of large parts of the [Levant](#), [Egypt](#), and [Arabia](#). The last Ayyubid king [An-Nasir Yusuf](#) was killed by Hulagu in 1260. [\[15\]](#) With the Islamic power center of Baghdad gone and Damascus weakened, the center of Islamic power transferred to the Egyptian Mamluks in [Cairo](#).

The MAHDI

" Islamic is attested from 1791. Earlier Eng. names for the

faith include Muhammadism (1614) and Ishmaelism (1604), which in part is from **Ishmaelite**, a name formerly given (esp. by Jews) to Arabs, as descendants of **Ishmael** (q.v.), and in part from **Arabic Ismailiy**, name of the **Shiite sect** that after **765 C.E.** followed the **Imamship** through descendants of **Ismail (Arabic for Ishmael)**, “eldest son of **Jafar**, the **sixth Imam**. The **Ismailians** were not numerous, but among them were the powerful **Fatimid dynasty in Egypt** and the **Assassins**, both of whom loomed large in European imagination”

The Sunnis believe that there will be a final restorer of Islam, but he is not mentioned by the name Mahdī in the *Ṣaḥīḥs* of Boḳārī and Moslem, nor is he dealt with in theology. In general the Sunnis hold that at the end of time a man from the family of the Prophet will appear to destroy the forces of evil, restore purity to Islam, fill the earth with justice and equity, and bring true guidance to all mankind

The Deception of our Enemy.

The conquest of Italy brought Charlemagne in contact with the [Saracens](#) who, at the time, controlled the [Mediterranean](#). Pippin, his son, was much occupied with Saracens in Italy. Charlemagne conquered [Corsica](#) and [Sardinia](#) at an unknown date and in 799 the [Balearic Islands](#). The islands were often attacked by Saracen pirates, but the counts of [Genoa](#) and [Tuscany](#) ([Boniface](#)) kept them at bay with large fleets until the end of Charlemagne's reign. Charlemagne even had contact with the [caliphal](#) court in [Baghdad](#). In 797 (or possibly 801), the caliph of [Baghdad](#), [Harun al-Rashid](#), presented Charlemagne with an [Asian elephant](#) named [Abul-Abbas](#) and a [clock](#).^[44]

In [Hispania](#), the struggle against the Moors continued unabated throughout the latter half of his reign. His son Louis was in charge of the Spanish border. In 785, his men captured Gerona permanently and extended Frankish control into the [Catalan](#) littoral for the duration of Charlemagne's reign (and much longer, it remained nominally Frankish until the [Treaty of Corbeil](#) in 1258). The Muslim chiefs in the northeast of [Islamic Spain](#) were constantly revolting against Cordovan authority, and they often turned to the Franks for help.

The Abbasid Caliphate or, more simply, the Abbasids ([Arabic: العباسيون](#) / [ISO 233: al-'abbāsīyūn](#)), was the third of the Islamic [caliphates](#). It was ruled by the Abbasid [dynasty of caliphs](#), who built their capital in [Baghdad](#) after overthrowing the [Umayyad caliphate](#) from all but the [al-Andalus region](#).

The Abbasid caliphate was founded by the descendants of the [Prophet Muhammad](#)'s youngest uncle, [Abbas ibn Abd al-Muttalib](#) (566-653), in [Kufa](#) in 750 CE and shifted its capital in 762 to [Baghdad](#). Within 150 years of gaining control of [Persia](#), the caliphs were forced to cede power to local dynastic [emirs](#) who only nominally acknowledged their authority. The caliphate also lost the Western provinces of al-Andalus, [Maghreb](#) and [Ifriqiya](#) to an Umayyad prince, the [Aghlabids](#) and the [Fatimid Caliphate](#), respectively.

The Abbasids' rule was briefly ended for three years in 1258, when [Hulagu Khan](#), the [Mongol](#) khan, [sacked Baghdad](#), resuming in Mamluk Egypt in 1261, from where they continued to claim authority in religious matters until 1519, when power was formally transferred to the [Ottoman Empire](#) and the capital relocated to [Constantinople](#).

Holy Roman Emperor - LOST

Louis IX took very seriously his mission as "lieutenant of God on Earth", with which he had been invested when he was crowned in Rheims. To fulfill his duty, he conducted two crusades, and even though they were unsuccessful, they contributed to his prestige. Contemporaries would not have understood if the king of France did not lead a crusade to the Holy Land. To finance his first crusade Louis ordered the expulsion of all Jews engaged in usury and the confiscation of their property, for use in his crusade. However, he did not cancel the debts owed by Christians. One-third of the debts was forgiven, but the other two thirds were to be remitted to the royal treasury. Louis also ordered, at the urging of Pope Gregory IX, the burning in Paris in 1243 of some 12,000 manuscript copies of the Talmud and other Jewish books. Legislation against the Talmud in European courts resulted from concerns that its circulation would weaken Christians'

faith and threaten the Christian basis of society, the preservation of which was the monarch's duty.[7] Tunique and cilice of Louis IX. Treasury of Notre-Dame de Paris.

In addition to Louis' legislation against Jews and usury, he expanded the scope of the Inquisition in France. The area most affected by this expansion was southern France where the Cathar heresy had been strongest. The rate of these confiscations reached its highest levels in the years prior to his first crusade, and slowed upon his return to France in 1254.

Holy Roman Emperor – WON

The realm in which Hugh grew up, and of which he would one day be king, bore no resemblance to modern France. Hugh's predecessors did not call themselves *rois de France* ("Kings of France"), and that title was not used until the time of his distant descendant [Philip II Augustus](#). Kings ruled as *rex Francorum* ("King of the Franks") and the lands over which they ruled comprised only a very small part of the former [Carolingian Empire](#). The [eastern Frankish lands](#), the [Holy Roman Empire](#), were ruled by the [Ottonian](#) dynasty, represented by Hugh's first cousin [Otto II](#) and then by Otto's son, [Otto III](#). The lands south of the [river Loire](#) had largely ceased to be part of the West Frankish kingdom in the years after Charles the Simple was deposed in 922. The [Duchy of Normandy](#) and the [Duchy of Burgundy](#) were largely independent, and [Brittany](#) entirely so, although from 956 Burgundy was ruled by Hugh's brothers [Odo](#) and [Henry](#).^[6]
